Minutes of the Committee constituted vide notification No. 2-56/Regr/B.Tech Results/2010-539 dated 22nd April held on 22nd April 2010 in the office chamber of the Pro Vice-Chancellor NEHU Shillong at 4:00 P.M.

NEHU, Shillong - in the Chair
2. Prof. Ramesh Sharma, Dean, School of Technology
NEHU, Shillong - Member
3. Mr. C D Rynjah, Controller of Examinations,
NEHU, Shillong - Member

Following representation from the students of B.Tech Department in connection with the delay ~~in~~ announcement of results, the Vice Chancellor had set up this Committee to enquire into reasons for delay in declaration of B.Tech results of 2nd, 4th, 6th and 8th Semesters.

The Controller of Examinations informed the members that as on date all evaluated answer scripts have been received from the concerned examiners in which, the 2nd semester results were declared earlier. After threadbare discussion, it has been ascertained that the delay in declaration of results is attributed to the following reasons:

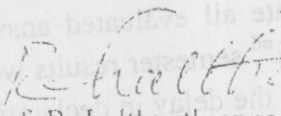

1. The processing time of answer scripts to be sent to examiners by the concerned colleges is partly responsible for the delay.
2. Undue delay in submission of valuated answer scripts by the paper examiner(s) as per annexure-I. The last valued packet of scripts was received by the Examination Department on 19.4.2010
3. Processing time in tabulation of marks

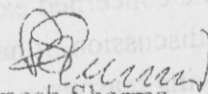

The Committee while addressing the above stated issues has recommended the following remedial measures to expedite declaration of results in future:

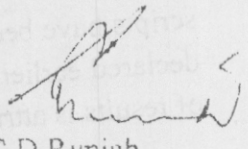

- (a) During each day of examinations, the outstation colleges should invariably dispatch the answer scripts to the University immediately after the examination is over.
- (b) The Examination Department should allot these packets to the concerned examiners on the next date after receipt of answer scripts from the examination centres.
- (c) To curtail processing time in tabulation by way of entering particulars of students and internal marks before receipt of the external marks.
- (d) The paper examiner(s) are to be suitably instructed / informed to adhere to the time frame for evaluation of answer scripts.

- Minutes of the Committee constituted vide notification No. 3-2019/2019 B.Tech Results 2019-20 dated 20th April 2019 in the office chamber of the pro Vice-Chancellor

- (e) Considering the limited number of faculty in the NEHU B.Tech Department, the Committee suggested that experienced teachers from the other two affiliated colleges of the University also be assigned evaluation work of B.Tech scripts.
 - (f) Defaulting paper examiner(s), are to be promptly reminded for submission of answer scripts within one week's time from the date of receipt of the reminder.

The meeting ended with a vote of thanks ^{from} to the Chair.

As you are aware that in the approved plan outlay, financial provision is available for assistance to Central Universities for starting Medical Colleges.

It was decided in consultation with the MHRD that UGC may consider the proposal for establishment of medical colleges in some of the Central Universities. Therefore, in order to initiate the process to establish medical colleges in Central Universities and project the financial requirement to MHRD, it is requested that you may submit a detailed project report (DPR) for establishment of Medical College in case you intend to start medical college in your University. The DPR may include the total outlay for the establishment of Medical College as well as initial requirement for the year 2010-2011.

With regards,

*DPR (conf)
