The Vice-Chancellor,

North-Eastern Hill University,

Mawkynroh Umshing,
SHILLONG-793022.

Dear Sir,

The Meghalaya College Principals Council had a discussion on 'Regulation on Permanent Affiliation' adopted at the last Academic Council. The Council felt that Clause No. 2 will unnecessarily delay the permanent affiliation of several Colleges thus denying them the possibility of getting UGC Grants.

Hence it was decided to request the University to amend Clause No. 2 as follows.

A College may be eligible for permanent affiliation on completion of ten years after its first affiliation to the University as a Degree College provided there has been uninterrupted affiliation for the period of ten years.

I will be grateful if this could be included in the agenda for the next Academic Council.

With kind regards.

Yours Sincerely,

Sd.,
Fr. Stephen Mavely, SDE.,
President.

ii (e) In the last Academic Council Report of the Committee appointed by the Academic Council vide Resolution No.AC:57:98: 5:7(III) to frame the Regulation for Permanent Affiliation of Affiliated Colleges was placed and approved by the Council. It is read as -

1. Any college desirous of permanent affiliation shall apply, for the same in the proforma prescribed for the purpose, subject to the following conditions:
2. A college may be eligible for permanent affiliation after ten years of its unconditional affiliation to the University as a degree college.
3. A college shall be inspected by an Inspection Team to be appointed as per the Ordinance which shall submit its report to the Affiliation Committee for consideration by the Academic Council and approved by the Executive Council.
4. Notwithstanding anything other terms and conditions for affiliation shall be as laid down in the Act, Statutes and Ordinances of the University.

The Meghalaya College Principals' Council request the Vice-Chancellor to amend the clause No.2 since the Council felt that Clause No.2 will unnecessarily delay the permanent affiliation of several colleges thus denying them the possibility of UGC grants. The Council has suggested the amendment of Clause No.2 as follows -

" A College may be eligible for permanent affiliation on completion of ten years after its first affiliation to the University as a Degree College provided there has been uninterrupted affiliation for a period of ten years".

The matter is placed before the Academic Council for consideration.
