School Board of Life Sciences.

Dear Sir,

I request you to kindly grant me one year Study leave w.e.f. 1.11.98 for academic work at Stockholm University in Prof. B. Bergman's group. Prof. Bergman's and my own areas of research are similar and I plan to conduct research on artificial symbioses while at Stockholm University. During my recent visit to Stockholm during winter vacation, she invited me to spend a year with her research group working on cyanobacterial symbioses. Prof. Bergman will be arranging for a stipend/fellowship to cover my boarding and lodging expenses and travel costs. I should also add that I have not taken any study leave, sabbatical leave or extraordinary leaving the past 7 years.

Thanking you and with best regards.

Yours sincerely,
