

EXAMINATION DEPARTMENT

During the under year review, the Examination Department had been able to declare the results well in advance due to the extra efforts put in by its Officers and Staff and all concerned Principals of Colleges and Teachers. The statistical data of the examination is self-evident vis-à-vis enrolment of students and examination results of the year 2006-07. The computerization of the examination results has made the system relatively error free, but also advanced the declaration of results.

The University had established two new Departments viz., Department of Management during the July 2006 session and examination duly conducted for the First Semester in December 2006 in which the METAS Adventist College, Surat, Gujarat was also affiliated for the Course. The University had also set up the Under-Graduate Course of Information Technology and Electronic & Communication Engineering at the University level under the School of Technology for which the First Semester examinations were conducted in December 2006. In addition, the College of Nursing NEIGHRIMS was affiliated to the University in 2006 and the first examination was also conducted in March/April 2007. The Department was also able to help organize the XVI Convocation of the University held on 14 November 2006 in which a total of 1359 candidates took various Degrees in Person.

The enrolment of students and Results during the year under report is given in Annexures – “A”, “B” and “C” respectively, may be seen at appendices.
