CONFIRMATION OF THE MINUTES OF THE
FIFTY-NINTH MEETING OF THE EXECUTIVE
COUNCIL.

The Minutes of the Fifty-Ninth meeting of the Executive Council held on 28th November, 1987, were circulated amongst the members with a request to give comments, if any.

Since no comments were received from the members, the Minutes may be taken as confirmed.

2:1 (1)

- (i) Approval of the Central Government
on the first Ordinances -

The Vice-Chancellor, under Section 26(2) of the NSHU Act, framed the first Ordinances on the Institute of Self-Organising Systems and Bio-Physics and on Adjunct Faculty Members and the draft Ordinances were submitted to the Ministry of Human Resource Development, Government of India for approval. The Central Government vide their letter No.F.8-21/87-Desk(U) dated the 21st December, 1987 conveyed their approval to the above two first Ordinances framed by the Vice-Chancellor.

The matter is reported for information of the Council.

Assent of the Visitor to amendments of Statute 5-A(1), Statute 10-A(1) (xii), (xiii) and (xx) and Statute 12(1)(vi) and (vii) of the N.T.H.U. Act, 1973 -

The President, in his capacity as the Visitor of the University, gave his assent to amendments to the following three Statutes. The approval of the Visitor has been intimated vide the Ministry's letter No.F.8-14/87-Desk(U) dated the 13th January, 1988.

1. Statute 5-A(1)
2. Statute 10-A(1) (xii), (xiii) and (xx)
3. Statute 12(1) (vi and (vii)

The amendments as approved by the Executive Council and assented by the Visitor are re-produced below :

Statute 5-A(1) The Controller of Examination shall be a wholetime salaried Officer of the University and shall be appointed by the Executive Council on the recommendation of the Selection Committee constituted for the purpose.

Statute 10-A

1(xii) Seven Principals of Colleges in the State of Meghalaya, four Principals of Colleges in the State of Nagaland and three Principals of Colleges in the State of Mizoram be rotation according to seniority, which shall be determined with reference to the date of establishment of the Colleges concerned, to be nominated by the Vice-Chancellor.

1(xiii) Six teachers from affiliated colleges, out of which three will be from colleges in the State of Meghalaya, two from colleges in the State of Nagaland and one from colleges in the State of Mizoram, to be nominated by the Visitor on the recommendation of the Vice-Chancellor.

Representatives of State Governments -

1(xx) Two representatives of each of the States of Meghalaya and Nagaland and one representative of the State of Mizoram to be nominated by the State Government concerned.

Statute 12

1(vi) Three Principals, one each from the colleges located in the State of Meghalaya, in the State of Nagaland and the State of Mizoram, by rotation, according to seniority, to be determined with reference to the date of establishment of the colleges concerned, to be nominated by the Vice-Chancellor.

1(vii) Directors in charge of Collegiate Education in the States of Meghalaya, Nagaland and Mizoram.

The matter is reported for information of the Council.

....

2:3(1)

(iii) Additional allocation of grants
for the VII Plan -

The University Grants Commission vide their letter No.F.7-4/86(CUP) dated the 7th January, 1988 conveyed the approval of the Commission to the additional allocation of grants amounting to Rs.350 lakhs for Development Programme of the two Campuses of Nagaland and Mizoram including Medziphema and Pachhunga. A copy of the letter ~~from~~ the Commission may be seen at Annexure - A. The report of the Visiting Committee containing the recommendations of Experts may be seen at Annexure - B.

The matter is placed for information of the Council.

UNIVERSITY GRANTS COMMISSION
BAHADURSHAH ZAFAR MARG

No.F.7-4/86(CUP)

New Delhi 2 January, 1988

The Registrar,
North-Eastern Hill University,
Lower Lachhumiare,
Shillong - 793 001.

Sub: NEHU:- Developmental assistance to the University
for the VII Plan period - approval of.

Sir,

The Commission at its meeting held on 30th November, 1987, accepted report of the Committee constituted by the Commission to examine the requirements of North-Eastern Hill University for the Seventh Plan period.

I am accordingly to convey the approval of the Commission to the additional allocation of grants to your university for development programmes of the four different campuses during the VII Plan period ending 31st March, 1990 as per details given below:-

Campus	Books	Equipment	Staff	Bldg.	Misc.	Total
Kohima	5	10	5	125	5	150
Medziphema	2	5	5	35	3	50
Aizawl	5	10	5	100	5	125
Pacchung	1	2	1	20	1	25
Total	13	27	16	280	14	350

A copy of report of the Visiting Committee which visited the University is enclosed. As indicated in the report this allocation may be utilized only for these campuses keeping in view the recommendations of experts. The details of posts proposed may be sent to University Grants Commission.

The above allocation will be subject to the terms and conditions as already communicated to the University vide this office letter No.F.7-3/85(CUP) dated 10.7.1987.

Contd/.../-

2:3:(3)

The University is requested to confirm if terms and conditions are acceptable and also to indicate its immediate requirements of funds. In case of Building Projects the plans & estimates duly scrutinised by the NACS/CPWD may be sent as early as possible as per the prescribed procedure alongwith other requisite information.

The receipt of this letter may please be acknowledged.

Yours faithfully,

Sd/-C.K. Sharma,
Deputy Secretary

Report of the Visiting Committee to the
North-Eastern Hill University.

I. INTRODUCTION

The VII Plan development proposals of North-Eastern Hill University were discussed in the office of the Commission on 17th February, 1987. It was agreed that the amount of RS.14 crores to meet the commitments of schemes already approved may be provided to the university and an expert committee may visit the three campuses of the North-Eastern Hill University to assess its additional requirements. As per this decision a visiting committee, with following members, visited the three campuses of North-Eastern Hill University from 10-25th April, 1987 :-

1. Professor R.C.Paul, Chairman
Ex-Vice-Chancellor,
Panjab University,
Chandigarh.
2. Professor D.P. Patnaik,
Director,
Central Institute of Indian Languages,
Mysore.
3. Professor MS Raja Gopal, (Only Shillong campus)
Professor of Physics,
Indian Institute of Science,
Bangalore.
4. Shri A.G.Deshmukh,
Joint Secretary,
U.G.C.
New Delhi.

The committee visited the Shillong Campus on 20-21st April, the Nagaland Campus at Kohima and the School of Agricultural Sciences and Rural Development at Medziphema on 22nd and 23rd April, the Mizoram Campus, Aizawl and the Pachhunga University College on 25th April, 1987.

The committee likes to thank the Vice-Chancellor, the Pro Vice-Chancellors, the various academic and other administrative staff and the students of NEHU for their kind assistance during the visit.

I.a: General Observations :

The committee noted with satisfaction the overall progress made by NEHU during the past decade, in spite of various difficulties and handicaps. The growth has to be accelerated to satisfy the aspirations of the people in the region. A candid introspection of the past performance and a clear picture of the future plans are well known steps in speeding up the development. In view of the unusual position of NEHU, the Committee recommends to the Commission that during the VII Five Year Plan period as a special case the progress of implementation should be reviewed from time to time.

The North- Eastern Hill University has restructured its Under graduate courses and offers a 2-Year Pass Course after the 12th standards. The students who secure more than a certain percentage of marks are allowed to proceed to the Hons. course of One-Year duration. In the postgraduate course only students who have secured a minimum of 45% marks in Hons. are admitted. This has created a serious problem and in many departments particularly at Kohima and Aizawl, there are no students for the last one or two years. The students getting pass degree after two years are not eligible for admissions to postgraduate courses anywhere. This needs to be examined in the light of the UGC rules regarding the minimum requirements for the award of a degree following the national pattern of 10+2+3 years of study. This course needs to be discontinued.

The University has alst year changed the academic session and the new admissions are made in March. This has created a problem for outside students seeking admissions in North-Eastern Hill University. The results in most of the universities are announded in June/July and the students will have to waste a year if they want to take admission in North-Eastern Hill University. Further-more, the students of NEHU have a time lag if they wish to join elsewhere. The committee suggests that North-Eastern Hill University should change the pattern both for two year pass course and academic session and fell in line with the rest of the country as soon as possible.

I.b: Development of three campuses :

When the three campuses of North-Eastern Hill University were started it was envisaged that these would be developed equally. However, the committee was unhappy to note that the developments in three campuses are extremely unequal. In the Shillong Campus the university has developed most of the departments and constructed a number of staff quarters (where the teachers are provided rent free furnished accommodation) and hostels, while there is not a single building constructed by the university in the Kohima and Aizawl Campuses. Whatever may be the earlier reasons, this state of affairs is not satisfactory and the committee urges that the Commission should immediately take steps to ensure that the other campuses get facilities similar to those available at Shillong. The committee also noted that in the Nagaland and Mizoram Campuses the constituent colleges, namely the Agricultural College and the Pacchung College work practically independently and are not under the control of the Pro-Vice-Chancellor. Only recently the PVC of Nagaland Campus has been made responsible for working of the Agriculture school. It is desirable that these colleges function under the control of the Pro-Vice-Chancellor of these campuses in close cooperation with the departments. As regards administration of other colleges in these two states, it is felt that these should also work under the pro-Vice-Chancellor's Office.

I.c. Building Project:

The committee was not happy with the present state of construction projects at Shillong. The plans prepared by the Architect for construction of Buildings have turned out to be very expensive. The cost of construction of buildings has gone upto Rs. 680/- per sq.ft. which is very much higher than the normal cost. The University should have taken care to see that the designs prepared by the Architect are suitable for the regions and that the cost is reasonable. The buildings for the seminar complex and RUAB quarters have been constructed without the plans and estimates being approved and the entire expenditure is probably being booked to some other building projects.

Contd/.../-

It was understood that the grants paid by the North-Eastern Council for the construction of hostels in the other two campuses are being diverted to construction projects in the main campus. The committee feels that the university should not take up any more construction work with the present plans and estimates, involving such high costs.. It should complete the ongoing building projects which have been already started. The remaining portions of these buildings could be undertaken only after the university prepares new plans and estimates at a reasonable cost. Further the procedures as laid down in the UGC guidelines should be strictly followed.

I.d: State of Education in the region :

The committee was concerned that there is lack of facilities for technical education in this region. It is understood that a Medical Institute is being proposed to be started at Shillong. Some Engineering/ Technological courses are being started in the NERIST at Itanagar. Apart from this there are very little facilities for engineering and technical education. The committee feels that the university should start courses which are suitable for this region. It may be desirable to start some diploma/certificate courses for middle level technicians. The region being rich in forestry, the courses related to forestry, chemistry of natural products, pharmacy etc. could be started. Similarly, there is lack of teaching facilities in foreign languages. The university may start some diploma/certificate course in various foreign languages in its campuses. There is also good scope for vocational courses on computer science, applied statistics and similar topics.

II: Main Campus of NEHU, Shillong

The university main office is located in the 'Horse Shoe Building, Shillong which is placed at the disposal of the university by the state government. The university has acquired the Mayurbhanj House, and Bijni Complex where other department have been located.

Contd/.../-

The construction work in the main campus is going on. Only the School of Education has shifted to the campus. Some staff quarters have been occupied. A Central School is working in the campus.

The Seminar complex is nearing completion. The other departmental buildings have yet to be started.

III.a: The School of Languages.

This consists of two departments—English and Khasi. The department of English, started in 1973, has staff of 3 Professors, 6 Readers and 2 Lecturers. The number of students is 23 in M.A., 11 for M.Phil and 3 for Ph.D. The department wants to introduce more specialization and has asked for more staff for this purpose. The staff of Khasi department (started in 1982) is Two Professors, One Reader and three Lecturers. There are 22 students in M.A. and 14 in M.Phil. and 6 for Ph.D. The department is conducting special M.Phil. programme for college teachers. In the English department there is more emphasis on literature courses and this work is satisfactory. There is no proper emphasis on English language courses and teaching of Linguistics. There is no programme for improvement of Proficiency in English Language for students of other discipline. It seems that there is not much interaction between the department and the regional centre of CIEFL located in the campus. The facilities of Language Laboratory are not being used. The committee had a detailed discussion with the staff members on these points. The teachers agreed that they would take up these suggestions of the committee, especially the point that English language teaching should be given stress.

III.b: School of Life Sciences.

The School of Life Sciences consists of the departments of Botany, Biochemistry, Zoology and the Eco-development centre. The School is located in the Mayurbhanj Complex, with rather inadequate space for the laboratories. One realizes that the University as a whole is seized of the need to have a better campus and is making efforts in this direction. This school should be specially mentioned for the excellent work done in relation to the problems of the North Eastern Region, showing clearly that first class Scientific research can be done without sacrificing the local interests.

Contd./.../-

The department of Botany has Plant Ecology, Microbial Ecology, Cell Biology and Algology as the main areas of research. The problems of the flora and fauna of the North-Eastern Region have been tackled with considerable success by the energetic and sustained investigations. While the augmentation of the space and other facilities should wait for the general solution by the university, the department should intensify the research in order to attain a position of acknowledged leadership in the special problems of this region like the behaviour of plants under stress conditions of water and temperature.

The department of zoology has interests over a broad spectrum of endocrinology, Entomology, Cytogenetics, limnology, Aquatic Biology and Physiology, making it as one of the strong departments. A balance between the classical aspects of the subject and the more fashionable recent themes has been maintained. The Environmental Biology of the North Eastern Region of our country is proving to be a fertile field of active work, made clear by the record of publications. Since the general support from the University and the UGC, as recommended in this report is bound to be limited, the department should make efforts to secure research support from other agencies in areas like the Entomology and Parasitology of the region.

The Biochemistry department has been started more recently and is hard pressed to accommodate its research facilities within the space available. The research work has been concentrated on Protein Chemistry radiation Biology and allied areas. Large scale extensions into areas like Molecular Biology and Genetic Engineering will have to wait till the physical resources are improved and the staff recruitment completed. The department may like to study the nutrition problems and the Genetic disease patterns of the North Eastern region which are likely to have fundamental significance as well as practical applications.

The centre for Eco-Development studies has carved for itself a good place by the integrated studies of this region. The centre has taken advantage of the availability of many life science specialists and of the many problems of this region.

Contd/.../-

Perhaps it could move to a higher plane of work by going from the role of a passive observer of the ecological inter-relationships to the role of an active promoter of desirable changes. Similarly the association of persons from the Physicochemical and Mathematical Sciences in some common problems will also add new dimensions to the work of the centre.

II.c: School of Physical Sciences:

The School of Physical Sciences consists of the departments of Chemistry, Mathematics, Physics and Biophysics. The departments are located in the Bijini complex, with periodic additions and alterations to the buildings in order to accommodate the expanding laboratories. The centre for School Sciences and Mathematics as well as the Centre for Applied Statistics could also be discussed in this context. The departments have many common links connecting their work and have thus strengthened the position of the school.

The Department of Chemistry is one of the larger departments of the School. The staff cover the various areas of Inorganic, Organic and Physical Chemistry. Newer lines of work in Nuclear and Theoretical Chemistry have been initiated. The departmental staff have earned some standing in their research work. Nevertheless nothing seems to have been done regarding the recommendations made by the VI Plan committee of working in Natural Products Chemistry, which will have relevance to the North Eastern Region with its rich natural resources. This recommendation appears to be valid even now. The department should seriously consider this suggestion.

The department of Mathematics consists of several staff members of good standing. In their own areas of work the staff have been reasonably active. However as was observed by the VI Plan committee, a sense of direction especially in the context of location in the North Eastern region seems to be lacking. Research activity and teaching in areas like Computer Programming for both numerical work and software development, would have attracted more students and resources. Operations Research and Statistics were also mentioned by the VI Plan committee.

Contd/.../-

The department of Physics has good staff working in different branches of Physics, with somewhat greater strength in Laser Physics and Nuclear Physics. Some reorientation of the work into applied areas of relevance to the region has been attempted, but a good opportunity to give a decisive push in this direction has been missed at the time of recruiting the recent additions to the staff. The department could also consider research and teaching programmes which have possibilities of vocational bias like Electronics or Material Science.

The department of Biophysics has been started recently and wishes to concentrate research in the theme of self-organizing systems. This theme has illustrative applications to the original evolution of life and the evolution of the genetic code in life sciences, to the crystallisation of solids and the renormalization group of ordering in physical sciences, to dissipative systems in chemical sciences and to the growth of social systems in social sciences. Therefore the topic can become a pace setter in the national scene or even the international scene if the staff make a rigorous effort in this area.

The centre for School Science and Mathematics has an innovative plan to spread the culture of science especially mathematical concepts at the school level and among the general public. The centre is aware of the similar efforts at other centres in the country and should get into actual field trials at an early date. It has the potential to link the university with the entire community in the region.

The centre for Applied Statistics is another attempt at spreading the utility of mathematical ideas to a variety of life situations. If it runs successful programmes in Mathematics/Statistic/Computer Programming etc., then the impact will be felt quickly. The VI Plan committee has correctly recommended that this type of extension activity should be established at the other campuses also. Efforts in this direction are needed.

Contd/.../-

Regional Sophisticated Instrumentation Centre:

The RSIC has been set up in the Bijni complex with the assistance from the Department of Science and Technology, Govt. of India. It houses a large number of relatively expensive analytical facilities which are used by many departments of the university. The DST is likely to found more such equipment. In return for the facilities accessible to the university staff, NEHU must arrange for an effective use of the equipment by providing some critical staff, space and working expenses. Efforts should also be made to increase the interaction with the School of Life Sciences.

University Science Instruments Centre:

The USIC is located in the permanent campus of the University whereas the science departments are located at different places. When the two come closer together, the full potential of the USIC to provide assistance to the departments can be realized. at present, with some augmentation of the facilities, it can be of use to the work/maintenance/engineering sections of the University.

Computer Centre:

A medium size frame computer has been recently installed in the Bijini complex. This will go a long way to solve the computational needs of the University staff. In order to utilize the machine fully, efforts must be made to provide two or three shift operation as quickly as possible. Required man power must be provided as also the working expenses. The University may also think of running a number of short term training courses in this area.

II. School of Social Sciences :

The School of Social Sciences consist of the department of History, Economics, Philosophy, Political Science, Sociology and Anthropology.

Contd/.../-

(1) Anthropology:

The separate department of Anthropology was started in 1981 after bifurcating it from Sociology. In the teaching and research activities emphasis is given on problems related to this area. The department wants to develop a museum and to have two field stations in other two states. The department has organised three short courses for students, teachers, government officials. It has undertaken some research projects. The committee feels that the department should give more emphasis on study and research in Physical Anthropology which would be relevant to the area.

(2) Sociology:

The department was started in 1976. There are 35 students in M.A. and 9 in M.Phil, 4 for Ph.D. The staff of the department in 2 Professors, 3 aders & 2 Lecturers. There are a number of on-going Research Projects. The 18th Indian Sociological Conference is being arranged by the department in May 1987. It has adopted 'Social Change' as its thrust area. The department wants to inttroduce new courses and has asked for more staff. The department has organized three short courses for students, college teachers and other interested persons. The students who have passed from the department have been employed in the state government in responsible positions.

(3) Political Science:

The department was established in 1974. The department has 23 students in M.A., 13 for M.Phil and 5 for Ph.D. The staff of the department is four Professors, four Readers and four Lecturers. The thrust area for the department is 'Government and Politics in the North East India'. The department wants to expand its research activities and has asked for more staff and some research associates.

(4) Philosophy:

The department was established in 1974. There are 16 students in M.A., 6 for Ph.D. and 8 for M.Phil. The staff strength is one Professor, 4 Readers and 2 Lecturers. 3 posts one each of Professors

Readers and Lecturers are vacant. The department has number of on-going research projects and the output of research papers is very good. The proposal of the department for Departmental Research is under consideration of U.G.C. The department is active in organising seminars etc. The department wants more staff for broadening the research activities.

(5) Economics:

The department was started in 1974. The number of students in M.A. 59, M.Phil. 7, Ph.D. 6. The staff strength is 2 Professors, 4 Readers & 3 Lecturers. The post of 1 Reader and 2 Lecturers are vacant. The research activity is fairly good. The department has requested for more staff, support for audio-visual aids, Xerox machine etc., more grant for books & journals.

(6) History:

The department was established in 1974. The staff of the department is 4 Professors, 4 Readers & 5 Lecturers. One post of Lecturer is vacant. The number of students is M.A- 47, M.Phil-16 Ph.D 4. The department wants to take up research projects concerning this region. The new course structure has been introduced from 1985-86. It wants additional staff for introducing more specializations.

II. e: School of Environmental Sciences :

Geography:

This department was established in 1976 under the School of Environmental Sciences. The main thrust area of the department is Developmental Geography and Planning in relation to the North East Region. The staff of the department is one Professor, 3 Readers & 4 Lecturers. The post of one Professor, Two Readers are vacant. The number of students is 32 for M.A. & 10 M.Phil. The department has organized seminars, summer institutes and has on-going research projects funded by UGC, ICSSR etc. The research output is fairly good. The department wants to establish a Centre for Rural Development at the Campus of Agriculture.

College. There is a proposal for creation of centre for Population Studies.

II. f: School of Education:

Education:

The department was started in 1976. Initially a one year MEd. course was offered. Now a two year M.A. (Education) course is taught. The students enrolment in M.A.-15, M.Phil-8, Ph.D.-5. The staff strength is 2 Professors, 3 Readers and 3 Lecturers.

This is the only department working in the new campus. There is a separate centre for Educational technology. The centre has conducted refresher courses for teachers of colleges of Education.

The Committee feels that department could revive one year M.Ed. course after B.Ed. The urgent requirement of the department is for more books/journals & equipment.

II.g: Discussions with Research students:

The committee met representatives of the Research Scholars Welfare Association. Their main demands are liberal grants for books, provision of better transport facilities, grants for study tours and better sports facilities. The students informed the committee that they have to pay exorbitant price to get their thesis types and suggested that facilities like typewriters, cyclostying machines, photo-copying/machines be provided by the university for the use of students. The committee feels that most of their demands are genuine and that the university should provide such facilities.

III: Nagaland Campus-Kohima:

The committee had detailed discussions regarding the problems of Nagaland Campus, Kohima, with the Pro-Vice-Chancellor, Sh.Kiremwati. The committee also discussed this with Shri Lungkumar, Chief Secretary, Nagaland Government. The State Government had earlier decided to give land (about 1,000 acres) for the campus to be established by the North Eastern Hill University. However, since the university could not start any building work, the land was taken back and the State Government started construction of the Secretariat building on this land. All the departments and the university office are located in different rented buildings spread over various locations in the city. The Pre-Vice-Chancellor suggested that in order to have an impact of the establishment of the

campus, the University should immediately purchase a constructed building in the city and locate the departments in this building. The question of allowing the university to utilise one wing of the Secretariat building is also under consideration and the university should pursue this with the State Government. The State Government could also be requested to allocate some land near the Secretariat so that the University could start construction of its building including staff quarters, hostels so that it can move to these building when it has to vacate the Secretariat building. The committee feels that the Pro-Vice-Chancellor may pursue these matters.

There is a strong feeling that the NEHU has not developed this campus properly and there is a demand that a separate Nagaland University be established. In fact, a bill has also been proposed. The committee feels that unless urgent action is taken to remove this feeling of neglect, the demand for a separate university will gain momentum.

The committee visited various departments and examined the facilities available and discussed the problems with teachers.

III(a) Geology Department:

The department was started in 1983 in the Science College, Kohima Campus. The staff of the department is 2 Readers and 3 Lecturers. The number of students is 14. This is the only department of geology in the University and caters to the needs of the three states. The department is handicapped for want of space and equipment. However, it has already developed links with other Geology departments and organizations like G.S.I., ONGC, State Government Mining department, Coal India Ltd. etc. The students are taken to other parts of country on educational tours. The students coming out are absorbed in Geology-Mining department of the State Government or in colleges outside the state. The undergraduate Geology course is offered only in two colleges- Kohima Science College and Pachhunga College, Aizawl. The department desires to introduce new specializations and a 5 year integrated M.Sc. Course.

III.b: Commerce Department:

The department was established in 1980. The staff strength is one Reader and 3 Lecturers. The department has no students in last two years. 3 students have been admitted this year. The University has three colleges having B.Com. (Hons) course, but

the students are not attracted to this department as there are no facilities. The university also does not get outside students as the academic session here is out of tune with the rest of the country.

III.c:Education:

The department was established in 1978. It has staff of 2 Readers and 2 Lecturers. It offers course in M.A.(Education). The department has intake capacity of 15 students. At present there are about 10 students. The department would like to start M.Phil. course and Diploma in Educational Administration, lack of space and staff is the main problem of the department.

III.d:English:

This was established in 1978. The staff of the department is one Professor and two Lecturers. It was getting good number of students upto 1984. There has been no student after 1984. The teachers feel that this is due to inadequacy of staff and other facilities, and difficult M.A. course for the local students. There is one staff member in linguistics who is at present attached to English department. Other posts in the department are lying vacant.

III.e:Library:

The university library of the Kohima Campus is located in a small building. There is a general complaint about lack of Funds for books and journals. There is need for more technical staff in the library.

III.f:Discussions with teachers:

The teachers complained about the lack of good accommodation. The teachers have been provided very small state government quarters which are meant for lower staff. They feel insecure as robbery and thefts are common. Many times electricity supply is disrupted. There is lack of medical facilities. The teachers feel that this campus is not able to attract teachers as well as students. The teachers feel complete isolation in the campus. The absence of students in many departments has also added a feeling of frustration. The following suggestions were given for improvement of situation:-
(1) All the teachers be provided facilities to visit other places and to attend national seminars, conferences in vacations.

- (2) There should be decentralization of powers and the P.V.C. should be authorized to operate funds and approve visits of teachers.
- (3) The UGC should earmark grants separately to each centre to be operated by the PVC.
- (4) All the UGC circulars particularly those concerning teachers be sent directly to each campus to avoid delay.
- (5) The university should provide better transport facilities for teachers and students between the residence and the departments.
- (6) The University should provide well furnished rent free quarters as in the case of Shillong campus.
- (7) It may be desirable to have arrangement of some transit quest house facilities at Dimapur for the use of teachers and students going to other places.

IV. The School of Agriculture Sciences & — Rural Development, Medziphema (Nagaland).

IV.1: General Background:

The school was established in 1978. The school offers courses in P.U. (Agri), B.Sc. (Agri.) and M.Sc. (Agri) (Horticulture). The state government has provided buildings for college, staff quarters and hostels. The intake has been increased recently from 30 to 60. This college is the only agricultural college in the university and caters to the needs of all the states in the region. This is a completely residential institution. With the increased intake more hostels are needed. It has also not been possible to provide staff quarters to all the staff members. The status of the institute was raised to that of a school in 1985 and postgraduate departments in Horticulture, Soil Conservation & Animal Sciences and a Centre for rural development were started. The postgraduate course in Horticulture has already been started and admissions to the Postgraduate course in Soil Conservation will be made in next year. The total number of students is about 250 and teaching staff strength is about 30. There are 77 non-teaching staff members.

IV.2: Land:

The college is situated on about 30 acres of land. The land and building have not been transferred to North Eastern Hill University. It has also been decided to hand over the possession of about 300 acres of Agricultural land near Punglawa. This

land was selected by experts. It has a regular water supply source and agricultural land of various types is available in this area. The tribal pattern of agriculture-Jhum or shifting cultivation, is practised in the region.

The committee had detailed discussions with the Pr-Vice-Chancellor, Dean and Staff. The main problems are extremely inadequate facilities of equipment, books, class-rooms and laboratory space, hostels, staff quarters, Health care etc. The availability of facilities for agricultural field operations (fertilizers, seeds, labour etc.) is also inadequate. There is practically no research facility. The school needs more transport facilities. On the practical side there is no extension activity which should have been given more importance in this region. There is urgent need for about 50 staff quarters. The place being far away from any town needs proper Health Care in the campus. The position of water and electricity supply is also very bad. There is no audio-visual aid, Xerox facilities.

The committee saw the hostels where students were staying. The building is in very bad shape. Since the land and buildings are under the control of the state government, it was suggested that the state government should immediately transfer the possession of 30 acres of land and buildings to North Eastern Hill University. The 300 acres of agricultural land near Punglawa should also be handed over to the university after proper demarcation.

It should be ensured that this campus which caters to all the three states and Arunachal Pradesh also is properly developed and takes up programme for improvement of Agriculture in this area. It is extremely important that the extension activity is taken up vigorously. The urgent need is to provide proper water supply. The laboratories need to be well-equipped. More buildings for administration, class rooms, laboratories, staff quarters, and hostels need to be provided on a priority basis. The campus is located far away from any town and hence better medical facilities need to be provided. There is need for more vehicles. There was a proposal for the establishment of a sports complex here. There is little facility for sports in the entire state. The campus has plain grounds where a complex could be located. The Committee strongly recommends that adequate funds may be provided for this purpose from the separate allocations available with the Commission for development of sports.

V. Mizoram Campus, Aizawl:

The committee had a detailed discussions with the Pro-Vice-Chancellor, Professor R.R. Mehrotra, and the teachers working in the university campus. The committee visited all the buildings in which departments are working and also visited the site-where land has been allotted by the State Government to the university at Tenhril. The committee also visited the Lungewala Complex where the teachers are at present staying.

The university has established following departments at Aizawl- English, Economics, Education, Public Administration, Psychology. All the departments are at present working in hired accommodation. There is no permanent building of the university in this campus. The State Government has already handed over about 1000 acres of land at Tenhril 14 Km. away from the main town. The university has not started any construction work, as the land is still undeveloped. The approach road to this land is being constructed by the State Government and there is a source of water available in the campus. The State Government has earlier constructed a number of buildings for the residence of its staff and out of these a few buildings have been given to the university. The teachers coming from outside have been housed in these buildings. The committee had a detailed discussion about the problem of land and construction of buildings with Shri Lal Khema, Chief Secretary, Mizoram, and the Education Secretary. The land which has been given to the university has no facilities at present and it will take quite some time to provide approach roads, electricity etc. It was suggested that the State Government may immediately hand over the entire Lungewal complex along with about 300 acres of land to the university where the university can locate its departments hostels etc. This will give a feeling of a compact complex and provide inter-action among various departments. The common facilities like the library and the health centres could be better utilised. The committee suggested that this may be taken up immediately at a higher level and the decision taken immediately. The complex at Tenhril could also be developed for starting other courses in forestry, pharmacy, agricultural etc. Which would be beneficial for the development of the State. This will also remove the feeling of isolation from the teachers. The other problems regarding transport could also be solved.

The committee also felt that the courses in Science, engineering and technology and medicine need to be started. The courses at Diploma/certificate level which would provide better employment opportunities would go a long way in the establishment of the university campus.

The Aizawl Campus has at present six departments and one constituent college.

V.a:Economics:

The department was established in 1979. The M.A.course is designed to suit the needs of students in this area. The department has completed an economic study of two villages and a study about water resources. The department has arranged one refresher course for college teachers. One Regional seminar was also arranged. The staff of the department is one Professor (on leave), one Reader and three Lecturers. As a result of minimum requirements of B.A.(Hons) for admissions, the number of students is only three. It is hoped that this number will increase in next year. The department wants to start M.Phil programmes for college teachers. It is proposed to start a Diploma Course in Regional Development Planning (Evening). This will attract a large number of employed persons. The department wants to establish a cell for collecting data which will be useful for preparation of development programmes.

V.b:Education:(Including Centre for educational Technology).

The department was established in 1980. Initially the one year M.Ed. course was offered. Since 1985-a two year M.A.(Edu.) course is offered. The staff is 2 Readers and one Lecturer. There are 20 students for M.A. and 2 for Ph.D. This year only 7 students were admitted against the intake of 20. It is proposed to start M.Phil programme. At present the Centre for educational technology has no staff.

V.c:English:

The department was established in 1979. The staff strength is one Professor and three Lecturers. The department wants to start refresher course in English and Mizo literature for college teachers. It is also proposed to start some diploma courses. There is one student in M.A. and 29 students in a Refresher course in spoken English.

Contd/-

V.d:Public Administration:

This department started functioning from June 1985. From 1987 a M.A. course and a one year postgraduate diploma course were started. There are 10 students in M.A. and about 70 in Diploma 3Lect. at present, 1 Professor, 1 Lect. and one Research Associate are working. The postgraduate diploma course has received a large number of applications for admissions—mostly from government servants. The department has proposed starting of M.Phil courses and also wants to take up a coaching programme for All India and Central Services examinations. It is envisaged that students completing the diploma course would be allowed to continue for M.A. course of one year duration. The department also proposes to initiate research on "Tribal development policy, public sector management, government policy in the North East Region etc.

V.e: Psychology:

The department started functioning in October 1983. It has staff of 2 Readers and One Lecturer. The subject is taught at the Undergraduate level only in one college. This is only department in this subject in all the three campuses. It is difficult to get students as there are no students in the Undergraduate class and next year there would not be any student seeking admission to the department. It is proposed to start Psychological Service Centre for the use of the community.

V.f:Library:

The committee saw the library facilities. There are about 8000 books and 34 journals are subscribed. The lack of space and staff is the main problem.

V.g:Health Centre:

The committee visited the Health Centre. The Centre has only one doctor. Out of the total sanctioned strength of 7, only 3 posts have been filled up. It is proposed to raise its level to that of a primary health centre with some indoor bed facilities. About 300 staff members and their families and 500 students (including Pachhunga College) are to be covered by this Centre. In case the campus shifts to its new site which is far away from town, the

Contd/-

health centre will need much more facilities and also a vehicle.

V.h:Non-teaching staff:

The non-teaching staff association gave a representation. They are not in favour of campus wise seniority and would like to have common seniority list and promotions. It was represented that the number of non-teaching staff is quite inadequate.

VI:Pachhunga University College, Aizawl:

The college was taken over by NEHU in 1979. This is the only college having undergraduate science courses upto Hons. level. The college has earlier prepared a master plan for development and submitted this to the university. However, due to financial constraints no action was taken. The proposals placed before the committee by the college included provision of more physical facilities, like Hostels, staff quarters, laboratory and class room space, sports complex, more staff etc. The college has about 800 students (300 girls) and 72 teachers. At present there is only one boys and one girls hostel which accomodate about 80 students. Some of the teachers have been provided quarters along with university department teacher in Loungewal Complex. The college has also proposed starting of new courses like Horticulture, Piggary, Secretarial Practice etc. It is also proposed to start remedial courses. The teachers complained that they are not having facilities for research. Out of 72 teachers, 21 are Research Associates but they are not given study leave to undertake research work and are working like other lecturers. The committee feels that the Research Associates should be provided opportunity to undertake research work. The university should look into this problem. They should be absorbed as lecturers after fulfilling minimum requirements.

VII: General Recommendations:

The committee after visiting all the campuses could get a general view of the university. It was not possible to go into details of each department. As a part of the work of UGC monitoring committee under the Chairmanship of Professor A.R.Kidwai a number of subject experts have visited the departments.

and have given detailed suggestions. It should be left to the university to work out departmentwise details of allocations and staff positions within the board allocations recommended by the committee in annexure-II. This is also in tune with the UGC policy adopted in this plan. The subject-wise detailed reports of monitoring committee should be considered for this purpose. The university planning board could do this exercise, with a reasonably open discussion of the subject. Keeping in view the fact that in the schemes already approved the share of the Nagaland & Mizoram Campus is very little more allocation have been recommended for these campuses.

In order to facilitate the periodic self-assessment stock taking of the progress and to plan the ensuing work during the VII Plan duration, the Commission should review the progress of implementation of programmes regularly. This will also help to remove any difficulties faced in the development programs at all the three centres.

The committee would like to give some general observations:-

1. The university should give high priority for the development of Kohima and Aizawl campuses. Immediately construction work may be started in these two campuses with potentially disastrous consequences. The Commission should ensure that allocations approved for the two campuses are utilized for those campuses should be given powers to utilize this grant following the normal procedures and if necessary UGC may release grants directly to each campus to avoid delays. Even for other UGC schemes the PVC could be authorized to use grants allocated to the campus as per guidelines of the scheme.
2. The communication between various campuses should be improved. The teachers in a particular subject from other campuses should be invited to all the seminars etc. arranged at Shillong.
3. The teaching ~~xxxxxxx~~ and research programmes should have a definite thrust for the improvement of this region.
4. The university may encourage special programmes for national intergration.

Contd/-

5. The University is established with the specific objective to improve the education in this tribal region. For this purpose it should take up programmes for improvement of school level education particularly for improvement of Mathematics and Sciences. The University could also help in publishing books in the regional languages.
6. For removing the feeling of isolation among students and teachers, more facilities be provided for exchange of visits, all India seminars etc. and the Pro-Vice-Chancellors in two campuses be authorized to approve such visits.
7. To attract good teachers and students more facilities of staff quarters and hostels need to be provided. At present a large number of posts are vacant. These need to be filled up with qualified good candidates.
8. The committee strongly feels that the procedure adopted by the university for construction of buildings need to be looked into as the building cost of Rs.680 per sq.ft. seems to be too high. The architect may be asked to reframe the plans and estimates to reduce the cost. For example there is no need for a roof having tiles, R.C.C. cover and teak wood ceiling. Similarly when the load is on pillars there is no need for having 9" or 16" walls. The committee also discussed with the Superintendent Engineer some of the plans and the committee was of the view that the could be easily modified to reduce the exorbitant cost. The Assam type of construction work could be given preference as it merges well with the environment.
9. At the moment the university is having 10+2+2 degree course and also 10+2+2+1 Hons degree course. All over the country the 10+2+2 system is being abolished. NEHU being a Central University to see that this is abolished and the university falls in line with the rest of the country. Similarly the academic session of the university should be in tune with the rest of the country so that students of the region if they want to join courses in an other university they could do so without losing a year. This will also enable students from other universities to join NEHU for different courses without loss of a year.

(i) Amendment to resolution
No. EC:56:87:06:6(vi) -

The Council in its 56th meeting resolved to include Research Associates as the fourth category of teachers, the first **three** being Professor, Reader and Lecturer. The decision was taken on the basis of the recommendation of the Academic Council. The word "Scholars", which is in-appropriate, had crept into the minutes of the Council. It was the Research Associates who were to be treated as the fourth category of teachers of the University and not the Research Scholars. It is, therefore, proposed to correct the minutes substituting the word scholars by Research Associates. The resolutions of the Academic Council and the Executive Council are quoted below :

"AC:28:87:05:1(i): The Council resolved that the Research Associates may be included in the Ordinance as members of the teaching staff incorporating them as the fourth category of teachers after the Lecturers and it resolved to recommend the matter to the Executive Council.

EC:57:87:06:6(vi): The Council resolved to approve the service conditions of the Research Associates and approve the recommendations of the Academic Council for incorporating the Research Scholars under the category of Lecturer / Research Associate ."

The matter is placed for consideration of the Council.

(ii) Amendment of NEHU Guest House Rules.

The Executive Council resolved to approve the North-Eastern Hill University Guest House Rules vide its Resolution No. EC:55:87:05 and it has come into force.

In clause 2 of the Rules, a provision has been made to pay honorarium to an Officer-Incharge. But there will be technical difficulty to pay honorarium every month. At present, the incumbent is being paid a monthly Special Pay.

In North-Eastern Hill University Guest House at Shillong, there is a special room. But no room rent has been fixed and indicated in clause 5. No rates have also been fixed for accommodation of non-officials.

The following amendments are, therefore, proposed to be made in clauses 2 and 5 of the Rules.

Existing provisionProposed amendment

1) Clause 2- The Guest House shall have an Officer-Incharge to be appointed by the Vice-Chancellor. An Officer-Incharge shall be paid such honorarium as may be decided from time to time.

The Guest House shall have an Officer-Incharge to be appointed by the Vice-Chancellor. An Officer-Incharge shall be paid such Special Pay/honorarium as may be decided from time to time.

2) Clause 5- Service charges of the Guest House shall be as follows :-

Service charges of the Guest House shall be as follows :-

(a) Rs.10.00 per day per bed/person.

(a) Rs.40.00 per day for the Special Room

(b) Rs.20.00 per day for double-bed Room

(b) Rs.10.00 per day per bed/person

(c) Rs. 20.00 per day for double-bed Room.

25% extra will be charged for an additional bed.

(d) Rs. 60.00 for the Special Room and Rs. 20.00 per bed for others in case of non-official Visitors.

25% extra will be charged for an additional bed.

(c) Rs. 5.00 per three days per head will be charged extra for linen.

(e) Rs.5.00 per three days per head will be charged extra for linen.

(d) Rs.2.50 per day will be charged for use of Room Heater during the winter months.

(f) Rs.2.50 per day will be charged for use of Room Heater during the winter months.

The sub-clauses will be re-numbered as indicated in the proposed amendment.

The matter is placed for consideration of the Council.

5:1:3:(1)

(iii) Draft constitution of the
NEHU Sports Board -

The Council considered the draft constitution of the NEHU Sports Board in its 59th meeting but felt that some modifications may be made and particularly that the functions and duties of the Assistant Director of Sports may be defined and also under Clause 3:1(i), a provision may be made for a nominee of the Vice-Chancellor.

Accordingly the draft constitution has been revised and a new Clause defining the duties and functions of the Assistant Director of Sports has been inserted as Clauses 6:2 and 6:3.

The Department proposed that Clause 3:1(x) providing for nomination of a person by the Vice-Chancellor may be added. The decision of the Council was, however, that the Vice-Chancellor may be empowered under Clause 3:1(i) to send his nominee in case he does not attend the meeting.

The foot-note appearing after Clause 6:1(v) which runs as follows - - 'Note- These Rules shall also be applicable to Conveners of Zonal Committees unless otherwise specified by the Board' may be deleted.

The details of the proposed amendment may be seen at Annexure - A and the draft constitution may be seen at Annexure - B.

The matter is placed for consideration and decision of the Council.

....

Duties and functions of the Assistant Director
of Sports

The following may be inserted as 6:2 of the duties of Member Secretary.

"6:2 The Assistant Director of Sports of each campus i.e. in Mizoram and Nagaland shall act as convenor of the Zonal Committee in their respective campuses

- (ii) Confirmation of service . in respect
of Dr. S.K. Srivastava, Reader, Department
of Mathematics, NEHU, Shillong.
-

Dr. S.K. Srivastava who joined as Reader in the Department of Mathematics, NEHU, with effect from 20.11.1986 has completed his probation period of one year on 19.11.1987.

The Head of the Department of Mathematics has given the overall performance of Dr. Srivastava in the Department as excellent and has recommended that he may be confirmed as per rules.

The matter is placed before the Council for consideration of the confirmation with effect from 20.11.1986 i .e., the date of joining.

6:2:3: (1)

- (iii) Confirmation of service in respect of Dr. S.S.Khare, Professor, Department of Mathematics, NEHU, Shillong.
-

Dr. S.S. Khare who joined as Professor in the Department of Mathematics, NEHU on 27. 11. 1986 has completed his probation period of one year on 19. 11. 1987. The Head of the Department of Mathematics has given the overall performance of Dr. Khare as excellent and has recommended his confirmation as Professor as per rules.

The matter is placed before the Council for consideration of the confirmation with effect from 20. 11. 1986 i.e. the date of joining.

- (iv) Confirmation of service in respect of Dr. R.P. Kachhara Reader, Department of Geology, NEHU.
-

Dr. R.P. Kachhara, who joined as Reader in the Department of Geology, NEHU, with effect from 15/10/1985 completed his probation period on 14/10/1986. As per usual procedure followed in NEHU Dr. Kachhara is to be confirmed with effect from 15/10/1985. However, Dr. Kachhara was holding a lien in his previous institution i.e. the University of Rajasthan. He was advised to tender his resignation with effect from the date of joining NEHU to enable us to take up his confirmation case.

Dr. Kachhara, however, stated that if he tendered resignation he will get only 50% gratuity and not full and if he does not tender resignation his service would automatically cease on 12/10/1987 (i.e. date of expiry of lien) from the University of Rajasthan and he would be entitled to full gratuity. Provided if NEHU is willing to compensate the gratuity loss due to resignation he would have no difficulty in resigning.

In view of the above, if NEHU is to compensate the gratuity loss, Dr. Kachhara can be considered for confirmation with effect from 15/10/1985 (i.e. date of joining) otherwise we may confirm him with effect from 12/10/1987 i.e. date of expiry of his lien in the University of Rajasthan.

The matter is placed before the Council for consideration.

6:2:5:(1)

- (v) Transfer of service of Dr.R.G. Michael, Professor,
Department of Zoology, NEHU, Shillong.

Dr.R.G. Michael joined this University as Professor in the Department of Zoology w.e.f. 2/5/74(AN) under Statute 21 of the NEHU Act, 1973. As per provision of the said Statute he is deemed to be a confirmed employee w.e.f. the date of joining.

Prof. Michael has applied for transfer of his past services rendered in the Madurai Kamaraj University w.e.f. 1.7.68 to 30.4.74 for pensionary benefits.

The matter has been taken up with the Madurai Kamaraj University for their consent.

It may be mentioned that Prof. Michael's lien in the said University consequent upon his being relieved ended on 30.4.74(AN) whereas he joined NEHU on 2.5.74(AN). Hence, the period in between i.e. 1.5.74 - 2.5.74 (AN) may be treated as joining time.

The transfer of service from a State to Central University is permissible under the Central University Retirement Benefits Rules provided the lending University is agreeable to the payment of the gratuity.

The matter is placed before the Council for favour of information of the transfer and consideration of the joining time.

6:2:3: (1)

- (iii) Confirmation of service in respect of
Dr. S.S. Khare, Professor, Department of
Mathematics, NEHU, Shillong.
-

Dr. S.S. Khare who joined as Professor in the Department of Mathematics, NEHU on 27. 11. 1986 has completed his probation period of one year on 19. 11. 1987. The Head of the Department of Mathematics has given the overall performance of Dr. Khare as excellent and has recommended his confirmation as Professor as per rules.

The matter is placed before the Council for consideration of the confirmation with effect from 20. 11. 1986 i.e. the date of joining.

- (iv) Confirmation of service in respect of Dr. R.P. Kachhara Reader, Department of Geology, NEHU.
-

Dr. R.P. Kachhara, who joined as Reader in the Department of Geology, NEHU, with effect from 15/10/1985 completed his probation period on 14/10/1986. As per usual procedure followed in NEHU Dr. Kachhara is to be confirmed with effect from 15/10/1985. However, Dr. Kachhara was holding a lien in his previous institution i.e. the University of Rajasthan. He was advised to tender his resignation with effect from the date of joining NEHU to enable us to take up his confirmation case.

Dr. Kachhara, however, stated that if he tendered resignation he will get only 50% gratuity and not full and if he does not tender resignation his service would automatically cease on 12/10/1987 (i.e. date of expiry of lien) from the University of Rajasthan and he would be entitled to full gratuity. Provided if NEHU is willing to compensate the gratuity loss due to resignation he would have no difficulty in resigning.

In view of the above, if NEHU is to compensate the gratuity loss, Dr. Kachhara can be considered for confirmation with effect from 15/10/1985 (i.e. date of joining) otherwise we may confirm him with effect from 12/10/1987 i.e. date of expiry of his lien in the University of Rajasthan.

The matter is placed before the Council for consideration.

6:2:6:(1)

- (vi) Appointment of Shri G.M. War as Public Relations Officer on foreign service terms.

In pursuance of resolutions No:EC:56:87:08(iii) and No:EC:57:87:08(iv) adopted by the Executive Council in its 56th and 57th meeting respectively, the University had borrowed the services of Shri G.M. War for appointment as Director of Sports and on being released by the Govt., Shri War joined this University on 3. 12. 87.

However, the University has only one sanctioned post of Director of Sports which is in the scale of Rs.700-1600 and that post is being utilised for our Assistant Director of Sports. The UGC was moved for creation of a post of Director of Sports in a higher scale but the Commission's decision has not been conveyed so far.

The University is now initiating proposal for creation of a post of Public Relations Officer and since we have no vacant post of Director of Sports, the Vice-Chancellor has appointed Shri G.M. War as Public Relations Officer in the grade of Rs.1200-1900. His salary is being met from the vacant post of Principal Scientific Officer(USIC) till such time sanction for the post of Public Relations Officer is received from the UGC.

The matter is placed before the Council for ratification.

6:2:7:(1)

- (vii) Appointment of Shri A.N. Biswas as Adviser,
Centre for National Security.

In pursuance of the decision adopted at the 59th meeting of the Executive Council authorising the Vice-Chancellor to find a suitable person for appointment as Adviser, Centre for National Security, Shri A.N. Biswas, Financial Adviser and Additional Secretary, University Grants Commission was offered the post on contract basis.

Shri Biswas has been offered the post initially for a period of 2 years on usual terms and conditions with his pay to be fixed as per rules. The terms and conditions are acceptable to him and he would be joining this University by 2. 4. 88.

The matter is placed before the Council for information.

6:2:8:(1)

- (viii) Extension of the contract appointment of Mr. I. M. Simon as Professor, Department of Khasi, NEHU.
-

The service of Mr. I. M. Simon who was appointed on contract with effect from 26.11.1985 to 31.12.1987 as Professor in the Department of Khasi is still required as the Course work of the 1987 academic session is yet to be completed and we are unable to find a suitable replacement. The Vice-Chancellor has extended the contract appointment which expired 31.12.1987 last, till 30th June, 1988.

The matter is placed before the Council for ratification of the action taken.

6:2:9:(1)

(ix)

Extension of the term of contract of
Shri A.B. Roy Choudhury, Deputy Finance
Officer.

The term of contract appointment in respect
of Shri A.B. Roy Choudhury which was extended for one year by the
Executive Council in its 55th meeting, expired on 31. 12. 87.

Since his services are still required in
this University, the Vice-Chancellor has extended his contract for a
further period of six months with effect from 1. 1. 88.

The matter is placed before the Council
for ratification.

Posting of Prof. S.N. Guha Thakurta,
from his substantive post of Professor
of Economics, NEHU, Aizawl as Professor,
Department of Economics, NEHU, Shillong.

The Executive Council in its 59th meeting resolved that Prof. S.N. Guha Thakurta, presently Director, College Development Council be posted temporarily as Professor of Economics, NEHU, Shillong, from his substantive post of Professor of Economics, NEHU, Aizawl.

A representation was received (Annexure 'A') from the faculty Members of the Department of Economics, NEHU, Shillong against the above Executive Council's decision. Certain queries were raised as to whether a teacher selected for a certain Campus can be transferred to another Campus, since in the past such request for transfer was not entertained, without going through the usual selection procedure.

In its last meeting the Council, upon deliberating on the issue in all aspects, took a decision that henceforth no transfer of faculty members be made from places of their posting except by a mutual consent of the teacher and the University, and the Clause on transfer may no longer be carried in the advertisements.

The case of Prof. Guha Thakurta was examined looking into the advertisement and also the Selection Committee proceedings whereby Prof. Guha Thakurta was appointed.

Dr. Guha Thakurta applied for the Post of Professor against an Advertisement dated 2/7/1982. Wherein 4 (four) posts of Professor were advertised out of which 2 (two) posts were for Aizawl.

The Selection Committee selected 2 persons and Dr. Guha Thakurta was placed 2nd. in list and it is not mentioned which of the two is for Aizawl or for Shillong. This decision appears to be an administrative one and as such it appears that the posting of Dr. Guha Thakurta at Aizawl was more of an administrative convenience. It is also felt that it would not be proper for him to face a Selection Committee again for the post at Shillong since he has already been found suitable for the post of Professor by a regular Selection Committee.

In view of the above it is felt that there is no reason why Prof. S.N. Guha Thakurta cannot be posted at Shillong. Accordingly, necessary order posting him in Shillong as per the Executive Council decision was issued.

The representation from the faculty member of the Department of Economics is therefore placed before the Executive Council in view of the action taken.

To,

The Vice- Chancellor,
North- Eastern Hill University,
Shillong.

Sir,

We have come to know that Dr. S.N. Guha Thakurta, Professor, Department of Economics, Aizawl Campus, Mizoram (at present Director, College Development Council, Shillong) is being appointed/transferred on your recommendation, as Professor in the Department of Economics, Shillong Campus.

In this regard we have to put the following points before you:

1. The objective of the University is to develop the North Eastern Region and for the same, three campuses have been established. If teachers appointed in a particular campus with a view to develop the same are drawn away from that campus and concentrated in any other particular campus, then this will adversely affect the balance in the development of the North Eastern Region in general and the former campus in particular, and the very purpose of establishing different campuses, together with the overall objective of the University would be forfeited.
2. The drawing of a faculty member from outside the Department without going through the usual procedures like interviews, etc. is highly irregular. In fact, there have been instances in the past where faculty members posted in a particular campus desiring to shift to the Shillong Campus, have not been entertained as this would otherwise go against the University Statutes/Rules.
3. Further, it is more surprising that a Professor in the Department has been appointed prior to the expiry of the tenure of one of the present professors and that too in a period when the winter vacation are about to commence.

In view of the above facts, we, the undersigned members of the Department of Economics, Shillong, strongly oppose what we consider as an imposition on this Department. Therefore, we urge upon you not to implement the above reported decision of the Executive Council for the further development of the Department and its harmony.

Dated December 3rd. 1987, Shillong.

Yours faithfully,

Item No :

Extension of Extra-Ordinary Leave to
Shri Paulus Pimomo, Lecturer in English,
NEHU: Shillong - Request thereon

Shri Paulus Pimomo was granted Study Leave for 1 (One) year with effect from 1.8.84 - 31.7.85. Thereafter an extension of Study Leave was granted for another period of two years with effect from 1.8.85 - 31.7.87 vide Executive Council's resolution NO:EC:48:85:05(v).

Later the Dean, School of Languages, on the recommendation of the School Board of Languages held on 20.11.87 recommended for the grant of an extension of Study Leave to Shri Pimomo for another period of six months. But Shri Pimomo had availed the maximum period of 3 years Study Leave.

Clause 19(3) (a) of the Ordinance regulating leave to teachers provides that "no teacher shall be granted leave of any kind for a continuous period exceeding 3(three) years." In view of this the Vice-Chancellor has directed Shri Pimomo to resume duties immediately.

On the letter dated 7.1.88, Shri Pimomo requested for the grant of extension by Extra-Ordinary Leave for two years with effect from 1.8.87 to enable him to complete his research work.

The matter is placed before the Council for consideration.

6:3 - Leave/Deputation

- (i) Deputation of Shri S.S. Chandhoke, Superintending Engineer of the CPWD to this University.

The CPWD was requested to recommend suitable officers for consideration of appointment as Chief Engineer in this University on deputation basis.

The CPWD recommended Shri S.S. Chandhoke, its Superintending Engineer for this appointment. However, Shri Chandhoke intimates that he is willing to serve this University on the following conditions:-

1. That he be allowed pay at Rs.5900/- in the scale of Rs.5900-200-6700 which is Superintending Engineer scale.
2. That he be paid SDA in addition to other allowances admissible.
3. That recovery of rent of house provided by NEHU will be as per Ministry of Urban Development's guidelines.

Negotiation of the first condition cannot be taken up now as the matter depends upon the terms and conditions of deputation and on his Last Pay Certificate. The second condition is acceptable as payment of SDA is admissible to all officers of NEHU. Negotiation of the last condition perhaps, does not arise as this University provides houses only to Statutory Officers. Other officers are being paid HRA as admissible.

The matter is placed before the Council for consideration.

6:3:2:(1)

(B) Study Leave of Shri P. Jhingan, Lecturer
in Centre for Literary and Cultural Studies,
NEHU -

Shri P. Jhingan, Lecturer in Centre for Literary
and Cultural Studies, North-Eastern Hill University, Shillong
has applied for Study Leave for a period of 1(one) year with
effect from 19th July, 1988 to enable him to complete his Ph.D.
in the Centre of Linguistics and English, Jawharlal Nehru
University, New Delhi.

His application has been recommended by the Dean,
School of Social Sciences and the Head of the Department. The
School Board also in its meeting held on 3.12.87 resolved to
recommend **study leave for one year to Shri P. Jhingan.**

The matter is placed for consideration of the
Executive Council.

- (iii) Grant of full pay to teachers while on Study Leave -

Clause 10(vii)(a) of the University Ordinance OB-6 governing leave to teachers of the University provides for payment of full pay for the first year, half pay for the second year and no pay thereafter. The provision in the Ordinance is quoted below :

"Study Leave may be granted on full pay for the first year and on half-pay for the second year and no pay shall be admissible thereafter.

Provided that when any teacher is awarded a Fellowship/Scholarship by the Government of India/ University Grants Commission in United Kingdom or other bonafied agencies for which the University nomination was forwarded, the pay of the teacher shall be governed by the conditions stipulated for the award."

However, in the UGC guidelines for grant of Study Leave there is a provision for payment of total emoluments to teachers for the duration of the Study Leave as are applicable to teachers granted fellowships under the Faculty Improvement Programme of the University Grants Commission. The provisions in the guidelines which do not figure in the University Ordinance are reproduced below :

"The teacher granted study leave would be entitled to continue to draw their total emoluments for the duration of the Study Leave as are applicable to teachers granted fellowships under the Faculty Improvement Programme of the University Grants Commission except the living expenses allowance of Rs.250/- p.m.. The necessary increment will also be sanctioned as and when due. However, the amount of emoluments payable to the teachers on Study Leave shall be reduced subject to the provisions of Sub-Clause (vii) and (viii) below.

- vii) The amount of scholarship/fellowship or other financial assistance that a teacher granted Study Leave has been awarded, will not preclude his being granted Study Leave with pay and allowances but the scholarship etc. so received shall be taken into account in determining the pay and allowance on which the Study Leave may be granted.

... /-

6:3:3(2)

The following guidelines may apply while determining the admissibility of pay and allowance where financial assistance received by a teacher is :

- (a) \$10,000 or above per annum - leave shall be granted without pay;
- (b) \$ 5,000 and above but less than \$10,000 per annum leave on half-pay and
- (c) Below \$5,000 per annum leave with full-pay."

It is put up for consideration of the Council whether a teacher granted Study Leave may be allowed to continue to draw the total emoluments during the period of Study Leave as provided in the UGC guidelines.

...

- (iv) Grant of pay and allowances to Miss Nabonita Ganguly, Lecturer in English, Konima while on Study Leave -

Miss Nabonita Ganguly, Lecturer in English, Nagaland Campus was granted Study Leave for a period of two years from 25th March, 1985 and thereafter an extension of one year with effect from 26th March, 1987 was granted by the Executive Council. As per the University Ordinance full pay is admissible only for the first year, half pay for the second year and no pay thereafter. However, it appears, under the UGC guidelines a teacher on Study Leave would be entitled to continue to draw his/her total emoluments for the duration of the Study Leave. An extract of the relevant provision of the UGC guidelines is re-produced below :-

- (vi) "The teacher granted Study Leave would be entitled to continue to draw their total emoluments for the duration of the Study Leave as are applicable to teachers granted fellowships under the Faculty Improvement Programme of the University Grants Commission except the living expenses allowance of Rs.250/- p.m. The necessary increment will also be sanctioned as and when due. However, the amount of emoluments payable to the teachers on Study Leave shall be reduced subject to the provisions of Sub-Clause (vii) and (viii)."

Miss N. Ganguly requested that salary as admissible under the UGC guidelines may be paid for the period she was on Study Leave.

The matter is placed for consideration of the Council.

6:6 - Service Condition/Financial & Other Benefits

- (i) Grant of House Rent Allowance to Research Associates.

Shri B. S. Mipun and Kum. D. Mawroh have been appointed Research Associates in the Departments of Geography and Khasi, respectively, in the pre-revised pay scale of Rs. 700 -1300/- against the sanctioned posts of Lecturer available in the Departments concerned. Both the persons have now claimed for payment of House Rent Allowance as per the entitlement of Lecturers, that is, 250/- per month .

The University Grants Commission research Fellows/Associates who have been appointed on fixed pay under specific schemes have been allowed House Rent Allowance by the University Grants Commission as is admissible to the staff of the University drawing equivalent pay subject to a maximum of Rs. 150/- per month.

The Executive Council had earlier resolved, vide Resolution EE:56:87:06:6(vi), to approve the service conditions of the Research Associates and approved the recommendations of the Academic Council for incorporating the Research Associates under the category of Lecturer/Research Associate.

A decision is now required to be taken whether Research Associates who have been given appointment in lieu of Lecturers on regular pay scale would also draw House Rent Allowance as per entitlement of Lecturers, that is, Rs.250/- per month. In the past the University has accorded approval to similar cases.

The matter is submitted for consideration of the Executive Council.

(ii) Fixation of pay of re-employed pensioners -

The Government of India codified the rules on fixation of pay of re-employed pensioners known as the "Central Civil Services (Fixation of Pay of Re-employed Pensioners) Orders, 1986. It came into force with effect from 1st July, 1986 and all appointments of pensioners made on or after the 1st July, 1986 are to be governed by the provisions of the rules. The order is in supersession of all previous orders on the subject. The UGC forwarded the copy of the rules for information, guidance and necessary action vide their letter at Annexure - A. The Central Civil Services (Fixation of Pay of Re-employed Pensioners) Orders, 1986 may be seen at Annexure - B.

The codified orders have been made applicable to autonomous bodies also like Universities under Clause 2(1)(c) of the orders. The University has been making appointments of retired/superannuated persons on contract to both teaching and non-teaching posts and their pay were fixed in addition to the amount of pension they received. Under the orders pay plus pension equivalent of gratuity/other forms of retirement benefit is not to exceed Rs.3,500/- per month at any time, This ceiling of Rs.3,500/- has now been raised to Rs.8000/- vide the letter No.3/4/87-Estt(Pay-II) dated 23.7.87 of the Ministry of Personnel, Public Grievances and Pensions, Department of Personnel and Training, Government of India, A copy of the office memo may be seen at Annexure - D and the letter of the UGC forwarding the same may be seen at Annexure - C.

The matter is placed for consideration of the Council.

New Delhi, the 31st, July, 1986.

OFFICE MEMORANDUM

Subject: Fixation of pay of re-employment pensioners.

At present the orders relating to fixation of pay of re-employed pensioners are scattered in a number of office memoranda issued from time to time. The question of consolidation of the existing orders in a simple body of orders and the nationalisation and simplification of the procedure governing the initial fixation of pay has been under consideration and Government from time to time. The President is now pleased to decide that in supersession of all the previous orders on the subject, the initial fixation of pay and other benefits on reemployment of ex-servicemen pensioners as also civililian pensioners will be governed by the Central Civil Services (Fixation of pay of reemployed Pensioners) Orders, 1986 as detailed in the Annexure. With reference to a;; the appointments made on or after the 1st July, 1986 the pay of the reemployed pensioners may be fixed as per the enclosed orders.

2. In their application to the employees serving in the Indian Audit and Accounts Department these orders issued in consultation with the Comptroller and Auditor General of India.

CENTRAL CIVIL SERVICE (FIXATION OF PAY OF
REEMPLOYED PENSIONERS) ORDERS, 1986.

1. Short title and commencement
 - (1) These orders may be called the Central Civil Services (Fixation of Pay of Reemployed Pensioners) Orders, 1986.
 - (2) They shall come into force on.....
2. (2) Application
 - (1) Save as otherwise provided in these orders, these orders shall apply to all persons who are reemployed in Civil Services and posts in connection with the affairs of the union Government after retirement on pension, gratuity, and/or Contributory Provident Fund benefits from the services of-
 - (a) Union Government including Railways, Defence and Posts and Telegraphers.
 - (b) State Governments and Union Territory Administrations and
 - (c) Public Sector Undertakings, Local Bodies, Autonomous Bodies like Universities or Semi-Government Organizations like Post Trusts.
 - (2) These orders shall also apply to persons reemployed in regular work charged capacity.
 - (3) Unless otherwise provided, these orders shall also apply to persons reemployed on contract basis.
 - (4) These order shall not, however, apply to
 - (a) persons reemployed after resignation removal or dismissal, provided they have not received any retirement terminal benefits for the pre employed service.
 - (b) Persons reemployed in posts, the expenditure of which is not debitable

to the Civil estimates of the Union Government.

- (c) Persons paid from contingencies;
- (d) Persons on casual or daily rated or part time employment,
- (e) Persons appointed as Consultants on payment of Consolidated fees, and
- (f) Retired Judges of Supreme Court/High Courts appointed on Commissions/Committees who are governed by separate orders on the subject issued from time to time.

3. Definitions.

In these orders, unless, the context otherwise require-

- (1) Pension Means the gross monthly pension and or pension equivalent of Death-cum-retirement gratuity and/or pension equivalent of gratuity or Government's contribution to contributory Provident Fund and/or other retirement benefits, if any, payable under the Central Civil Services (Pension) Rules, 1972, or the relevant rules of the Government or body under which the reemployed pensioner was serving prior to his retirement. Where pension has been commuted partly or fully, pension means the gross pension payable prior to commutation.

- (2) Pre-retirement pay means the substantive pay last draw before retirement. However,
 - (i) pay drawn in an officiating appointment may be taken into account if the officer had officiated continuously for at least ten months in the appointment on the date of retirement on he had been appointed to that post on a regular basis in accordance with the prescribed recruitment rules.

- (ii) Special pay granted in term of FR 9 (25) shall also be taken into account for determining pre-retirement pay. such special pay, like officiating pay shall, however, be taken into account towards the pre-retirement pay only if it has been drawn for atleast ten months before retirement. Pay drawn for holding more than one charge under FR 49 will not be taken into account in determining preretirement pay.
- (iii) Such portion of deputation allowance, if any, drawn continuously for at least ten months before retirement, as has been taken into account for pension purposes, shall also be taken into account for determining the last pay drawn before retirement.
- (iv) The pay drawn in a tenure post may also be treated as pay last drawn before retirement provided that it was drawn continuously for ten months immediately before retirement.
- (v) Personal pay granted for loss of substantive pay or allowed as a special increment for promoting small family norms shall be taken into account in fixing pre-retirement pay irrespective of whether it is drawn for ten months or not as it stands on the same footing as substantive pay. Other types of personal pay shall, however, be accorded the same treatment as officiating pay and taken into account only if the same had been drawn for ten months or more.

- (vi) The periods of leave preparatory to retirement and foreign service during the last ten months before retirement may be included in the ten months for the purpose of computing pre-retirement pay, if it is certified by the competent authority that the officer would have officiated in the post but for his being on such or foreign service.
- (vii) An increment accruing in the substantive appointment during earned leave upto 120 days or the first four months of leave on average pay taken as leave preparatory to retirement shall be taken into account for determining the pre-retirement pay. If the officer was holding at the time of retirement a post in an officiating capacity, the increment in respect of the post may be taken into account only if the competent authority certifies that the officer would have held the officiating appointment but for proceeding on leave preparatory to retirement. Promotion to any higher post which the officer would have got but for going on leave will not be taken into account.
- (viii) In the case of an officer who retires while on foreign service, the pay that he would have drawn in his parent cadre but for going on foreign service shall be taken as pre-retirement pay. Regard will also be given to the promotions which the officer would have received in his parent service or cadre as provided for in FR 133, provided that he would have officiated for ten months or more.
- (ix) In the case of retire Defence Services

Personnel of the rank of JCO, NCO, or OR in the Army and corresponding ranks in the Navy or Air Force, the items of emoluments mentioned below shall constitute pre-retirement pay.

(b) In the case of persons who retired after 1.1.1973 on the pre-revised scale of pay the pre-retirement pay will be taken to be the basic pay plus dearness allowance and interim relief drawn at the rates in force on 31.12.1972.

(xi) MEDICAL OFFICERS

In the case of those Medical officers who were in receipt of Non-Practising Allowance in their last employment, the allowance so drawn will be taken into account for determining the last pay drawn for purposes of fixation of pay in the reemployed post, if such an allowance is admissible in the reemployed posts also. The allowance shall not be taken into account for such purposes where it is not admissible in the reemployed post. Where, however, no Non-Practising Allowance was admissible in the last employment but it is attached to the civil post in which the pensioner is reemployed, such an allowance shall be drawn separately after fixation of pay on reemployment.

4. Fixation of pay of reemployed pensioners.

(a) Reemployed pensioners shall be allowed to draw pay only in the prescribed scales of pay for the posts in which they are reemployed. No protection of the scales of pay of the posts held by them prior to retirement shall be given.

(b) (i) In all cases where the pension is fully ignored the initial pay on reemployment shall be fixed at the minimum of the scale of pay of the reemployed post.

(ii) In cases where the entire pension and pensionary benefits are not ignored for pay fixation, the initial pay on reemployment shall be fixed at the same stage as the pay drawn before retirement. If there is no such stage in the reemployed post, the pay shall be fixed at the stage below that pay. If the maximum of the pay scale in which a pensioner is reemployed is less than the last pay drawn by him before retirement, his initial pay shall be fixed at the maximum of the scale of pay of the reemployed post. Similarly, if the minimum of the scale of pay in which a pensioner is reemployed is more than the last pay drawn by him before retirement his initial pay shall be fixed at the minimum of the scale of pay of the reemployed post. However, in all these cases, in non-ignorable part of the pension and pension equivalent of retirement benefits shall be reduced from the pay so fixed.

(c) The reemployed pensioner will in addition to pay as fixed under para(b) above shall be permitted to draw separately any pension sanctioned to him and to retain any other form of retirement benefits.

(d) In the case of persons retiring before attaining the age of 55 years and who are reemployed, pension (including pension equivalent of gratuity and other forms of retirement benefits)

Shall be ignored for initial pay fixation to the following extent

(i) in the case of ex-servicement who held posts below commissioned officer rank in the Defence Forces and in the case of civilians who held posts below Group A posts at the time of their retirement, the entire pension and pension equivalent of retirement benefits shall be ignored.

(ii) In the case of service officers belonging to the Defence Forces and Civilian pensioners who held Group A posts at the time of their retirement, the first Rs. 500/- of the pension and pension equivalent of retirement benefits shall be ignored.

5. Drawal of increments:

Once the initial pay of a reemployed pensioner has been fixed in the manner indicated above, he may be allowed to draw normal increments in the time-scale of the post to which he is appointed as if the pay had been fixed at the minimum or the higher stage, as the case may be (i.e. before an adjustment on account of pension and pension equivalent of other forms of retirement benefits is made) provided that the pay and gross pension/ pension equivalent of other retirement benefits taken together do not at any time exceed Rs. 3,500/- per month.

6. Personnel retiring on Invalid or compensation pension

Persons who are reemployed after obtaining compensation or invalid pension will also be governed by these orders subject to the condition that if the reemployment is in qualifying service, they may either retain their pension, in which cases their former service will not count for future pension, or cease to draw any part of their pension and count their previous service.

previous service. Pension immediately drawn need not be refunded. In case the pensioners elect to count their previous service for pension by foregoing their entire pension including death-cum-retirement gratuity, their pay would be fixed by treating them as if they are not in receipt of any pension. The special provision contained in this order regarding grant of Contributory Provident Fund benefits during the period of reemployment and the grant, on terminations of the period of reemployment, of the unutilized portion of the refused leave in respect of previous service shall not be extended to them.

7 Military Reservists:

Military reservists who continue to serve in the same civil post in which they were employed during reserve period, shall continue to draw the same rate of pay which they were drawing on the date of transfer to military pension establishment in addition to pension provided the pension is not more than Rs. 50 per month.

8 Emergency Commissioned officer and Short Service Commissioned officers:

Emergency Commissioned Officers and short Service Commissioned officers who joined pre-commissioned training or were commissioned after 10.1.1968 may, on their appointment in Government service to unreserved vacancies, may be granted advance

increments equal to the completed years of service rendered by them in Armed Forces on a basic pay (inclusive of deferred pay but excluding other emoluments) equal to or higher than the minimum of the scale attached to the civil post in which they are employed. The pay so arrived at should not, however, exceed the basic pay (including the deferred pay but excluding other emoluments) last drawn by them in the Armed Forces.

9

Promotion/Transfer:

On regular promotion/transfer to another post, pay of the reemployed pensioner shall be fixed under the provisions of Fundamental Rules with reference to the pay in the previous reemployment post (before adjustment). Adjustment from the pay so fixed, on account of pension and pension equivalent of retirement benefits shall be continued to be made to the same extent as was being made earlier. This will, however, remain subject to the condition that the pay plus pension and pension equivalent of gratuity/other forms of retirement benefits shall not exceed Rs. 3,500/-per month at any time.

10.

Provisional pay:

(i) Where delays are likely to occur in determining the pension and other pensionary benefits, the reemployed officers, pending final

fixation of pay, might be paid their pay on provisional basis for a maximum period of six months after taking into account the maximum pension and gratuity that might be admissible to them on the basis of last pay drawn by them. The sanctioning authorities shall be responsible for ensuring that the provisional pay authorised is not likely to exceed the correct pay that may become admissible. For the purposes of calculating the pension equivalent of the gratuity, the Table as prescribed in the Central Civil Services (Communication of Pension Rules 1981, from time to time, shall be followed. An undertaking for refunding any amount that might be overpaid as a result of provisional fixation of pay shall be obtained from the reemployed pensioners.

(ii) (a) In cases where considered desirable, a reemployed person may be paid the full pay of the post on provisional basis which would be inclusive of his pension but would exclude an approximate amount of pension equivalent of gratuity/pension equivalent of employer's portion of Contributory Provident Fund, as the case may be., provided he executes an agreement in the appropriate form (vide Annexure I) He shall also be required to furnish an acquittance in the prescribed form (vide Annexure II) indicating receipt of his pay including pension. The acquittance shall be obtained from the reemployed person concerned along with the pay bill every month he is paid provisionally.

(b) When the pension and other retirement benefits are ultimately sanctioned to the reemployed person by the competent authority, the pay shall be fixed after taking into account the pension and pension equivalent of other forms of retirement benefits in accordance with the provisions contained in these orders and he shall have no fresh claims for pensionary benefits in respect of the past periods during which he drew the same along with the provisional pay. The actual amount of pension equivalent of gratuity/ employer's portion of CPF will be adjusted against the gratuity/CPF to the extent it is different from the approximate amount deducted from the pay of the post provisionally paid.

Contd/.../-

(iii) The orders contained in ii) above shall apply to cases of civil retired Central Government employees reemployed in Central Civil Department and shall not apply to cases of any other categories of retired persons (Such as retired persons of Defence Department, Railway Department and State Governments) on their reemployment under Central Government.

11. Allowances:

The drawal of various allowances and other benefits based on pay shall be regulated with reference to the pay that is fixed on reemployment. Pay for these allowances and benefits will be the pay fixed before deducting the non-ignorable part of the pension and the pension equivalent of the other retirement benefits.

12. Contributory Provident Fund:

Reemployed officers might be permitted to contribute to the contributory provident fund, provided that where the term of reemployment is initially for a year or less but is later extended so as to exceed one year the Government's contribution with interest shall be credited only after the completion of one year's reemployment service. The Government contribution with interest shall be payable for the entire period for which the reemployed officer is allowed to contribute to the C.P.F. if such period exceeds one year.

13. Leave and leave salary:

In the case of persons reemployed after retirement, the provisions contained in the Central Civil Service leave Rules, 1972 shall apply.

14. Gratuity/Death-Cum-retirement Gratuity:

Reemployed Officers shall not be eligible for any gratuity/death-cum-retirement gratuity for the period of reemployment except in those cases covered on Rules 18 and 19 of the Central Civil Services (Pension) Rules, 1972, and corresponding Rules of the Defence Services regulations.

15. Retrenched employees:

In the case of ex-service man as well as civilians who are retrenched from service and are not granted pension and/ or service gratuity, on their appointment to Government service they may be granted advance increments equal to the completed years of service rendered by them on a basis pay equal to or higher than the minimum of the scale attached to the civil post in which that are employed. The aply so arrived at should not, however, exceed the basic pay drawn by them in the armed Forces.

16. Fixation of pay of Ex-Combatent Clerks/ Storemen :

(i) In partial modification of the provisions contained in orders 4 and 5 above, ex-combatent Clerks on their reemployment as Lower Division Clerks or Junior Clerks in the Civil posts and Ex-storemen in the Armed Forces on their reemployment as Storemen in Civil posts shall have the option to get their pay fixed under orders 4 and 5 above in accordance with the procedure indicated in accordance with the procedure indicated in sub para (2) below.

Explanation :

(i) The option once exercised is final. The reemployed pensioner should be asked to exercise the option within the period of three months from the date of his reemployment.

(ii) Ex-combatent Clerks and Storement referred to in this order will include reservists released at their own request or on compassionate or medical grounds.

(2) Service rendered as Combatent Clerks and Storemen in Armed Forces shall be treated as equivalent to service as lower Division Clerks/ Junior Clerks and Storemen respectively in Civil posts, irrespective of the pay drawn in those posts in the Armed Forces. The initial pay in such cases shall be fixed in the time scale of the reemployed posts at a stage equivalent to the stage that would have been reached by putting in the civil posts, the number of completed years of service rendered in the posts in the Armed Forces. The pay so fixed will not be restricted to the pre-retirement pay. The fixation of pay in these cases shall be done by invoking the provisions of fundamental rules 27.

Contd/.../-

Explanation:

(i) For the purpose of calculation of completed years service rendered in the Armed Forces the non-qualifying service in the Armed Forces will not be taken in to account.

(ii) Pension as defined in Order 8(1) above shall be deducted from the pay fixed under this rule after deducting Rs.15/- thereof and only the net pay is payable.

(iii) If the resultant amount does not correspond to a stage in the scale applicable to the reemployed post pay may be fixed at the next lower stage and the difference allowed as personal pay to be absorbed in future increases of pay.

(iv) Where the pay in such cases is fixed below the minimum of the pay scale of the reemployed post, as a result of adjustment of amount of pension drawn by him from the Army in excess of Rs.15/- per month, increases in pay may be allowed after each year of service at the rate of increment admissible as if the pay has been fixed at the minimum of the scale is reached. Thereafter, subsequent increments may be granted in the scale of the reemployed post in the usual manner.

(3) In the case of appointment of persons during released leave/terminal leave, their pay may be fixed at the minimum of the scale of pay of the civil post of Lower Division Clerk/Junior Clerk/Storeman and they will draw leave salary separately from the military authorities. Their pay in accordance with the formula mentioned at (2) above will be fixed from the date of their final discharge from the Army.

(4) The power to fix the pay under this order is delegated to the Administrative Ministries/Departments of the Government of the Government of India. For this purpose the Comptroller and Auditor General of India will have the same powers as the Ministries of the Government of India. Orders fixing the pay in such cases should be issued by invoking the provisions of Fundamental Rule 27.

| 11. Shri.H.S.Chakraborty | - Assistant Librarian, Nagaland Campus. |
| 12. Shri. S.P.Mukherjee | - Assistant Librarian, School of Agricultural
Sciences & Rural Development, Medziphema. |
| 13. Dr. A.S.Chandel | - Reader, Department of Library and
Information Science. |
| 14. Shri. J.C.Binwal | - Librarian (Secretary). |

Since the Vice-Chancellor was out to Aizawl for some urgent University work, the Librarian requested the senior-most Dean-Prof.T.S. B.Narasaraju to chair the meeting. The proposal was seconded by all the members present.

The Committee considered the following items in the Agenda and resolved as follows :-

Contd..2/-

1. Considered the confirmation of the Minutes of the last meeting held on 1st September, 1986.

Resolved that the minutes be confirmed.

2. Considered the creation of the following posts as recommended by the Library Committee held on 1st September, 1986.

Headquarters

Professional Assistant	- 2
Semi-Professional Assistant	- 2
Reprographic Assistant	- 1
Cleaners	- 2

Nagaland Campus

Semi-Professional Assistant	- 1
Junior Library Assistant	- 1
Library Attendant	- 1
Gate-Keeper	- 2

Mizoram Campus

Semi-Professional Assistant	- 1
Junior Library Assistant	- 1
Peon	- 1
Cleaner	- 1

Cleaners	- 2

School of Agricultural Sciences & Rural Development.

Reprographic Assistant	- 1
Gate- Keeper	- 2
Mender (Binder)	- 1
Peon	- 1
Cleaner	- 1

Resolved to request the Registrar to look into the matter at his earliest. The Registrar informed the Committee that the matter was pending due to non-availability of the U.G.C. representative in the meetings of the Cadre Review Committee and the insistence by the Finance Committee on the presence of the U.G.C. representative in the meetings..

3. Considered the payment of 1(one) day salary to the staff attending duties on holidays. The Librarian informed the Committee that decision taken to this effect in the last meeting held on 1st September, 1986 had not been implemented so far. The Registrar informed the Committee that the decision will be implemented soon as the approval of the Executive Council had already been obtained:

4. Considered the Computerisation of the Library operation. The Committee resolved that since a terminal of the main Frame was not feasible and the Department of Science & Technology, Govt. of India had rejected the request for import licence, the proposal for PC/AT with 4(four) terminals may be accepted. It was further resolved that the Finance Officer may be requested to sanction Rs. 2.10,000/- (rupees Two Lakhs Ten Thousand) only for the purpose.

5. Considered the financial provision for purchase of books under Plan Budget for 1986-87 and 1987-88.

The Considered ~~noted~~ that the amount of Rs.19.50 Lakhs allocated to various campuses in the Library Committee meeting held on 2nd December, 1986 had not been released by the U.G.C. so far. It was also noted that the Finance had been trying to meet the expenditure on this account by reappropriating from some other heads and Rs. 11.50 LAKHS had already been released to the Campuses as follows :-

Sl. No.	Name of the Campus	Amount allocated	Amount released	Balance to be released
1.	Headquarters	Rs.10.00Lakhs	Rs.4.00Lakhs	Rs.6Lakhs
2.	Nagaland Campus	Rs. 2.00 "	Rs.2.00 "	Rs. Nil
3.	School of Agricultural Sciences & Rural Development, Medziphema	Rs. 2.50 "	Rs.2.50 "	Rs. Nil
4.	Mizoram Campus	Rs . 2.50 "	Rs.0.50 "	Rs.2.Lakhs
5.	Pachhunga University College.	Rs . 2.50 "	Rs.2.50 "	Rs. Nil
Total		Rs. 19.50 "	Rs.11.50 "	Rs.8 Lakhs

The Committee resolved to request the Finance Officer to release the rest of the amount in case of the Headquarters and the Mizoram Campus at his earliest so that the bills and books in hand could be regularised. This was accepted by the Finance Officer.

It was further resolved that no further orders, exceeding the allocations made on 2nd December, 1985, be placed till Plan money is released by the U.G.C. The only exceptions will be essential text books.

6. Considered the question of outstanding bills amounting to Rs 2500 Lakhs and Rs.6.00 Lakhs from Nagaland and Mizoram Campuses respectively.

Resolved to request the Finance Officer to look into the matter and clear all the outstanding bills. The Finance Officer assured of clearing the outstanding bills.

It was further resolved that in future care should be taken by the Campuses not to exceed the Budget allocations. Such commitments exceeding budget allocations would not be entertained in future.

7. Considered the proposal to have some allocation for book purchase under Non-Plan Budget.

The Committee felt that it was necessary as the Plan Money was not regular.

It was further resolved that start should be made by providing Rs.10.00 Lakhs and allocated as follows :-

Headquarters	- Rs. 4.50 Lakhs
Nagaland Campus	- Rs. 1.50 Lakhs
School of Agricultural Sciences & Rural Development, Medziphema	- Rs. 1.50 Lakhs
Mizoram Campus	- Rs. 1.50 Lakhs
Pachhunga University College	- Rs. 1.00 Lakhs

It was further resolved that this provision under Non-Plan would be operative from 1st April, 1988 as the funds available under Non-Plan during the financial year 1987-88 would be utilised to clear the outstanding bills.

8. Considered the Budget provisions for renewal of Periodicals subscription under Non-Plan Budget for 1987-88 and 1988-89.

The Committee noted with satisfaction the revised budget provisions as approved by the Finance Committee :-

Name of Campus	Budget provision for 1987-88	Budget provision for 1988-89
1. Headquarters	Rs. 30,50,000/-	Rs. 36,60,000/-
2. Nagaland Campus	Rs. 1,28,000/-	Rs. 1,53,000/-
3. School of Agricultural Sciences & Rural Development, Medziphema.	Rs. 90,000/-	Rs. 1,10,000/-
4. Mizoram Campus	Rs. 87,000/-	Rs. 1,04,000/-
5. Pachhunga University College.	Rs. 1,10,000/-	Rs. 1,35,000/-

9. Considered the question of subscribing new journals for the departments to be started under 7th Five Year Plan.

Resolved that such cases be accommodated under Plan budget. It was noted that expenditure for Periodicals subscription under Plan would automatically become Non-Plan in the 8th Plan.

10. Considered the list of 2000 titles from the Department of English, Kohima Campus to be purchased in 3(three) copies each.

Resolved to defer the purchase till plan money is released. It was further resolved that the ratio of 1:5 as decided by the Library Committee in one of its earlier meeting, be strictly adhered to.

11. Considered the report of the Committee on Prof. P.N. Kaula's Collection.

Resolved to procure the Collection. It was further resolved that the Librarian be authorised to negotiate with Prof. P.N.Kaula between Rs.50,000/- and Rs.60,000/-

12. Considered the Library Committee resolution dated 13th September, 1985 in connection with providing a vehicle to the Library.

Resolved to request the Registrar to look into the matter, The Registrar assured the Committee that the matter would be taken care of.

13. Considered the space problem of the Library.

The Committee resolved to request the Registrar to look into the matter. It was further resolved that the following resolutions adopted by the Library Committee since 1980 be reiterated :-

13.1 Resolution No.6 of the Library Committee meeting held on 15th November, 1980.

" Resolved that the English Department be shifted from the Mayurbhanj Palace to its allotted space presently occupied by the Central Institute of English and Foreign Languages ".

13.2 Resolution No.3 of the Library Committee meeting held on 28th September, 1981.

" Resolved to request the Dean, School of Languages to vacate the space occupied by them in Mayurbhanj Palace and approach the authorities for alternative accommodation".

13.3. Resolution No. 24 of the Library Committee meeting held on 13th September, 1985.

" The Committee considered the problem and resolved to request the authorities to take up necessary steps so as to make additional space available to the Library ".

14. Considered the question of extending departmental promotion facilities to Library staff upto the cadre of Professional Assistant.

Resolved that it may be accepted. It was further resolved that the Registrar be requested to implement it at his earliest.

15. Considered the provision of a reprographic machine in Mizoram Campus Library.

Resolved to request the Registrar to make necessary arrangements for providing a reprographic machine in the Mizoram Campus Library. The Registrar assured the Committee that necessary steps would be taken on the matter.

16. Considered the proposal from the Campus libraries to have a budget head "Other Charges".

Resolved that it would not be possible to accept the proposal. It was further resolved that expenditure on other charges should be met out of the Maintenance Grant being remitted to the Campuses on monthly basis.

17. Considered the question of providing heating arrangements in reading areas of the Library.

Resolved that it would be given top priority. The Committee noted that the wires in the Library needed replacement for which the Registrar was requested to look into.

18. Considered the proposal from Nagaland Campus to hold the meetings of the Library Committee at other Campuses too.

Resolved to accept the proposal.

19. Considered the proposal from Nagaland Campus to include the heads of the Department of Geology and Commerce as members of the Library Committee.

Resolved that it would not be possible to accept the proposal as only two heads at one time are represented in the Library Committee, one representing Sciences and the other representing Humanities and Social Sciences.

The meeting ended with a vote of thanks to the Chair.
