

(vi) Regarding payment of Rs.1,500/- p.m. to Shri K.M. Deb, Assistant Registrar, Establishment II for treatment of his son.

On the basis of Senior Medical Officer's advice (copy enclosed in duplicate), Shri K.M. Deb, the then Assistant Registrar, Establishment II submitted an application praying for Medical Re-imburement of Rs.1,500/- every month for treatment of his 10 year old son, Shri Diyatom Deb who is suffering from Poliomyelitis. The payment/re-imburement was initially refused for want of supporting prescriptions & bills etc.

The Senior Medical Officer In-charge, NEHU Health Centre advised Shri Diyatom Deb to go for Physio-Therapy regularly by engaging an Expert Physio-Therapist on payment of Rs.1,500/- per month in order to prevent further deterioration of the limb.

In view of the gravity of the case, payment @ Rs.1,500/- p.m. has been made with effect from the month of November, 1995 in contravention of Section 3 of C.S.(M.A.) Rules, which provides for Treatment for Special Diseases, the relevant portions of which are reproduced below -

#### IV. Poliomyelitis, Cerebral Palsy and Spastics.

A Central Government servant or a member of his family, may receive treatment for Poliomyelitis at the nearest recognised hospital providing such treatment, subject to the conditions that such treatment is recommended by the authorised medical attendant and that the prior approval of the State Administrative Medical Officer concerned is obtained.

2. The Children's Orthopaedic Hospital, Bombay, has been recognised by the Government of India for the purpose of treatment of advanced cases of poliomyelitis requiring specialised treatment. But a Central Government servant or a member of his family suffering from poliomyelitis should, invariably, in the first instance, receive treatment at the nearest recognised hospital as otherwise provided in these rules. If the Medical Superintendent of that Hospital recommends that specialised treatment at the Children's Hospital, Bombay, is necessary, than only he/she will be entitled to receive treatment there at Government expense.

The matter is therefore, placed before the Council for consideration.
