(i) Report of the Inquiry Committee relating to Assistant Engineer(Civil), Maintenance Cell, NEHU.

EC:95:97:6:4:(i): The Council considered the charges framed against Shri WR Lyngdoh, Assistant Engineer, Maintenance Cell vis-a-vis the departmental Inquiry Report and was convinced that there was certainly a serious lapse on the part of the Officer concerned in view of the fact that he inflated the first measurement of the construction work of the Ring Road around the Academic/Housing Complex at NEHU, Permanent Campus, Umshing. The quantities of works (including those of permanent nature) were found less after re-measurement, but fortunately over payment was averted due to timely detection of the discrepancy in measurement.
