Item No. 1 CONFIRMATION OF THE MINUTES OF THE 28th
MEETING OF THE EXECUTIVE COUNCIL HELD ON
5th DECEMBER, 1981 :

EC:29:82:01A: A question was raised about the format of the Minutes of the Executive Council. After considerable discussion on merits of different formats, the Council RESOLVED that the Minutes should primarily record the resolutions of the Council. In suitable cases the main feature of the discussion could also be recorded to give the trend of thinking on a subject without mentioning the names. Shri Vicki Kapoor, however, desired that his dissent may be recorded since he held that the Minutes should contain full record of the proceedings of the Council.

The Council further RESOLVED to confirm the Minutes of the meeting.

EC:29:82:01B: The Chairman informed the Council that there was an omission in informing the Council about the panel of experts for selection of Professor in History at their last meeting. The panel was given by the Head of the Department for the posts of Readers and Lecturers. The Vice-Chancellor took an independent decision to draw up the list of experts for the panel of the post of Professor in which, however, two experts from the other panel were also included.

Since there was an omission in the presentation of facts, the Council were requested to re-consider the recommendation of the Selection Committee for appointment of Professor in History in the light of the facts placed before them.

The Council RESOLVED that the recommendation of the Selection Committee for appointment to the post of Professor in the Department of History be accepted and the earlier decision of the Council vide Resolution No. EC:28:81:47, dated 5th December, 1981, be substituted by the following:
