- (i) Re-evaluation of scripts may be conducted by centrally arranged local members by the Examination Department.
- (ii) Re-evaluation results should be declared within two weeks of the acceptance of the request for re-evaluation.
- (iii) Re-evaluation fee should be enhanced to Rs. 400/- per script.
- (iv) Centralised re-evaluation of a script would be by two examiners.
- (v) The higher marks obtained by the candidate would prevail.

(iv) Recommendation of the 7th Advisory Committee on Examination, held on 19.5.05, on the suggestions made by the participants of the workshop held on 5.6.05.

cof
AC:73:2005:6:5:5:(iv): The Council Considered the report on the recommendations of the Workshop on examinations matters and recommended that :

1. Syllabus revision for Degree courses should be taken up together and not at a time.
2. Uniformity should be maintained in numbering the papers in syllabi (Practical & Theory) for different subjects.
3. A representative of Examination Department shall be invited to BUGS of a particular subject in matter related to the exam.
4. Orientation programmes should be organized for teachers on aspects of Evaluation and Question Paper Setting.
5. Flying Squad should compulsorily visit colleges during examination irrespective of the location of colleges.
6. Academic calendar should be introduced for colleges as done for PG courses.
7. The undergraduate examinations should start with English as the first day examination to help colleges check the details of students.
8. More intensive supervision should be done for subjects in colleges having no mother departments in the University, especially in Internal/Practical evaluation to retain their credibility.
9. The member strength of BUGS should be increased as there is increase in the number of Colleges.
10. Central Evaluation in the examination system should be started.
11. The detail policy of promotion and admission should be circulated to the respective colleges well in time.
12. Possibilities of holding practical examination during Nov/Dec before Theory may be explored..
13. Descriptive type questions should have break up of marks as far as possible.
14. Marks allotted per question for objective type question must be uniform and possibly carry on ½ mark.
15. In matters of relating to Syllabus framing and Examination Routine, the +2 Syllabi and time of examination a Standing Joint Committee was recommended consisting of representative of Government of Meghalaya, NEHU, Principals and Teachers of Colleges.
16. Mark sheets issued to students should contain the paper number, paper name with Full & Pass marks.
17. The idea of continuous and comprehensive system of evaluation in colleges through semester system may be explored.
18. Results of examinations for Colleges in distant areas must be communicated along with marksheets at the earliest.

19. The possibility of having results declared and marksheets printed simultaneously should be explored. To minimize the time, it was suggested that the authorized signature of the official concerned should be programmed in the computer instead of the officers signing each marksheet. The Principals can countersign the marksheets before handing them to the candidates.
20. The recommendation of the Academic Council on the matter of examination routine, and syllabus should also be sent to the Chief Minister, the Education Secretary and the Chief Secretary of Meghalaya.

CofE (v) **Enhancement of fees for Rank Certificate.**

AC:73:2005:6:5:5:(v): The Council approved the proposal that the Rank certificate of the students shall be issued under the signature of the Vice-Chancellor and the fee for the Certificate may be enhanced to Rs. 200/-.

**(vi) Payment of Remuneration to the Examiners
for Evaluation of M.A/M.Sc/M.Ed dissertation.**

AC:73:2005:6:5:5:(vi): The Council considered the item and **RESOLVED** that a Committee be constituted to go into the matter.

**5:6: - Establishment of New Departments/
Centres/Courses**

**(i) Re-establishment of the Department of
Earth Science (Geology) in NEHU.**

AC:73:2005:6:5:6:(i): The Council considered the item and decided that a suitable proposal may be made in the next five year Plan.

5: - ACADEMIC MATTERS5:5 - Examination Matters

(iii) Re-evaluation of U.G/P.G. answer scripts

The 7th Advisory Committee on Examination Matters held on 19.5.05 has recommended the following steps on the re-evaluation of UG/PG answer scripts:

- (i) Students seeking re-evaluation should have scored minimum of 15% and maximum 40% marks in the said paper.
- (ii) Re-Evaluation is to be centrally evaluated as far as possible. For the UG at Bijni Complex Examination Deptt and for the PG at Examination Deptt (PG), Permanent Campus.
- (iii) The evaluated marks if varied beyond 30% of the original mark, the matter is to be taken up with the vice-chancellor for decision.

Clause 17 of Regulation RC-9 on Re-evaluation provides as under:

cl.17((4). Candidates securing less than 15% in a paper, shall not be eligible to apply for re-evaluation.

cl.17((6). The application shall be screened by the Controller of Examinations and shall be sent to two examiners, other than the ones who have examined the script early, appointed by the Vice- Chancellor.

Although the University shall make all efforts to declare the results of re-evaluation as early as possible, but because of various safeguards require to be taken, reevaluation cannot be a time bound process. The University reserves its right of preserving the confidentiality of the re-evaluation process and the results.

Cl.17(7) .Average of the two closer marks awarded by the examiners shall be the marks awarded after re-evaluation.

Except to Cl.17 (4), the other 2 clauses due to practical problems could not be followed. It has been experienced that even with 1(one) examiner, at times the re-evaluated marks takes months together to receive from the examiner. In the event 2(two) examiners are asked to re-evaluate, it may double the time period taken by each examiner.

Hence, the Department in order to expedite declaration for both UG/PG/Re-evaluation results as early as possible, has been sending scripts for re-evaluation to one examiner instead of two and the marks awarded by said the examiner has been treated as final.

Average of two closer marks awarded by the original examiner and reevaluating examiner may be taken into account instead of the two re-evaluating examiners. The Academic Council may like to review the decision on the matter.

The matter is placed before the Council for consideration.

- (iv) Recommendation of the 7th Advisory Committee on Examination, held on 19.5.05, on the suggestions made by the participants of the workshop held on 6.5.05

In pursuance to the Academic Council Resolution No.71:2004:1:I, a Workshop on Examination matters was held on 6.05.2005 at permanent campus, NEHU Shillong. Suggestions put forth by the members/participant during the Workshop were reported to the 7th Advisory Committee on Examination matters held on 19.5.2005. The Committee accordingly recommended the following points on the deliberation of the Workshop placed at Annexure 'A'.

The matter is placed before the Council for consideration.

The 7th Advisory Committee's recommendation on the deliberation of the WORKSHOP ON EXAMINATION MATTERS held on 6th May 2005 at Permanent Campus, NEHU, Shillong

1. Syllabus revision for Degree courses should be taken up together and not at a time.
2. Uniformity should be maintained in numbering the papers in syllabi (Practical & Theory) for different subjects.
3. One special invitee from Examination Deptt is to be included as a member in BUGS meeting for each subject.
4. Orientation programmes should be organized for teachers on aspects of Evaluation and Question Paper Setting.
5. Flying Squad should compulsorily visit colleges during examination irrespective of the location of colleges.
6. Academic calendar should be introduced for colleges as done for PG courses.
7. The undergraduate examinations should start with English as the first day examination to help colleges check the details of students.
8. The objective question paper should form an integral part of the main question paper and not a separate booklet.
9. More intensive supervision should be done for subjects in colleges having no mother departments in the University, especially in Internal/Practical evaluation to retain their credibility.
10. The member strength of BUGS should be increased as there is increase in the number of colleges.
11. Central Evaluation in the examination system should be started.
12. The detail policy of promotion and admission should be circulated to the respective colleges well in time.
13. Possibilities of holding practical examination during Nov/Dec before Theory may be explored..
14. To be read along with Sl.9 above and descriptive type question should have break up of marks as far as possible.
15. Mark allotted per question for objective type question must be uniform and possibly $\frac{1}{2}$ mark per question.
16. In matters of relating to Syllabus framing and Examination Routine, the +2 Syllabi and time of examination may be taken into account.
17. Mark sheets issued to students should contain the paper number, paper name with Full & Pass marks.
18. Method for continuous and comprehensive system of evaluation in colleges through semester system may be explored.

19. Colleges located in distant and remote areas must be dispatched with the result sheets and marksheets well in time.

20. To explore the possibility of having the result declared and marksheets printed simultaneously and to expedite dispatch of marksheets to the colleges at the earliest. To minimize the time, the Committee suggested to have the authorized signature programmed in the Computer instead of signing each Marksheet, which is a time taking process.

21. The suggestion has been modified as: "There are examiners who do not take examination work seriously, a suitable measure may be taken to correct the situation/(s)."

5:5:5(1)

(v) Enhancement of fees for Rank Certificate.

The Rank Certificate is an important document which authenticates the ranking of a student in the examination conducted by the University. Under the existing practice, the said certificates are normally issued under the signature of the Assistant Registrar on behalf of the Vice-Chancellor.

Considering the importance of the Rank Certificate, it is proposed that the said certificate may be issued under the signature of the Vice-Chancellor of the University. This will necessitate improvement in the paper quality of the certificate which will entail higher expenditure. In this regard, it is suggested that the present fee for rank certificate be enhanced from Rs.50/- to 200/- at par with the Original Certificate.

The matter is therefore, placed before the council for consideration.
