The Council considered the representation in detail and made the following comments:

No comments on points 1 and 2 of the representation.

The allegations made at points 3,4,5,6,9,10,11,12 are the same as the allegations which Professor Malla had repeatedly brought to the Academic Council and the Enquiry Committee constituted to enquire into these allegations found them to be entirely baseless.

Point 8 of the representation is a serious and deliberate misinterpretation of the Academic Council resolution. The Academic Council expressed its unhappiness not about the fact that allegations of violation of Ordinances etc. of the University were brought to its notice, but about the fact that Prof. Malla had repeatedly brought groundless allegations of such violation to the highest Academic body of the University.

On point 13 of the representation the Council unanimously expressed its faith in the fairness of the Chairman of the Council, and reiterated its acceptance of the Enquiry Committee Report.

The Council RESOLVED that Professor Malla's representation may be returned to the Executive Council for necessary action.
