AGENDA NOTE FOR ACADEMIC COUNCIL ON
THE AWARD OF GOLD MEDAL AND PRIZES – BSc (Home Science)

The Existing University Regulation under RC-13 on Award of Gold Medals and Prizes with special reference to Clause 2 of the said Regulation provides the following:

“One Gold Medal will be awarded to each candidate securing First Position in order to merit at the B.A./B.Sc/B.Sc(Agri)/B.Com/Final Honours/B.Ed/LL.B Examination provided that he/she is placed in the First Division. For this all subjects offered at the University will be considered together.”

Hitherto, the University has been awarding a Gold Medal in respect of the candidate securing First Position and placed in the First Division to the student of BSc (Home Science). The aforesaid Regulation however provides that for this, all subjects offered at the University will be considered together. Accordingly, BSc (Home Science) should have been merged with those of the BSc Honours Stream and invariably not to be considered separately.

Furthermore, the relevant Clause does not include courses which have recently been introduced in the University such as BBA, BCA, BSW, BSC (Nursing), BA LLB and B.Tech Courses. However, Gold Medals for these subjects have been awarded by the University ever since the first batch of students have graduated.

Considering the above, Clause 1,2 & 3 of the Regulation RC – 13 may be amended as hereunder:

Clause 1,2,& 3 of the Regulation RC – 13:

Existing	Proposed Amendment
1. One Gold Medal will be awarded to each candidate securing First Position in order of merit at the Final M.A./ M.Sc./ M.Com/ M.Ed examination of the University provided that he/she is placed in the First Division and has passed the examination in first attempt. ITEM NO: 5:1:10

NORTH-EASTERN HILL UNIVERSITY REGULATIONS

RC-

ON MASTER'S IN SOCIAL WORK

(Under Ordinance OC-7, OC-17 & OC-18)

1. Master's in Social Work (MSW) shall be a full-time post-graduate professional programme in Social Work spread over a duration of four semesters or two academic years.

2. Admission

Admission to this programme shall be made in the beginning of the first semester as per the criteria laid down by the University. Candidates seeking admission to this programme must possess the qualifications as laid down by the University from time-to-time.

Provided that the College offering this programme may have its admission policy as per the provisions of OC-18 of the NEHU Ordinances and Regulations.

3. Course Structure

(i) This four-semester programme shall consist of 20 courses divided into 14 core courses, 2 open courses, and 4 fieldwork practicum courses carrying a total of 88 credits. Each core and open course shall carry 4 credits and each fieldwork practicum shall carry 6 credits. Each semester shall consist of courses carrying a total of 22 credits.

(ii) Ordinarily, a student shall earn 88 credits during the period of four semesters. Out of these, 56 credits shall have to be earned from the core courses, 8 credits from the open courses, and the

remaining 24 credits from the fieldwork practicum. A student may, however, earn these credits in a duration spread over a maximum of six semesters.

(iii) Credit shall be defined on the basis of maximum marks allotted to each course and the contact hours. One credit is assigned for each 25 marks and 12 contact hours for theory and 12 fieldwork-hours for fieldwork practicum.

(iv) A student who does not earn credit(s) in any given semester, for reasons whatsoever, may do so in any of the remaining corresponding odd/even semesters during which she/he is eligible to participate in the programme under the provisions of (ii) above.

Provided that if a student is not able to earn at least 22 credits by the end of the second semester, she/he shall not be eligible to move on to the third semester.

(v) Each semester shall have at least 90 working days excluding the dates of examination. The dates of commencement and termination of each semester shall be determined by the Academic Council.

4. Attendance

A student shall have to attend a minimum of 75 percent of the classes in each course during a semester in order to appear in the end-semester examination. Condonation of shortfall in attendance shall be done as prescribed under OC-7 of the NEHU Ordinances and Regulations.

Provided that in the case of the programme being offered by a College the rules of the College shall apply in matters of attendance and condonation.

5. Evaluation

Evaluation in each course shall be done on the basis of continuous sessional work assessment and end-semester examination as prescribed under OC-7 and RC-5 of the NEHU Ordinances and Regulations.

5:1:10(4)

(i) Each theory course shall carry a maximum of 100 marks out of which 25 percent shall be for the continuous sessional work assessment and 75 percent shall be for the end-semester examination.

(ii) Evaluation of continuous sessional work shall be done on the basis of student's performance in (a) written assignment and/or seminars, fieldwork, etc. as indicated in the syllabus; and (b) written tests organised by the department for this purpose. Maximum marks for the evaluation under the category (a) shall be 10 while for the category (b) shall be 15. Two best out of the three written tests under category (b) shall be considered for this purpose.

(iii) Each Fieldwork Practicum course shall carry a maximum of 150 marks out of which 25 percent (37.50 marks) shall be for the continuous sessional work assessment and 75 percent (112.50 marks) shall be for the end-semester examination.

(iv) Evaluation in each Fieldwork Practicum course shall be done on the basis of continuous sessional work assessment and end-semester examination. Assessment in the continuous sessional work and the end-semester examination shall be done on the basis of the student's performance through the written fieldwork reports and acquisition of various skills through viva-voce.

(v) Continuous sessional work evaluation in fieldwork practicum, in each semester, shall be done as follows:

(a) evaluation of the written fieldwork reports, out of a maximum of 7.50 marks, submitted through Fieldwork Proforma as prescribed in the Fieldwork Practicum Manual after the completion of each of the eight field visits. Marks of the two best out of the three shall be taken into account. Thus evaluation of the written fieldwork reports shall be done out of a maximum of 15 marks in each semester; and

(b) assessment of the skills acquired during fieldwork as per the criteria laid down in the Fieldwork Practicum Manual through viva-voce examination. Maximum marks for the viva-voce shall be 22.50. Viva-voce after the completion of each eight field visits shall be out of a maximum of 11.25 marks and two best out of three viva-voce evaluations shall be taken into account. Viva-voce during the continuous sessional work shall be conducted internally by constituting a board of three teachers of the department.

(c) evaluation carried out as per (a) and (b) above taken together shall be out of a maximum of 37.50 marks.

The matter is placed before the Council for consideration.

Agenda Note

- The EPF Organisation had indicated interest to occupy Bijni Complex on lease/out right purchase – (Annexture I)
- RPFC was invited and was present in the joint inspection held on 16.5.11 during which the building previously occupied by RSIC was proposed to be allotted to him (Annexture II). The same was approved by the Executive Committee in its 146th meeting on 24.5.11 (Annexture III)
- Meanwhile, after the inspection on 16.5.11, RPFC insisted that the rate should be fixed as per CPWD Scheduled rates vide letter dated 24.5.11. (Annexture IV)
- However, after the approval by the Executive Committee in its 146th meeting held on 24.5.11, the University asked RPFC whether he is still interested in taking the building on rent vide our letter dated 7.7.11 (Annexture V)
- RPFC responded by saying that they are willing to take the building but that has to be subject to approval of his competent authority at New Delhi. He also sought various other information vide his letter dt 13.7.11 (Annexture VI). The information was supplied to him vide our letter dated 21.7.11 (Annexture VII)
- The last letter received from RPFC dated 6.9.11 (Annexture VIII) whereby he informed that his competent authority wanted the rent to be assessed by CPWD and that the E.E, CPWD wanted some other documents viz (1) site plan (ii) building plan (iii) land valuation certificate by DC and (iv) any other documents as required in the proforma to be submitted by him to E.E, CPWD.
- It is clear that it will take a long time to complete the process apart from the fact that the Executive Committee approval for the rent will have to be revised or superceded by CPWD assessment. In other words the leasing out will be as per condition approved by EPF commission rather than by Executive Committee.
- Meanwhile the National Institute of Technology which is an institute of national importance is being set up in Meghalaya with Permanent Campus at Sohra. However the Director has requested the University for temporary accommodation at Bijni for the initial period of a few years (Annexture IX & X).
- Accordingly an inspection was carried out on 15.11.11 in which Director, NIT was also present.
- In view of the fact that NIFT has shown no further interest in the building meant for them which is currently occupied by ASC Hostel, this building was shown to Director, NIT. As the building is basically a hostel building with single seated and double seated room it was found not suitable for the purpose of NIT which requires large class rooms.
- Accordingly the RSIC building was shown to Director, NIT and after thorough inspection was found by him to be very much suitable for the purpose of NIT.
- It is therefore proposed that if RPFC is still interested, we may offer him the ASC Hostel which can be used for office purposes and the RSIC building may be offered to NIT.

This revised proposal is placed before the Executive Council for consideration.

Sib: Space in the Bijni Complex

Sir,

This is in continuation of my earlier letter dated 8th November, 2011, requesting for allocation of some space in your Bijni Complex for starting of the academic activities of the NIT, Meghalaya in Shillong. I had visited the complex with the Registrar on 15th November, 2011 and inspected the building occupied by SAIF (RSIC) and the seminar hall being used by IGNOU. I found these buildings very much suitable for starting the academic activities of the NIT. I shall be grateful, if you kindly allot this to NIT for its use. I shall be ready to accept the same terms and conditions being agreed by IIM, Shillong, subject to the approval by the BoG, NIT, Meghalaya. The next meeting of the BoG will be held on 5th December, 2011.

As you are aware, the NIT is an Institution of national Importance and its presence is going to be of great benefit to the state of Meghalaya. Therefore, your kind support in this respect shall be very beneficial to the state.

Thanking you,

Yours sincerely,

Dear Sir,

Your kind attention is drawn to the meeting held in the Seminar Hall, NEHU Bijnai Complex on 16-5-2011 at 1 p.m. wherein the Pro V.C. had announced allotment of building to EPFO, SRO, Shillong and also had conveyed that the rent had been fixed under Meghalaya Urban Rent Control Act. In this connection, I would like to inform you that fixation of rent under the Meghalaya Urban Rent Control Act is contrary to the earlier discussion had with the Registrar when, it was given to understand that fixation of rent will be as per CPWD schedule rate.

However, since EPFO is a Statutory Body under the Ministry of Labour & Employment, Govt. of India, rent shall have to be calculated and fixed as per CPWD Scheduled rate and rate fixed by Meghalaya Urban Rent Control Act is not permissible.

In view of above, you are requested that the floor area rate may be fixed as per CPWD scheduled rate as agreed earlier in order to enable us to proceed further with the process of acquisition of the building.

With regards,

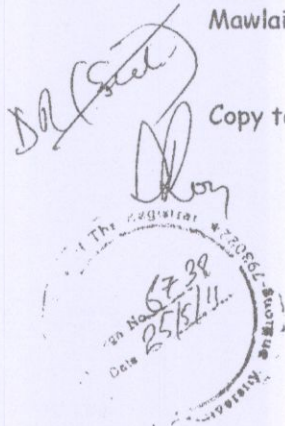

Yours sincerely,

To,
The Vice Chancellor
North Eastern Hill University, Shillong

Sub: Request for sparing of Bijni campus for temporary use.

Sir,

You may be aware that the site for the National Institute of Technology, Meghalaya has been identified at Sohra. Two batches of students have already been admitted and they are continuing their studies at NIT, Surat. It is required to start the academic activities of the Institute in Meghalaya from the coming session, i.e. July, 2012.

However, it will take some time to build the basic infrastructures in Sohra to be able to start the academic activities there. It is therefore proposed to start the activities in Shillong. In this respect we require the help and support of your esteemed University.

Sir, it will be of great help to the Institute if your University could spare a portion of the old campus of the University in the city, i.e. the Bijni Campus, for use by NIT, Meghalaya for the initial period of few years. The Institute community will remain forever grateful to the University kind act.

Thanking you.

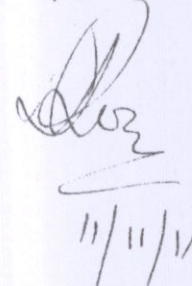

Yours sincerely,

(D. K. Saikia)
