In this regard, the Council took note of the communication received by the Chairman from Prof. Monmohan Singh regarding the appointment of Dr. D. Bhattacharjee as Head of the Centre for Science Education. The Council observed that, there were no irregularities in the appointment of Head of the Centre for Science Education, The Council further noted with concern that Prof. M.M. Singh`s letter came directly to the Chairman although the body of the letter indicates *“through proper channel – Dean, School of Physical Sciences, Registrar & Member Secretary, Executive Council”*. This has two implications – (i) the Chairman did not have the advantage of comment on Prof. M.M. Singh`s allegations from either the Dean or the Registrar and (ii) the words *“through proper channel”* were completely misleading. The Council took serious note of both these points. The Council further **RESOLVED** that, in the light of all the allegations made by Prof. M.M.
