Subject: Submission of Ph.D Thesis

Dear madam,

With reference to the subject noted above, I have the honour to inform you that I was registered for Ph.D. with Prof. N.Malla as my original Supervisor Vide Regn.No. and date 223 of 17.4.1997. My Thesis was ready for submission in December 2000.

I have repeatedly requested you to allow me for pre-submission seminar and submit my thesis but unfortunately, it is not allowed since my guide was under suspension. I do not want to accept another supervisor at this stage when the work has been done under the supervisor of Prof.N.Malla.

Under the above circumstances, I request your honour to kindly allow me and extension of one more year with effect from 17.4.2002.

Thanking you,

Yours faithfully,

5.3- Research-

- (i) Request of two Ph.D. scholars, Department of Philosophy for pre-submission Seminar and Submission of Thesis under the original Supervisor Viz. Dr. N. Malla.

EC:111:2001:5:3:(i): The Council considered the matter and noted that the Council in its meeting held on 17th August, 2001, considered the cases of the following research scholars arising due to the suspension of Professor N. Malla and his subsequent forced retirement vide Resolution No:EC:110:2001:8:(iv): dated 17.8.2001:

1. Shri XP Mao
2. Shri Alempa Ao
3. Shri KD Ramsiej

To ease the position of the research scholars, the Department of Philosophy provided them with alternative supervisors. But, the scholars did not report to the new supervisors and were deliberately defying the orders of the University Authorities. Accordingly, the Executive Council decided that they should be given a notice to comply with the directions of the department within 15 days from the date of receipt of the notice. However, till date, the scholars failed to comply with the direction of the University. The Council is of the firm opinion that this is an act of disobedience and breach of discipline and therefore RESOLVED that the Ph.D. registration of the above scholars would stand cancelled with immediate effect. However, there will not be any bar for them to get admission afresh in the Ph.D. programme of the University.
