Dear Shri Nag,

This is to acknowledge the receipt of your letter No.B.16011/6/82/EDC dated: 16.4.96 regarding introduction of MA in Mizo subject from 1996-97 academic session.

The reply from the Ministry of Human Resource Development indicates that the matter is to be placed before appropriate Statutory Bodies of the University for consideration. In fact, the matter had been placed earlier before the Statutory Bodies of the University which considered the Syllabi for the post-graduate degree in Mizo. However, regarding the introduction of the courses, the University is not in a position to go ahead in view of the fact that there is no provision in the 8th Plan. The same is being considered in the 9th Plan proposal. I, therefore, regret to inform you that it is not possible for the University to start the course w.e.f. the 1996-97 academic session unless the funding agencies like the Ministry of Human Resource Development and the University Grants Commission provide special financial assistance for the purpose.

With regards,

Yours sincerely,
