

(xxviii) Appointment to the post of Director in D.S.T.
Govt. of India, New Delhi.

Dr. K.K. Dwivedi, Reader in Chemistry vide his letter dated 2.7.98. has stated that he has been offered a post of Director in the Department of Science and Technology, Government of India, New Delhi, for which his application was duly forwarded by the NEHU. He added that he wish to accept the offer as the said post is higher than the Reader's post, and has requested to grant him deputation for one year and relieve him from his present duties w.e.f. 27.7.98 (FN). The letters are placed at Annexures-I, II, III, and IV.

In this connection, it may be stated that Dr. K.K. Dwivedi is a confirmed teacher of the University, and has served continuously for a period of 18 years w.e.f. 26.6.80. The post applied by him is a higher post duly forwarded through proper-channel. The appointment order at Annexure-IV, states that he will be on probation for one year and the post is temporary, likely to be continued. His request for granting him deputation, perhaps will not arise as the Deptt. of D.S.T. has not requested his services on deputation terms and was also appointed through open selection and is placed on probation for a period of one year, w.e.f. 27th July, 1998 subject to the No Dues Certificate to be issued and need from the Department concerned. This is similar to that of Dr. R.K. Poddar and the faculty position of those teachers who are not in the Agenda note.

The matter is placed before the Council
for consideration.
