

- ii) Emplementation of the recommendations of NCW in Annual Report.

The UGC vide Annexure 'A' has forwarded the copy of the Annual Report, by referring their previous letter dated 17.5.1999 for necessary action by the University. However since the letter dated 17.5.1999 has not been received in the University, the UGC was requested to send the same for further necessary action.

UGC vide Annexure-'B' has forwarded the earlier papers with a request to take immediate action in this regard, and as per the letter Annexure 'C' it appears that the Deputy Secretary UGC informed that the Ministry of Human Resource Development has forwarded the recommendation of NCW in its Annual Report for the year 1995-96,. It has been requested to implement the recommendations of the NCW,ie the University should introduce the Legal Literacy course as a part of the curricula both at graduate and undergraduate level and also to direct their affiliated colleges to take immediate action. The UGC has also requested to intimate the steps taken in this regards to the Ministry.

The above matter was placed before the Academic Council in its 64th meeting for a decision. Wherein the Council resolved to ask the college if any such course is being conducted by them.

The matter is placed before the Council for consideration.
