Dear Dr Chauhan,

Kindly refer to your letter No.F.31-3/97(CU) dated 10th April, 1998 on Pay Revision of employees of Central Universities etc. pursuant to the recommendation of the Vth Central Pay Commission wherein the Commission in consultation with the Ministry, H.R.D. and Ministry of Finance have decided to extend replacement scales in the revised pay scales as personal to the existing incumbents who have been drawing higher pay scale than approved by the Govt. of India in the pre-revised scales.

In the above context, the Executive Council of this University while approving the replacement scales as personal to the existing employees who have been extended higher pay scales than the Govt. of India by Virtue of UGC's scheme and directives have also decided, where employees who have been granted higher pay scales in the pre-revised scales with the approval of the Executive Council but without any specific approval of the UGC, the same may be referred to the Commission for clarification whether they can also be extended with the replacement scale in the revised scale as personal to them also.

Since this University has few cases of upgradation of pay scales extended to the employees in the pre-revised scales which have been approved by the Executive Council, it may kindly be clarified whether they can be given the replacement scale as personal to them.

An expeditious clarification will be appreciated since the non-teaching employees are pressing for an early settlement of their cases.
