FOREWORD

Since NEHU's inception in the year 1973 it has grown from strength to strength. The University has been extending help to its two other Campuses with the aim of promoting knowledge amongst the youth and channelizing their energies towards more profitable goals. This Annual Report presents an insight into the activities and achievements of the University during the academic year 1982-83.

The University made a special review of its role and responsibilities in relation to the overall socio-economic development of the hill people in the North-Eastern region in general and the nature of the academic thrust required for this purpose in particular.

Enrolment in the University rose from 24,330 during 1981-82 to 24,533 in 1982-83 registering an increase of 0.83%.

The UGC has extended the term of its assistance to the College Development Council upto the end of the Sixth Five Year Plan. The North-Eastern Hill University has also adopted the Ordinance of the Gauhati University in matters relating to the granting of affiliation to colleges. Performances of some of the affiliated colleges are included in the report.

NEHU ORGANISATIONAL STRUCTURE

VISITOR

Mr. Neelam Sanjiva Reddy President of India

CHIEF RECTOR

Mr. L. P. Singh Governor of Assam
Meghalaya &
Nagaland.

CHANCELLOR

Dr. H. N. Sethna Chairman, Atomic
Energy Commission.

VICE CHANCELLOR

Dr. B. D. Sharma

PRO-VICE-CHANCELLOR

Fish Ecology.

Dr. B. K. Sarma, Systematic and Limnology
Department of Botany :

Professors : Dr. R. R. Mishra, Microbial Ecology.
Dean of the School and Head of the Department.

Dr. P. S. Ramakrishnan, Ecology.

Readers : Dr. R. S. Tripathi, population Ecology.
Dr. Y. S. Tripathi, Experimental morphology
and morphogenesis;
Dr. R. R. Rao, Plant Taxonomy/Population
Ecology.

Dr. P. Tandon, Plant Physiology.

Dr. B. K. Dutta, Plant pathology.

Dr. P. M. Reddy on leave, physiology and
Biochemistry of Algae.

Dr. M. N. V. Prasad, Palaeobotany.

Dr. G. D. Sharma, Mycorrhizal ecology.

Dr. R. C. L'lo. Ecology.

Dr. H. N. Pandey.

Department of Bio-Chemistry :

Professor : Dr. R. Lalhantluanga, Head of the Department.

Lecturer : Dr. Yahya Khan,
Dr R. N. Charan.

VI, SCHOOL OF PHYSICAL SCIENCES :

Department of Physics :

Professors : Dr. K. K. Gupta- Many body Problem
Nuclear structure.

Dr. A. L. Verma, Laser Physics and
Resonance. Head of the
Department.

Readers : Dr. Y. S. T. Rao, Many body problem
nuclear structure,

Dr. P. Shukla, Condensed Matter theory
and phase transitions.

Dr. R. Singh, Experimental Nuclear
Physics (Nuclear Reac-
tions).

Dr. K. Kumar, Laser spectroscopy chemi-
cal physics and molecular
Dio-Physics.

Lecturers : Dr. S. Singh, Condensed matter theory and
phase transitions.

Dr. Y. S. Jain Spectroscopy (IR and Raman
scattering), Solid State
Physics.

Dr. D. Akthing Neutron Activation Ana-
lysis.

Department of Chemistry :

Professors : Dr. H. Junjappa, Synthetics Organic
Dean of the Chemistry; Newer
School. synthetic methods and
development of novel
synthons for construction
of Caibocyclic and
Heter oyclic Ring
Systems.

Readsrs : Dr. I. Suberama- Physical Chemistry
nian : Magentic Resonance,
theoretical Chemistry ;
FSR and theoretical
studies on Metallic
Porphyrins.

Dr. (Mrs.) H. Ila Synthetic Organic che-
(on leave) mistry Newer syntethic
methods for construc-
tion of novel meetero-
cyclic.

Lecturers : Dr. Y. S. Jain- Spectroscopy (IR and
Raman scattering),
Solid state Physics.
Dr. D. T. Kathing, Neutron Activation
Analysis.

Department of Chemistry :

Professers : Dr. H. Junjappa, Specialisation.
Dean of the School Synthetic Organic
Chemistry : Newer
Synthetic methods and
developments of novel
synthons for construc-
tion of caibocyclic and
Heter oyclic Ring
systems.

Dr. T. B. S. Narasara-
raju

Physical chemistry :
Studies on 1) Polymor-
phous substitutions,
and 2) Solid solution
formation among Iso-
morphous crystal, their
characterisation and
dissolution phenomena.

Dr. J. Subramanian :

Physical Chemistry :
Magnetic Resonance
theoretical chemistry ;
ESR and theoretical
studies on Metallo
Porphyrins.

Dr. (Mrs.) H. Ila :
(on leave)

Synthetic Organic che-
mistry Newer synthetic
methods for construc-
tion of novel heterocy-
clic ring systems and
development of novel
synthetic intermediates,

Reader : Dr., S. N. Bhatta

Physical Chemistry
Charge Transfer com-
plexes and Organic
semi-conductors.

Dr. M. K. Choudhuri :

Inorganic Chemistry :
1) Synthesis, structural
assessment and studies
of reactivity and uses
of metal-fluoro, metal-
peroxy in actylacetonate
compounds ; and 2)
mass spectrometry.

Dr. M. P. Mahajan : Synthetic and Mechanistic Organic Chemistry : 1. 3-Pi-polar cycloadditions and cycloaddition reactions of heterodiens.

Lecturers : Dr. M. K. Mahanti : Chemical Kinetics and theoretical chemistry
Kinetics of oxidation reactions and molecular orbital calculations on organic molecules.

Dr. R. K. Podder : Inorganic chemistry :
Chemistry of Transition metals in uncommon oxidation states VZ. Ni (0) Ni (III) and chemistry of Transition metals with tertiary Phospheries and arsines

Dr. K. Ismail : Physical Chemistry :
(on leave) Study on the Transport behaviour of melts, liquid and electrolyted.

Dr. K. K. Dwivedi : Nuclear Chemistry :
(on leave) Trace element analysis with regard to environmental Pollution problems : 1) heavy iron trades in solid dielectrics, 27 XRF based trace analysis of environmental, geological, biological and agricultural samples.

Dr. D. O. K. Medhi : Physical Inorganic Chemistry. Synthesis and spectroscopic studies on mental complexes of biological significance.

Dr. B. Myrboh :

Department of Mathematics :

Readers : Dr. S. S. Khare, Algebraic and Defferential topology. Head of the Department.

Dr. P. Jothilingam : Algebraic and Numerical Theory.

Dr. Vijai Kumar : Numerical Analysis and computer programming.

Lecturers : Dr. B. K. Dev. Sharma : Fluid Mechanics.

Dr. P. K. Saikia : Algebraic Number Theory

Dr. M. B. Rege : Ring Theory.

Dr. S. Ranasubramaniam : Probability Theory.

Mr. S. L. Marbaniang : Operations Research.

Mr. H. K. Mukherjee : Algebraic Topology.

Centre for Adult and Continuing Education :

Professor : Dr. M. C. Pandey

Head of the Department.

Mr C. P. Tiwari (Reader-in-Charge)

Miss Asorphi Roy, Lecturer.

Centre for Creative Arts :

Dr. Hamlet Barch (Reader-in-Charge.)

1. DEPARTMENT OF ENGLISH (Shillong)

The Department of English was started in 1973, the year in which the University itself was established. Apart from encouraging research, the Department, since its inception, has been keenly alive to the urgent and growing responsibility of meeting the demand for competent teachers of English in the Schools and Colleges of this region.

The curriculum encompasses English, American and Commonwealth literature besides Linguistics.

In 1983 out of a total of 48 students who had taken the final examinations 35 passed, of whom 4 (four) were placed in the First Division. In 1982 out of a total of 49 students 38 passed, one in the First Division. The break-up of this batch is as follows:

Students Intake (Shillong Campus)

M.A.	Male	Female	Total	of which	
				SC	ST
Semester I & II	26	23	49	2	27
Semester III & IV	23	25	48	3	30

Nagaland Campus

Semester I & II	4	4	8	—	5
Semester III & IV	4	2	6	—	5

Mizoram Campus

Semester I & II	12	8	20	—	19
Semester III & IV	9	1	10	—	9
Total	78	63	141	5	95

M. Phil Programme

In the period under review the following scholars successfully completed the M. Phil Programme :

Name	Topic	Supervisor
1. Mrs. A. Tham	Schopenhauer & Nietzsche	Prof. D.P. Singh
2. Mrs. A Sengupta	D. Lawrence	Prof. D.P. Singh
3. Mr. Krishanlal	T. Hulme	Prof. D.P. Singh
4. Miss Easter Syiem	James Baldwin	Dr. E.N. Lall
5. Mr. John Joy	Forster & Virginia Woolf	Dr. N. Hasan

Ph. D. Programme

The following scholars have been declared qualified for the Ph. D. Degree :

Name	Topic	Supervisor
1. Mr. K.C. Joseph	Graham Greene	Prof. D.P. Singh
2. Mrs. T. Ao	Henry James	Prof. D.P. Singh
3. Mr. H.W. Sten	Khasi Poetry	Dr N. Hasan

The students noted below have completed their course work and are now carrying out their various research projects :

1. Brother Beddeo
2. Mrs. B. Nongbri
3. Mrs. C. Wallang
4. Miss Jayashree Goswami
5. Miss Monalisa Brahma
6. Miss Navanita Chaudhury
7. Miss Sushmita Deb
8. Mr. Kiran Bhuyan
9. Miss Watimongla Ao

10. Miss Alemla Yaden
11. Ninguphei Ligessei
12. Mr. Bharat Bora
13. Mr. Chandradhwaj Singh

Responsibilities for Mizoram & Nagaland Campuses :

Apart from its normal responsibilities the Department lends assistance to the English faculty at Kohima and Aizawl in the effective implementation of the teaching programme. In September this year, Prof. S. Homchaudhuri went to Aizawl and joined the faculty there to complete a course for the 3rd Semester students.

Seminars and Workshops

Dr. M. Waseem attended a Seminar on Indo-Anglian Fiction held at Gaya, Bihar where he read a paper.

Prof. D.P. Singh and S. Homchaudhuri were invited to a Workshop organised for language teachers at Aizawl in March, 1983, delivered talks on the teaching of language and literature.

Visiting Lecturer

Prof. Naresh Chandra, formerly of Lucknow University, delivered a talk on the Renaissance and Milton.

Educational Excursions

Dr. E.N. Lall and Miss Ena Nicol led a group of 25 students on a study tour in the course of which they visited the U.S.I.S. Library in Calcutta and the A.S.R.C. in Hyderabad. In Bombay they met and had discussions with Prof. Nissim Ezekiel, the eminent Indo-Anglian poet and critic.

Positioning of old students

A very substantial number of old students are already well-placed in various spheres of life or are successfully pursuing higher studies elsewhere. Just a few of such students are mentioned below :

1. Ajoyendra Pyial — in the IAS
2. Emi Shtiri — —do—
3. Janet Pugh — just completed a postgraduate programme at Cambridge.
4. Jona Guha Thakurta — at the University of Texas, USA.
5. Imti Ao — Probationary Officer in the State Bank of India.
6. John Joy — Lecturer, in St. Anthony's College.
7. Father Cyriac — —do—
8. Ananya Guha — Lecturer in St. Edmund's College.
9. Moon Moon Majumdar — Lecturer in St. Mary's College
10. Nabonita Ganguly — Lecturer, University Department of English.
11. Margaret Zama — Lecturer, University Department of English, Aizawl
12. Ramingthangi — —do—

The Department of English at Kohima was inaugurated on September 8, 1979 by Dr A.K. Dhan, the then Vice-Chancellor.

Examination Results

Two batches of students have completed M.A. English course and have obtained M.A. Degrees. The results of the third batch which has completed all four semesters are, however, expected soon. There were 7 students in the last batch.

Study Tour

In December, 1982, students went on a student tour to Calcutta, Hyderabad, Bombay, Bangalore and Delhi with the students of Department of Education.

Research Activities

Prof. (Mrs) P N. Das ; presented a paper on "Shakespeare" in the All India Shakespeare Seminar held in Mysore University

Dr K. C. Joseph ; i) submitted his Ph. D. thesis "Graham Greene : the Novelist" to NEHU under the guidance of Prof. D.P. Singh, Head, Department of English, NEHU, Shillong:

ii) Working on R.K. Narayan and Commonwealth Literature.

Mizoram Campus (Aizawl)

The Department of English came to existence on 19th November, 1979. Ever since, the Department is putting on its efforts in order to achieve the aims and objectives of NEHU particularly promoting higher education in the Union Territory of Mizoram. The Department is four years old now. The Department is well aware of its responsibility towards the promotion of teaching the English and Literature in the State besides meeting the aspirations of young people for higher education. In the 1979-81 batch, two students

secured "B" grade while in the 1980-82 batch, three students passed in the Second Class. The Department of English in this Campus is part of the Department of English at Shillong. The only collaboration the Department had was with the parent Department. Prof. Hom Chaudhuri from Shillong came in September, 1983 and delivered a series of lectures on 'Classical Tragedy' to the students of the Campus.

The Department has been experienced that the young aspirants for higher education particularly in English Literature and Language have responded enthusiastically to the programmes of the Department. In order to cope with the initial difficulty the students confront in the subject, some innovative remedial courses could be evolved. Besides, the regular teaching programme, the Department is looking forward to organising refreshers' courses for college and high school teachers. For this, the Department needs to be equipped with a language laboratory and strengthening of the faculty.

The Department hopes to be on a firm footing in near future and the areas of activities will expand with a goal to facilitate and promote the teaching of English at every level in Mizoram.

The Department is getting fresh impetus after the joining of Prof. D.P. Singh, Head of the Department along with his official position as Pro-Vice-Chancellor of the Campus. It is expected that the Department will start the research programme soon. At present, Mr. K.C. Baral, a Lecturer of the Department is engaged in research work under the supervision of Prof. D.P. Singh.

2. DEPARTMENT OF KHASI

The Department of Khasi was formally inaugurated on the 29th September, 1981, to provide scope for indepth study of Khasi Language and Literature and to highlight the importance of Khasi art and culture. In that year, the Department started with one Professor. In 1982 one Reader and one Lecturer were appointed, and in 1983, another Lecturer was appointed. The sanctioned strength is four, and all the four teachers were in position during the academic year 1982-83.

Fifty five (55) students were admitted in 1981, and 38 appeared the semester-end examination in 1983, out of which 35 passed; 7 in the First Division and 29 in the Second Division. On the whole, the performance of students of the first batch was satisfactory. In 1983, 26 students were admitted to the first semester; and 51% cleared all papers in the examination, the remaining 49% will have to repeat the papers in which they failed. In the meantime, the third batch of students was admitted in September this year. The response to lectures delivered and their performance in the tests/assignments is very encouraging.

Students Intake

Year	Male	Female	Total	ST
1982-83 Semester I & II	16	32	48	48
Semester III & IV	28	48	76	76
1983 Semester I (September)	8	13	21	21
Total	52	93	145	145

Two college teachers and one Lecturer of the Department have registered for Ph. D. in Khasi Literature. These are :

1. Mr. E.M. Sohkhlet, Principal, Synod College.
2. Mr. Sondar S. Majaw, Lecturer, Synod College.
3. Mr. Bevan L. Swer, Lecturer, Department of Khasi, NEHU.

Three of the former students are now Lecturers in Khasi as indicated below:

1. Mr. Ambrose B.M. Roy — Sankardev College, Shillong.
2. Miss Patricia Syiem — St. Anthony's College, Shillong.
3. Miss Cordelia Pariat — Synod College, Shillong.

Due to the shortage of staff, the teaching programme was conducted with the help of teachers from the Department of English and colleges. In 1983 only one Reader from the Department of English and one guest Lecturer from Synod College have been involved in the programme.

The Department organised a seminar in September, 1982 which was relevant to the course of teaching at the postgraduate level. The outcome of the seminar was better appreciation of the difficulty of students who had no honours to cope with the standard of teaching at M.A. level; and the adjustment to be made by teachers, especially in the first semester classes.

Publications

Dr. H.W. Sten

- a) Revised edition of "Ka Samla Nongkyndong", a fiction.
- b) "Shaphang ka Novel", a critical analysis of the art of fiction.
- c) "Ka Mahadei", a Tragedy.

Mr. B.L. Swer

- a) Revised edition of "Katto Katne Shaphang ka Sonnet."

1. DEPARTMENT OF ECONOMICS (Shillong)

The Department of Economics, as a constituent unit of the School of Social Sciences, North-Eastern Hill University, started functioning from October, 1974.

The courses of study and research in the Department are designed to train the students and research scholars who will have the capacity and expertise to interact with the sister branches of learning and to relate the theories learnt to the institutional and historical conditions of the society and to the analysis of current economic problems of the region as well as of the nation as a whole. In particular, through its teaching and research activities, the Department aims at promoting the intellectual, economic and social advancement of the people of the hill areas of the North-Eastern Region. At present, a course on the "Economy of North-Eastern Region of India" is offered as a compulsory paper.

Students Intake

	Male	Female	Total	of which	
				SC	ST
M.A. Semester I & II	30	18	48	6	26
Semester III & IV	33	12	45	4	30

Ph. D.	5	1	6		3
Mizoram Campus (Aizawl)					
Semester I & II	16	3	19		
Semester III & IV	2	1		3	

Achievement of the Department

The Department has now achieved to a significant extent, its objectives in promoting the intellectual, economic and social advancement of the people of the hill areas of this region. At present, several former students, of the Department have succeeded in examinations for All India Services,

Nationalised Banks and other Corporate Bodies. Some are teaching in affiliated colleges of this and other Universities of the region, thus fulfilling the right manpower needs to the area.

In the 1982 session, 45 students were admitted to the programme, 34 candidates belonged to the SC/ST category and the break-up of the ST/SC candidates of the different States was 14 from Meghalaya, 10 from Nagaland, 6 from Mizoram and the remaining 8 from others.

Of the 36 candidates who appeared in 1983, 4th semester examination, 13 including seven ST candidates passed with Second Class and another fifteen, including nine ST/SC candidates obtained simple pass.

Research activities of the Department

Sr. No.	Research projects completed 1982-83	Sponsoring Agency	Project Leader	Date of Sanction	Total quality
1.	2	3	4	5	6
1.	Poverty, Unemployment & Development Policy in N.E. Region Phase-I.	ICSSR	Dr S.N. Guha Thakurta	Sept. 1978	Rs 19,200
2.	Tribal Mode of Production (Meghalaya) in Transition.	ICSSR	Dr. T. Mathew & M.K.S Nair	1978	Rs 50,000

No new project was taken up in the Department during 1982-83.

Publication of the Faculty Members

1. Dr K. Bez, "An Introduction to Input-Output Techniques" (National Bank Trust-1983).

Visiting Professors

1. Prof. N. Rath, Director, Gokhale Institute of Politics & Economics, Pune delivered two lectures, "Poverty & Unemployment in Rural India" "Agricultural Prices & Terms of Trades" on March 14-16, 1983.
2. Prof. Biplab Das Gupta, Calcutta University, lectured on "Some Aspects of Rural Economics" on June 26, 1983.

Departmental Organisation

The 'Fraternity Club', an organisation of the students of the Department, was quite active in organising debates, seminars, symposia, etc. The Club organised a week long programme in April, 1983 in which students participated in various co-curricular as well as extra-curricular activities like extempore speeches, debates, symposia, games and sports, musics, etc. Mr. E.D. Thomas is the staff adviser of the Club. Through its academic and other activities of it not only enriched the students intellectual faculty of the students but also inculcated a sense of discipline among them.

Position of the Ex-students

Among those who passed out from the Department in 1982-83 examinations, the following are reported to have been working in various Offices and Institutions in different capacities.

1. Mr. E. Nongbri—Lecturer, St. Edmund's College, Shillong.
2. Mr. T. Dkhar — Meghalaya Civil Service.
3. Miss Manjusree Goswami—Home Science Instructor, ICAR.
4. Mr. J. Lungdhim—Probationary Officer, New Bank of India.
5. Mr. Don Kupar Roy—Lecturer, Synod College Shillong.

6. Mr. Malsawmdawngliana—Lecturer, Hnahthial College, Mizoram.

7. Mr. Vilepral—Statistic Officer, Nagaland.

Mizoram Campus (Aizawl)

As a constituent unit of the University and the School of Social Sciences in particular the Department of Economics at Aizawl started functioning in October, 1979.

The courses of study and research of the Department have been designed similar to that of the Department at Shillong. The objectives are also the same, viz., to train up students in the theoretical application of Economics to the particular needs of the region. With these objectives, a course of North-Eastern Economy is taught as the compulsory subject. The Department has achieved to a significant extent its primary objectives. Firstly, it has successfully created a strong awareness among the students and teaching faculty the need for indepth specialised studies relating to the various economic problems of the region particularly Mizoram. Secondly, students of this Department are working in various responsible capacities in the College and Government Departments in Mizoram.

Students of this Department undertook a successful study tour during December, 1982-January 1983, visiting different Universities and Research Institutes in Calcutta and Delhi.

Research Activities/Seminars etc.

Dr. S.N. Guhathakurta in collaboration with S.K. Ghosh and others, submitted the Project Report to the ICSSR entitled "Unemployment and Development Policy in N.E. Region, (Phase I.)"

(continued) DEPARTMENT OF ECONOMICS

Dr. K.K. Upadhyaya attended the Indian Economic Association Conference held at Jabalpur from December 20-31, 1982 and presented a paper on "Relevance of Theories to Explain Balance of Payment—Deficits in India". He also attended the Annual Conference of the Indian Society of Labour Economics held at Chandigarh from January 17-19, 1983 and presented a paper on "The High Wage—High Unemployment Connection in India: An Exploration of Phillips Curve."

The Department organised a Refreshers' Course in "Quantitative Techniques and Advanced Economic Theory" in September, 1983. Fourteen teachers from different affiliated colleges in Mizoram attended the course.

2. DEPARTMENT OF COMMERCE (Kohima)

The Post-Graduate Department of Commerce started functioning at Nagaland Campus (Kohima) from the academic session 1980-1981. The thrust area of this department is to equip students with such knowledge and skill as to enable them to contribute to economic and commercial progress of the North Eastern Region. Special emphasis is given in the curriculum to orient students to start small scale enterprise in the agro-based, forest resource-based, and mineral-based industries. Establishment and management of small enterprises; improved skill in personnel management and industrial relations are particularly stressed at the M.Com programme.

Student Intake

M. Com	Semester	Male	Female	Total	Of which
					SC ST
II	II	12	1	13	10
IV	IV	11	1	12	6

Examination Result

Upto the end of June 1983, two batches of students have completed the M. Com Course, appeared at the end-semester examination, the M Com Degree.

In the end semester examination held in December 1982 eight students appeared and all of them passed. In the end semester examination held in June, 1983, thirteen candidates appeared and eleven of them passed the M. Com examination. One obtained First Division.

Visiting Professor

In the academic session, ending in June 1983, Dr. B.M. Agrawal of the Department of Accounting and Business

Statistics, University of Rajasthan came as Visiting Professor for a period of one and half months. He taught courses in "Management Accounting" to the 2nd semester and "Cost Accounting" to the 4th semester students.

Conference

Prof. S.K. Das, delivered a Lecture on Business Finance at a Workshop for Entrepreneurs organised by the Small Industrial Service Institute in February 1983. Dr. B.K. Tandon, Reader, delivered a talk on "Personell Management."

Study Tour

Mr. T. Vihienno, Lecturer, led a group of 20 students for study tour to Calcutta and Jamshedpur. They visited important industrial undertakings located in these cities, and made indepth study in the Operations and Accounts Divisions of the Tata Iron and Steel Company (TISCO).

3. DEPARTMENT OF SOCIOLOGY

The Department of Sociology and Anthropology started its teaching and research programmes in 1976.

The academic year 1982-1983 initiated some positive steps for the department. Dr. M.N. Karna, Reader in the department was promoted to professorship. Dr. V. Xaxa, Lecturer, who had gone to France for the post-doctoral work sponsored by the I.C.S.S.R., Delhi came back to the department. Dr. A.C. Sinha was sponsored by the U.G.C. New Delhi for source material consultation in various libraries in U.K. He was invited by the Department of Social Anthropology, University of Cambridge as a visiting faculty during the Lent Term, January-March, 1983. He was associated with running of the two courses and gave seminars in this department. Dr. Sinha was also invited to give a series of lectures in the Department of Ethnology, School of Comparative Sociology, University of Paris, France in April, 1983.

With the introduction of Sociology at the Pachhunga University College, Aizawl Mizoram a beginning was made in teaching of Sociology at the undergraduate level (B.A. pass). Two ex-students of this department were appointed lecturers for this course.

The Department of Sociology at the moment, has a staff strength of five teachers and an administrative staff of four. Its two classes—M.A. final and previous have a total strength of 50 students. M. Phil programmes which has been going on since late 1976 is being vigorously pursued by 12 research students. The Ph. D programme with 5 students is in progress. One faculty member has registered for Ph.D. of the department. This year three M. Phil dissertations were approved for the award of the degree and two more are waiting the results of their

dissertations. Another three students are in the process of finalising their dissertations.

1. The objectives of the department are as follows:

To advance and disseminate knowledge about the Social aspects of Man in general and North-Eastern Hill States in particular. This is sought to be achieved through two types of related activities.

(a) Post-graduate training programme in various branches of Sociology and (b) Research Programme relevant to the developmental needs of the North-Eastern Region.

2. To understand Social problems of the people of North Eastern Hill Region through applied problem, oriented research and to disseminate the social research and to disseminate the social researches to the policy makers and administrators.

3. To stimulate inter-disciplinary interaction between Scholars interested in the problems of the frontiers of different "discipline" and "problem" areas.

4. To make the discipline of Sociology to grow at the undergraduate levels.

5. To participate and encourage inter-institutional activities for the growth of faculty and help them to strengthen the linkages between Sociologists and other Social Scientists and to provide a link between the planners and administrators actually engaged in solving social problems of the country in general and the N.E. region in particular.

Students Intake

The table below gives a resume of the students strength in the Department:

	Male	Female	Total	Of which SC ST
I & II Semesters	17	14	31	22
III & IV Semesters	15	10	25	20
M. Phil	7	5	12	7
Ph. D.	5	—	5	3

Academic thrust of the department

Of late the societies in North East have been undergoing transformation at various levels either because of their own internal forces or because of both. New ideas have also emerged in the minds of official planners as well as intellectuals on their preception of these societies after India's independence, which is different from the preception of these policies of the colonial rulers. Keeping these points in mind, the department of Sociology will like to develop research and instructional excellence in the broad area of *Social change* with emphasis on:

- a. Emerging inequality
- b. Political dynamics and
- c. Ethnic relations.

Participation in Regional development

The Department proposes to participate actively in the regional development activities through the following activities:

a. By developing standards of teaching at the college and school levels through teacher training programmes, as and when the strength and expertise of the department has grown to undertake this challenging work, and

b. By adopting villages where the students of the Department could be engaged in analysis of social and economic conditions and wherever possible in engaging in action programmes around identified problems of the villagers.

c. By taking up applied research projects on various problems of the region.

Research Project

7. Submitted the report on the project "Bhutan" From Theocracy to an Emerging Nation State" to the ICSSR, New Delhi.
8. Was sanctioned the following research projects under the scheme of Himalayan Eco-system, NEHU: "Study of the selected communities as Ecological systems of N.E. Region." Study of Towns as Ecological systems, and a Study of Linear Settlement in the Hill Areas of N.E. India.

4. DEPARTMENT OF POLITICAL SCIENCE

The Department of Political Science started functioning on 10th September, 1974 with 35 students. In the academic year 1982-83, the Department had on its roll about 80 students, both in the M.A. (Previous) and M.A. (Final) year classes. Most of the students are from the N.E. Region of India.

The Department has on its roll 15 (fifteen) scholars who are involved in the research programmes. Most of them are working on topics having a bearing on the problems of North Eastern Region. The Department commenced a regular M. Phil programme from the academic year 1979-80 and M.Phil (Special) programme for affiliated colleges teachers from April, 1983.

5. DEPARTMENT OF PHILOSOPHY

The department of Philosophy, a unit of the School of Social Sciences, came into existence in 1974. The same year it started its M.A. programme. Only in 1979, the M. Phil programme was introduced in the department.

The objective of the department has been to develop the logical and analytical ability of the students to critically reflect on various issues that confront them. In Philosophy the idea of relevance to the hill areas of the North Eastern Region has to be understood somewhat differently from other subjects. The nature of the subject is such that it does not normally undertake any direct empirical study of social, cultural and human phenomenon. However, the general direction of the department has been to give, both in teaching and research special attention to such areas of philosophical thought as would facilitate the achievement of an authentic awareness among the students with regard to their own culture and tradition in broader context of what is usually called Indian History and Culture. In the course of time, as the department grows and when more students from the region are engaged in research it is hoped that it will become a source of genuine cultural regeneration in the country in general and the region in particular. With this aim in view the department has identified the following as the core areas.

1. Logic
2. Western Philosophy, including contemporary analytical Philosophy
3. Indian Philosophy
4. Social Philosophy, including philosophy of M.K. Gandhi.
5. Moral Philosophy
6. Philosophy of religion.

Student Intake

M.A.	Male	Female	Total	S.C.	S. T.
Semester I	16	33	49	Nil	33
Semester II					
Semester III	16	18	34	1	13
Semester IV					
M. Phil.	9	3	12	Nil	3
Ph. D.	6	2	8	Nil	2

Majority of the students in the M.A. Programme are from various S.T. Community of the North-Eastern Region. Majority of them usually do not have Philosophy at the B.A. stage yet some of them do excellently well at M.A. and M. Phil stage. Their response to various academic programmes of the department has been very encouraging. During these years two tribal students have topped the list of successful candidates in the M.A. examination.

Positioning of Ex-students

The following is the list of students who have done well in the M.A. examination in different years.

1. Tapan Senapati—I.A.S.
2. Dr. Sephali Panigrahi—Lecturer in Lady Keane College.
3. Archana Barua—Lecturer in St. Anthony College
4. Dr. Anju Joshi—Pool Officer
5. Begum Bilkia Banu—Lecturer in St. Mary's College,
6. S. M. Paokai—Lecturer in D.M. College, Manipur.
7. Debjani Tarfder—Lecturer in Tripura
8. Sipra Sarbanjana—Lecturer, Mendipathar College
9. Dr. Bina Mohanta—Lecturer in Assam.
10. Samuel Roy Lyndem—Lecturer, U.C. College
11. B. Buam—Lecturer, Jowai Government College

12. L. T. Sailo—Lecturer, Pachhunga University College, Aizawl
13. Asher Daring—Lecturer, Jowai Government College
14. Depaii Chakravarty—Lecturer, Shillong College.
15. Ranjit Dev—Lecturer, Shillong College
16. Imchen Yanger—Lecturer, Mokokchung College
17. Ghansyan Singh—Research Scholar, Poona University
18. Pau Ken—(U.S.A. for higher studies)
19. Vanlalnghaka—Research Scholar, I.I.T. Kanpur

Conference and Seminars

During the years under report the department organized one refresher's course for college teachers as well as a National Seminar on Kant. The objective of the seminar was to acquaint the college teachers with the latest techniques of philosophical analysis and that of the seminar was to refresh their knowledge on Kant. A large number of college teachers participated both in the Refresher's course and the seminar. The participation of tribal teachers both in the Refresher's course and the seminar was very encouraging.

Research Activities of the Department

The Department has relatively a strong research base. All the teachers in the department apart from supervising M. Phil and Ph. D. work of students are carrying on their individual research, the findings of which are being published in different professional journals from time to time. The researches undertaken in the department are designed for intellectual and cultural advancement of the tribals in the region.

Three M. Ed students of the 1st Batch are Instructors at the Teachers' Training Institute, one is a Social Welfare Officer and two students of the Second Batch have joined Mizoram Institute of Education as lecturers. Further, a number of them are Headmasters/Principals of the Local High Schools and most are High School teachers.

Research Activities

(a) M. Ed Dissertations :

Completed : Twenty Eight (28)

On-Going : Fifteen (15)

The studies carried on in the department are focussed mainly on the following three major areas of Education in Mizoram.

(i) Science and Mathematics Education

(No. of studies undertaken : 5)

Researches are mainly to analyse the factors affecting achievement science and mathematics among high school and college students in Mizoram - cognitive, personality socio-cultural, organizational and administrative factors are studied.

(ii) Education and Social Change

Impact of education on Social attitudes in Mizoram, Socio-cultural context of Modernity in Mizoram, Mass Media Impact on the attitude of Mizos and Academic Achievement among the school students.

(iii) Development of Education in Mizoram

Investigation into the indigeneous system of Education in Mizoram, progress of School Education (Elementary, Secondary and Tertiary Levels) during the British Period (1894-1947), Post independent Mizoram (1947-72) and in the Union Territory of Mizoram (1972-82). Also study on the development of school administration in Mizoram and Student Welfare Activities in Mizoram.

(b) Scale and Tests Constructed in the Department

(i) Modernity Attitude Scale Five Point, 80-items.

Like-type forcing scale to measure the social attitudes of Mizos :

(a) Attitude towards Religion

(b) Attitude towards Family

(c) Attitude towards Marriage

(d) Attitude to Status of Women in Society, and

(e) Attitude towards Education

(ii) Socio-Economic Status Scale (SES)

(iii) Mass Media Index

(iv) Achievement Test in Secondary School Science

(v) Achievement Test in Secondary School Mathematics.

The department has collaborated with the State, Council of Educational Research and Training (SCERT) Aizawl in conducting workshops for the preparation of curriculum material Teaching Packages and training of teachers for the population Education Programme to be implemented in Mizoram.

Two seminars on Comprehensive access to Primary Education (CAPE) were conducted in the department during the academic, session 1982-83. NCERT Professors Dr. Roka and Dr. Sahni addressed. The participants were the staff of the (SCERT) and the M. Ed students of the department.

Departmental Organisation

The department organizes two weekly seminars in the department, one for the post-graduate students and the other for the M. Phil and Ph. D students

alongwith the teachers. In the post-graduate seminar, students are required to present papers by turn and the entire schedule of the seminar is notified in the beginning of each semester. In the Research Scholars' seminar either a teacher or a research scholar presents a paper. These seminars have been very helpful to students.

The department also organized essay and debate competitions for the students. Study tour is an annual activity of the department. These activities have gone a long way in instilling a sense of discipline among the students.

3.	M. K.	I	1981
4.	M. K.	I	1981

DEPARTMENT OF HISTORY

The department of History since its inception in October 1974, has been engaged in post-graduate teaching and research programmes. The objectives of the Department have been to give instruction to the M.A. students in the cultural, social, economic and political history of peoples of India in general and North Eastern India in particular. In addition a number of courses on selected countries have also been offered. As in the previous years the emphasis has been on the history and culture of North Eastern India as is evident from the introduction of a number of compulsory and optional courses on North Eastern India in the M.A. programme. This is in keeping with the objectives of the University. The Faculty of the Department is strengthened by the appointment of a few more teachers specialising in the history and culture of North Eastern India. It is adequately strengthened to carry out research on various themes on this region and in fact a number of candidates have been awarded M.Phil degrees whose themes of research were essentially related to the history and culture of North Eastern India. The Department record with a sense of satisfaction that a large number of its students for the year were drawn from the three constituents of the University.

Over the years the intake of students into M.A. has been steadily increasing as can be seen from the tables given below :—

Break-up of students admitted in 1981-82

	ST		SC		G		TOTAL

Mr. Lal Rinawma

1. "Settlement Pattern of the Hmar in North East India". Proceedings of the North East India History Association, Third Session, Imphal Shillong 1983

OTHER ACTIVITIES OF THE DEPARTMENT

1. The Department continued to be the Headquarters of the North East India History Association, Dr J.B. Bhattacharjee and Dr. Milton S. Sangma being re-elected as General Secretary and Treasurer respectively. Dr. Bhattacharjee, Dr. Sangma and Mr D R Syiemlieh attended the Third Session of the Association at Imphal in December 1982. Dr (Mrs) Helen Giri and Mr Syiemlieh were elected to the Executive Committee of the Association.
2. The Department organized a 10 day Workshop on General Foundation Course in February 1983 which was attended by about 80 teachers of the various faculties in the University and affiliated colleges and the Principals.

Visitors

1. Dr Karunakar Gupta, Fellow, Netaji Institute of Asian Studies, Calcutta delivered a lecture on 'The India China Boundary Question' in Historical Perspective' in June 1982.

2. The Department has organized a lecture series by Prof. A. L. Basham, Australian National University, August 7 and 11, 1982 at State Central Library and Mayurbhanj Seminar Hall respectively on (1) "The Ancient Indian Drama and its Modern Survivals" (2) The Popular Art of Modern Hinduism"

3. Prof. K. Mazumdar, Nagpur University has delivered a talk on "Studies in Tribal History" on September 17, 1982 in the Department.

7. DEPARTMENT OF ANTHROPOLOGY

In the year 1982-83 the faculty position was strengthened with the joining of two new faculty members. Some of the courses which could not be operationalized earlier were opened for students this year

The Department initiated two projects :- i) Survey of stages of economy and (ii) Study of selected communities as ecological system. The Department operationalized action on one of its area of academic thrust i.e., Ethnographic studies. Programme for preparation of theml-monographs based on comparative study was launched. The Department initiated re-study of the Apa Tani community, which was first studied about four decades ago. The programme was conducted through field work by the students.

1. DEPARTMENT OF EDUCATION

The Department of Education was established in the year 1976. It started offering the courses for the degree of M.Ed. The Department closed the M.Ed. course in 1982-83 session and in its place started the M. A. courses in Education. While the M.Ed. course involved the teaching programme for two Semesters only the M.A. course covers the teaching duration for four semesters.

M. Phil regular continuing	2	2	4	-	3
Ph. D.	5	4	9	-	5

Nagaland Campus

1981	12	13	15	-	25
1982	15	11	26	10	16

Mizoram Campus

1981-82	2	3	5	-	4
1982-83	12	1	13	-	10

The Department admitted students for the M.A. Course for the first time in 1982-83. The number of students admitted was 23. All the 20 students who appeared in the first semester examination have successfully cleared all the courses. It include 19 ST candidates. While 3 students could not appear in the above examination.

Fresh batch for the regular M. Phil programme could not be started due to the constraints of the strength of teaching staff. But the previous patch of scholars continued to work on their dissertation work.

It may be highlighted here that the Department responded positively to the needs of the Lecturers in Education in the affiliate colleges of NEHU by starting the special M. Phil programme for college teachers. Two teachers have joined this programme and the first phase of their course work has started.

The Ph. D. programme continued with the students who had joined the programme earlier.

Publications

(iv) Methew George, "A Study of the Effect of Micro-teaching on Teacher Attitude of B. Ed. Trainees". The break-through SCERT Publications, Meghalaya, Shillong. pp. 1-9.

Visits and Lectures by eminent Scholars

Dr. Arati Sen, Professor of Education, and Dean, School of Education, Kalyani University, addressed the students in July, 1983.

Participation in Seminars/Workshops

- (i) Dr. P.P. Gokulanathan, Head of the Department, attended the annual seminar of the Association of Indian Universities for Continuing Education held at Suraj, December 26-28, 1982.

Nagaland Campus (Kohima)

The M.A (Education) Course in the Department of Education, Nagaland Campus, Kohima, under the School of Education was inaugurated on 7th September, 1978 by Shri L.P. Singh, the then Governor of Nagaland to meet the long standing need of the State of Nagaland in particular and of the region in general. Since its inception, the course has been very popular with reference to North-East Region. Students from different States of this region are taking full advantage of this facility.

The objectives of the course are listed below :-

- (i) To provide in depth study in Education as a discipline.
- (ii) To specialise areas in Education which have direct relevance to life, discipline and background of this region. Wide spectrum of areas of specialisation are community education and rural development nonformal education, adult education, study of tribal society and culture, strategies for education in tribal areas, study of human behaviour, educational testing and experimental design, value education, population education, educational futurology, etc.
- (iii) To initiate students to undertake research on different problems of education with special reference to this region.

Conferences and Symposia organised by the Department

1. On Gandhi Jayanti (2nd October, 1982) a symposium on "Gandhi Philosophy of Education" was held. On this occasion an exhibition on "Gandhian Thought" was also organised by the Department.

2. On Teacher's Day (5th Sept. 1983) a symposium on "Teacher and Moral Standards" was organised by the department.

3. A Brain's Trust session was conducted on 8.4. 1983.

4. A student from the department participated in the cultural Troup of the Universities of the country during winter vacation.

5. An Educational Tour was organised by the department in collaboration with the department of English, NEHU, Kohima from January 6th-30th 1983. Twenty students and one member of the faculty visited educational institutions at Calcutta, Hyderabad (Osmania University, Central Institute of English and Foreign Languages), Bangalore, Pune (Indian Institute of Education and University of Pune), Bombay (SNDDT), University of Bombay, and University of Delhi. NCERT, NIEPA, CIE.

Visiting Faculty

Dr. R. S. Pandey, Reader, Department of Education, Allahabad University, delivered a series of lectures on the courses; philosophy of Education and Educational Management in the first week of December 1982.

1. Dr. S. Marathe, Reader, department of English, NEHU, Kohima delivered a talk on "Education system in Canada" on 5. 11. 82.

2. Dr. N. Kezienou, department of Mental Health, Government of Nagaland delivered a talk on "Mental Health" on 20.11.82.

3. Shri A.K. Kindu, Asstt. Librarian, NEHU, Kohima delivered talk on "Role of Library in Research" on 13.11.82.

4. Shri M. P. Gupta Accountant General Nagaland, delivered a talk on "Mansrovar" coupled with block display and pictures taken during his visit to the place.

Seminar and workshops attended

Prof. B. Das

Attended a seminar on 'Tribal Education' at Bhubaneswar. Read a paper on 'Education and Social Change' at the conference of the Nagaland Teachers' Association.

Read a paper on 'Naga Culture in Transition' at the University College of Agriculture Medziphema.

A paper on 'The princes Cesamassime' under Publication, in journal of the department of English, Uttal University.

Dr. K.K. Sharma

Dr. K.K. Sharma, R.K. Sharma & L.K. Sinha, "A case for Indian Philosophy of Education some issues" the Progress of Education Vol VII No. 4 Nov. 1982.

Acted as resource person in the "Orientation course on Educational Technology for Teacher Educators" held at the Regional College of Education, Bhubaneswar from 3rd to 8th February, 1983.

Attended "All India Science Teachers" Association conference from 10th to 12th Jan 1983 at Hyderabad. Presided over the session on "Psychology in the class room".

Mr. J.C. Soni

- (i) Presented two papers in the workshop on "Effective Utilization of Educational Technology" for school teachers, organised under the auspices of Educational Technology Cell, Government of Nagaland, Kohima, from March 14 to 19, 1983.

Mr. P.K. Gupta

Presented a paper on "Technology of Teaching" in the workshop on "Effective utilization of Educational Technology" for school teachers organised by the Educational Technology Cell, Govt. of Nagaland, Kohima, March 14 to 19, 1983.

Mizoram Campus (Aizawl)

The department of Educational Research and Studies was established in the beginning of 1981 with the purpose of conducting courses and research leading to the qualitative and quantitative improvement at all levels of education, pre-primary to tertiary. The Department offers courses in Masters' Degree in Education (M Ed) and also has been approved as a centre to do doctoral work leading to Ph.D programme. The fifth batch (1983-84) with twenty two students on rolls is doing its first semester courses at present.

Doctoral programme.

Two students have been registered for Ph. D (a) Lalrinkimi :

"A study of Socio-educational correlates of Modernity in Mizoram.

(b) Varparhi Khiangte : "Non-cognitive correlates of creativity among High School Children in Mizoram".

Positioning of Ex-students

The holders of the top three positions of the 1980-81 M. Ed batch are placed in the following posts.

- (i) Miss Lalrinkimi, Lecturer, Mizoram Institute of Education (B. Ed College), Aizawl.
- (ii) Mr. Budhi Raja, Academic Officer, Mizoram Board of School Education (MBSE), Aizawl.

- (ii) Mrs, Darchhingpuii, Instructress, Teachers' Training Institute, Aizawl.
Of the Second M. Ed Batch (1981-82)
- (i) Mr. Thahawla (Passed M. Ed in First Division is Assistant Controller of Examination in Mizoram Board Education.
- (ii) Mr. Laldusanga (First Division) is an Instructor at the Teachers' Training Institute, Aizawl.
- (iii) Mr. Lalthangiana (Second Division) is a lecturer in State Council of Educational Research & Training (SCERT), Aizawl.

Publications

- ✓ (i) C. L. Anand and M A Sudhir, "Developing a Modernity Attitude Scale" Indian Educational Review, Vol XVII No. 3 July, 1982, P. P. 28-42
- ✓ (ii) M A. Sudhir and Lalrinkimi, "Non-Formal Education Programmes in Mizoram: Retrospect and Prospect" Journal of Indian Adult Education Association, Dec. 1982.
- (iii) M.A. Sudhir and Lalrinkimi, "Modernity in the Context of Education and Socio-cultural Factors: A Study of Social Attitudes in Mizoram", Journal of Social Psychology, (accepted for publication)

The department is still in its infant stage and there is paucity of qualified teachers as the three posts of Lecturers and one post of Reader are lying vacant. Notwithstanding, a number of studies analysing the courses of failure and under achievement in Science and Mathematics in Mizoram, Development of Education and Social Change in the under-developed tribal territory have been undertaken. Further, four M. Ed Batches have already completed their courses.

DEPARTMENT OF GEOGRAPHY

Started in June 1976, the Department of Geography in the School of Environmental Sciences is playing a key role in imparting teaching and research facilities to the graduates and post-graduates of this discipline. The main thrust of the Department is towards better understanding of the various environmental processes both physical and cultural that are of dynamic nature and are constantly working to shape the regional aspects of India as a whole and N.E. India in particular.

To highlight the geographical dimensions of the problems of development in the region, to fulfil the developmental needs and to carry out useful research, the M.A/M. Sc. programme has been up-dated and modified giving special emphasis on different aspects of N.E. region. Further, the under-graduate programme was also upgraded in the light of the post-graduate programme. During the year Prof P. Dayal of Patna University joined the Department as Visiting Professor in May, 1983.

Two Ph. D. candidates - Mr. R. Sahu and Mr. N.P. Goel have submitted their thesis with successful results. Seven research scholars have completed the requirements of the M. Phil. programme examination and they are now engaged in their respective thesis.

- (e) Participated in UNESCO Course at the Central School of Planning and Statistics, Warsaw, Poland under the Polish Govt. scholarship for a diploma in National Economic Planning from October, 1982 to March, 1983.

Conference and Seminars

Dr. R.K. Rai attended Cartographic seminar from 14th to 16th September, 1982 at Hyderabad. Dr. Rai also attended a seminar at Allahabad from 23rd to 25th July, 1982 and presented a paper.

Dr. R.K. Rai and Mr. P.G. Momin have given lectures on Geography and General studies to the students at the All India Services Pre-Examination Training Centre, NEHU Shillong.

The Department conducted a Refreshers Course for College Teachers from 24th May to 6th June, 1983.

List of Faculty members

1. Dr. R.K. Rai, M.Sc. (Sagar) Ph. D (Sagar)
Reader and Head, Specialization-Geomorphology.
2. Prof. P. Dayal, M.A. (Patna), Ph. D. London
Visiting Professor, Specialization-Industrial,
Economic and Population Geography.
3. Dr. A.C. Mohapatra, M.A. (JNU), M. Phil (JNU), Ph. D.
(NEHU) Reader, Specialization-Regional Planning &
Economic Geography.
4. Dr. R. Gopalakrishnan, M.A. (Madras), M. Phil (JNU)
Ph. D (JNU) Reader, Specialization-Political Geography.
5. Mr. A. Ahmed, M.A. (Aligarh), Ph. D (JNU) registered
Lecturer, Specialization-Social & Historical Geography.
6. Mr. P.G. Momin, M.A. (JNU), M. Phil (NEHU) Lecturer
Ad-hoc, Specialization-Cartography.

1. DEPARTMENT OF PHYSICS

The Department provides teaching and research in major areas of Physics. It also provides M. Sc, M. Phil and Ph. D programmes. Post doctoral research opportunities are also offered in the form of Research Associateships.

In the academic year 1982-83 15.3 students were admitted in the I semester M.Sc and 3 students in the M. Phil/Ph.D programme. A total of 9 students passed their M. Sc Examinations. The break up of student intake is as follows :

	SC. ST		SC. ST		Others		Total	
	M	F	M	F	M	F	M	F
M. Sc								
Semester I	2	1	—	—	5	4	7	5
Semester II	1	3	—	—	9	5	10	8

Other Information

Prof. K.K. Gupta is continuing with the writing of his book on Nuclear Physics.

Prof. A.L. Verma has appointed a Member of the UGC Panel on Electronics & Instrumentation. He has also been appointed a Member of the UGC Committee for developing Lasers & Fibre Optics in the Country.

Dr. P. Shukla edited book, Physics of Disordered Solids. It has been published by Mittal Publications Delhi (1982).

Dr. Kamal Kumar is preparing a book on experimental Physics (Electronics).

2: DEPARTMENT OF CHEMISTRY

The department of Chemistry was established in 1976 as a constituent of the School of Physical Sciences. In order to contribute to the development of the intellectual and academic background of the people of the hill areas of the North East, which is the overall objective of the University as envisaged in the NEHU Act. of the department is imparting knowledge in Chemistry oriented to equip its students with competency to utilise the natural resources available in abundance in this region. The teaching programmes of the department provide a broad knowledge of both theoretical and practical aspects of various modern areas of Chemistry. The inception of a Regional Sophisticated Instrumentation Centre (RSIC) in the University offers new avenues to enable the students of this department to apply modern instrumental techniques for structural and analytical studies. The utility of the course structure in fulfilling the objective of the department is indicated by an impressive placement of the students of its previous batches.

Student Intake

M. Sc.	Male	Female	S.C.	S.T.	Total
Semester I	15	1	2	1	16
Ph. D. Scholars	10	3	—	2	13

M. Sc. Teaching Programme: The department has so far to its credit six batches of students who have been awarded the M. Sc. degree. The course work adopted ensures a sound basis of the fundamental aspects of the principal branches of Chemistry. The teaching programmes have periodically been revised to keep pace with the latest advancement, to overcome the deficiencies of the students of the North-Eastern region. Within the limits

of the constraints, the number of students admitted to the M Sc. programme has been raised to twenty (20) in order to accommodate deserving applicants and to enhance the likely input to the research schemes on hand. Appropriate relaxation of rules of admission have been enforced to admit all the tribal candidates seeking admission. Efforts are being made to supplement the regular teaching work to enable such students to overcome the deficiencies.

Research Activity : Being conscious of the consideration that a balanced development of a University department is possible only when the research and teaching programmes go hand in hand, considerable emphasis has been laid on the establishment and improvement of research facilities in the department by way of providing excellent working conditions in the research laboratories and sophisticated instrumental facilities. The following are the lists of such instruments being acquired and installed by the department as well as by the RSIC.

Departmental Instruments

1. Perkin-Elmer Model—297 Infrared-Spectrophotometer
2. Varian Model M 590,90 MH Nuclear Magnetic Resonance S Spectrometer
3. Pacific Photometrics Electroanalyser.
4. Coleman, C, H and N Microanalytical Instruments.
5. Mettler Microanalytical Balances.
6. Beckman Model UV-26 Ultraviolet and visible Spectrophotometer.
7. Parr Instrument-Pressure Hydrogenators, Autoclaves etc.

RSIC Instruments

1. Perkin Elmer Model 983 IR spectrophotometer.
2. Dupont 8803 High Pressure Liquid Chromatograph.

3. UV-VIS-NIR Spectrophotometer. (Varian 2390)
4. Philips PL N 106 Liquid Nitrogen Plant
5. Mass Spectrometer (GC MS-DS System) Finnigan Matt.
6. Ultra Centrifuge (SCP-85 H) Hitachi.
7. Ampholire Electro Focussing Equipment (LKB)
8. Electron microscopes (Scanning and Transmission) Jeol.
9. Ultra Microtome (LKB).

As in the case of the Post-Graduate teaching programme, the areas of research in progress in the department are of a versatile nature to get a broad-based training in the requirements relevant for the North Eastern region. This is achieved by a judicious selection of a course structure which constitutes a compulsory prerequisite to equip the research students with a broad theoretical background to supplement the experimental investigations to be undertaken. In addition, the students who had their postgraduate degree from this department and those from other Universities as well as the teachers from the level colleges are among the research students of the department. Such a training imparted to the local college teachers is intended to improve the standard of teaching of Chemistry at the undergraduate level in the affiliated colleges of the University. The department has made great efforts to overcome the deficiencies of the students of this region.

A significant aspect has been a welcome enhancement in the increased proportion of tribal students admitted to the Ph. D. programme this year. Out of a total of 13 students admitted, two belong to the ST category.

The efforts of the department in the direction of research initiated right from its inception, culminated in the award of Ph. D. degrees to 5 candidates during the

academic year 1982-83, which should be considered as an important milestone in the history of the department.

A list of the candidates along with their topics of research and supervisors is attached.

LIST OF STUDENTS AWARDED THE Ph. D DEGREE :

SL. NO.	NAME	(TOPIC OF RESEARCH)	SUPERVISOR
1.	N. Roy	Spectrometry of some metal compounds and studies on Fluorides and Acetylacetonate compounds of Chromium.	Dr. M.K. Chaudhuri
2.	A.K. Bhattacharjee	Electron Transfer Reactions	Dr. M.K. Mahanti
3.	Veena Agarwal	Synthetic Studies on Heterocycles	Dr. H. Ila
4.	S. Apparao	A. Study on polarized keten Dithioacetals. B. Synthesis of 1-seryl-2-cyanoaziridines and their reaction with indole.	Prof. H. Junjappa
5.	S. S. Mahiuddin	A Study on the Transport properties of Electrolytes	Dr. K. Ishmail

4. Visiting Professors

Sl No.	Professor	Institution	Topic of Talk	Date
1.	Prof. H L. Higam	University of Allahabad	Structural aspects of metal clusters	16-9-82

2. Prof. S.P. Srivastava. University of Roorkee. General aspects of Chemical Dynamics 11-12-82
3. Prof. D. Mukherji. Indian Association for the cultivation of Science. Shapes of molecules : Fact or Fiction 25-5-83
4. Prof. S.K. Talapatra. University of Calcutta. Some recent aspects of natural product Chemistry : use of N.M.R. techniques. 6-6-83
5. Prof. J. C. Ahluwalia. I.I.T. Delhi. Thermodynamics of biopolymer systems in aqueous media. 7-6-83
6. Prof. S.M. Taqui Khan. Central salt and Marine Research Institute. Homogeneous catalysis by transition metal complexes. 7-6-83
7. Prof. S. M. Verma. B.H.U., Varanasi. Conformational Analysis Assignments. 13-6-83
8. Prof. R. C. Agarwal. B. H. U., Varanasi. Studies of metal complexes of dithio-ligands 14-6-83
9. Prof B.M. Shukla. Gorakhpur. Age of Nuclear Energy 15-6-83

5. Conferences/Seminars attended

- | <i>Name</i> | <i>Title of Paper</i> | <i>Venue</i> |
|--------------------|--|--|
| 1. Dr. S. N. Bhat. | "Studies on Molecular Complexes of some II-donors with iodine by constant activity method. | Indian Council of Chemists, Srinagar (Nov. 1982) |

2. Dr M. K. Mahanti Molecular Orbital Calculations on some organic molecules Invited Lecture, University of Roorkee (Jan 1983).

6. Positioning of Students who completed the M. Sc. programme in July 1983

<i>Name of Students</i>	<i>Position</i>
1. Mr Anil K. Dubey.	Research Fellow, IIT Kanpur
2. Mr Abraham Thomas.	Research Fellow, CSIR Dept of Chemistry, NEHU
3. Miss Beenapani Saikia.	---
4. Miss Ghandra Bhattacharjee.	Research Fellow
5. Miss Chitrani Yendrebam.	Teaching in a College in Manipur
6. Mr. Debashis Dey.	Research Fellow, Dept of Chemistry, NEHU
7. Mr. Swilton Mawthoh.	Lecturer in Chemistry Lady Keane's College
8. Mr. Gadadhar Sarma.	Teaching in Higher Secondary School, Tezpur
9. Mr. Jyoti P. Chetia.	Oil and Natural Gas Commission
10. Miss Nashreen S. Islam.	Research Fellow (CSIR) Dept of Chemistry NEHU
11. Mr. Pralay K. Mazumdar.	---
12. Miss Rashmi Satsangi.	Research Fellow (UGC) Dept of Chemistry, NEHU
13. Mr. R. Dayal Yadav.	Teaching in High School, Duliajan

14. Mrs. Shakira S. Islam. Research Fellow (CSIR)
Deptt of Chemistry, NEHU

[IV]	Research Scholar	SC/ST	Type of Fellowship	Supervisor
1.	Mr. C.V. Asokan.	—	CSIR	Prof. H. Junjappa.
2.	Mr. P. D. Baruah.	—	U.G.C.	Dr. M. P. Mahajan.
3.	Mr. R. Chakrasali.	—	D.S.T.	Prof. H. Junjappa.
4.	Mr. B. Das.	—	College Teacher (Part time).	Dr. M.K. Mahanti.
5.	Miss G. Dasgupta.	—	U G C	Dr. M.K. Mahanti.
6.	Mr. M. Dasgupta.	—	College Teacher (Part time)	Dr. M.K. Mahanti.
7.	Mr A. Dutt.	—	CSIR	Prof. H. Junjappa
8.	Mr. R.N. Dutta Purkayastha.	—	D.A.E.	Dr. M.K. Chaudhuri.
9.	Mr. A.K. Gupta.	—	CSIR	Dr. H. Ila.
10.	Miss D. Laloo.	ST	College Teacher (one leave from Government of Meghalaya)	Dr. M. K. Mahanti.
11.	Miss Minakshi Devi.	—	NEHU	Dr. O.K. Medhi
12.	Mr. P. Sangma.	ST	CSIR	Dr. K. Ismail.
13.	Mr. A Saxena.	—	D.A.E.	Dr. K.K. Dwivedi

**[V] Research Projects taken up by the Department
(1982-83)**

Title of Project	Funding Agency	Investigators
1. Kinetics of Oxidative cyclization of heterocyclic molecules containing amino imino and thiol functions	UGC	Dr. M.K. Mahanti Dr. M.P. Mahajan.
2. Study of the mixed alkali effect in glass-forming systems	CSIR	Dr. K.I. Ismail.
3. Charge Transfer phenomena in polymers : studies on photoelectric materials	UGC	Dr. S.N. Bhat.
4. Generation and cycloaddition reactions of nitrenes	UGC	Dr. M.P. Mahajan.

3. DEPARTMENT OF MATHEMATICS

The Department of Mathematics provides teaching and research facilities leading to M. Sc M. Phil and Ph. D degrees in Mathematics. In 1982-83, it has also started a certificate and a diploma course in Statistics.

The Department has completed the ninth year of its existence in 1983. As ever, in 1982-83 also, the department continues its efforts to fulfill its objective of imparting sound knowledge of Mathematics through teaching, discussions, guiding research, seminars etc. Efforts are directed both towards promotion fundamental research in mathematics and towards popularizing mathematics in this region by producing good and dedicated teachers in mathematics which will be clear from the data given below. This apart, the faculty members are taking active interest in orienting the existing teachers in this region towards the modern trends in Mathematics. At the same time we have not ignored the hob potential (both inside and outside academics) of certain subjects like Statistics, Operations research and Numerical Analysis and thus we have included these courses in the M. Sc. syllabus. This is precisely the reason why, inspite of serious lack of man-power, we have hurried through in starting a certificate and a diploma course in Statistics in the academic year 1982-83.

Students Intake

Degrees	Male	Female	Total	Of which	
				SC	ST
M.A./M.Sc. Semester I & II	14	6	20	—	2
M.A./M.Sc. Semester III&IV	13	3	16	—	—
M. Phil	2	1	13	—	1
Ph. D.	3	1	4	—	—

Certificate in Statistics	3	3	6	—	6
Diploma in Statistics	2	—	2	—	2

College teachers who are doing higher studies in this department for Ph. D. and M. Phil. degree :—

1. Mr. Asok Chakravarty Lecturer, Lady Keane Girls' College Shillong (set topology).
2. Mr. Nirmal Dev —do— —do—
3. M. S. Bose, Lecturer, St. Edmund's College, Shillong.
4. Mr. D. Paul Choudhury, Lecturer, St. Anthony's College, Shillong, College Teachers who participated in conducting the Diploma/Certificate Course in Statistics :—

1. Mr. S. Bhattacharjee, Lecturer, St. Anthony's College, Shillong.
2. Mr. D. R. L. Lyngkholi, Lecturer —do—
Visiting Professor during the current academic year :—

Prof. J.K. Ghosh of Indian Statistical Institute, Calcutta delivered a lecture on "Some problems in statistical inference"

Participation in Research Seminar/Symposium/Conference/Workshop :—

Dr. P. Jothilingam delivered a series of five lectures on "Serre's intersection multiplicity theorem and further consequences" at the Conference on "Commutative Algebra" held at Punjab University, Chandigarh.

Dr. S.S. Khare gave an invited one hour talk on "Group action and equivalent bordism" on the I. M. M. S. Conference held in December 1982 in Bhagalpur. He gave another one hour invited talk on "Environment bordism and characteristic numbers" in the conference on "Topology and Functional analysis" in Aligarh on January, 1983.

Research Publications

S. S. Khare :

1. "Compact Lie group actions and equivalent bordism". Proc. Amer. Math. Soc, (accepted).
2. Finite group action and equivariant bordism". Pac. J. Math. (accepted).
3. "(F.F.)—Free Bordism, and Stationary Points Set" International J. of Mathematics and Mathematical Sciences (accepted),
4. "(F.F.)—Free Bordism, characteristic numbers and Stationary Points Set" Acta Mathematica. (accepted).
5. Stationary Points set and G-bordism-Indian-J. of Pure and Applied Mathematics, Jan., 1983
6. "Reduction of equivariant bordism group". Studia Scientiarum, Mathematicarum Hungarica (accepted)

Participation in the Conference/Symposia/Workshop on the improvement of School Mathematics and Science in N. E. Region.

Dr. B. K. Dev Sharma twice participated as Director in the 15 days inservice training course for High School and Middle School teachers in Mathematics, organized by the Board of Secondary Education, Govt. of Assam, he participated as President in a session of a conference organized by Association on Improvement of Teaching Mathematics the Jadavpur, Calcutta.

He delivered a talk on the "Status of Mathematics Education in the North-Eastern Hill Region" at I. I. T Kanpur.

He presented a paper "The use of Educational Technology to improve school Mathematics and sciences" at the meeting of Educational Secretaries of the North-Eastern Hill States held in NEHU, Shillong.

Authorship/Co-authorship/Editorship of Popular Science Articles/Books :—

Dr. B.K. Dev Sharma has written two essays in a book 'Asamiya Vijnan Sahitya' published by the Assam Science Society, Gauhati. He has been the co-author and editor of a book "Instructional published by the Board of Secondary Education, Government of Assam"

The following is a list of SC/ST and general students who have been awarded M. Sc degree from our department and have assumed respectable positions in this region especially in academics.

Sl. No.	Name	Category	Present position
1.	Mr. Bulganin Nehru Lamare.	ST	Lecturer, Jowai Collge, Jowai
2.	Mr. Jogen Gohain.	General	Officer, Bank.
3.	Mr. Pranjal Rajkhowa.	—do—	Officer, Sheba Trav Is, Shillong.
4.	Mr. L. Lyngdoh.	ST	Officer, SCERT, Shillong
5.	Mrs Sipra Pa'choudhury	General.	Lecturer, Tura Govt. College, Tura.
6.	Mr Wati Sangba Ao.	ST	I. P. S. Officer
7.	Mr. Debashish Bhatta- charjee.	General	Lecturer, College of Agriculture, Medzi-phema. Nagaland.
8.	Mr. P. S. Marpna.	ST	Lecturer, Sankardev College.
9.	Mr. A. C. Sarkar.	General	Asstt. Headmaster, High School in Tripura.
10.	Mr. T. Jacob.	General	Lecturer, Deva Matha College, Kerala.
11.	Miss Y. M. Nongsiej.	ST	Lecturer, St. Mary's College, Shillong
12.	Miss Faluni Paul Choudhury.	General	Research Scholar, Maths. Deptt., NEHU.

Name	Category	Present Position
13. Mr. A. L. Naronha.	General	Principal, St. Edmund's. School, Shillong.
14. Miss J. Padma.	General	M. Phil. Students Maths. Deptt., NEHU
15. Mr. D. R. L. Lyngkhoi.	ST	Lecturer, St. Anthony's College, Shillong.
16. Mr. T. H. S. Bonney.	ST	Lecturer, Polytechnique, Shillong.
17. Miss Jaya Gupta.	General	Lecturer, St. Mary's College, Shillong.
18. Mrs. Sanchali Dam.	General	Teacher, Laban Bengali Girls' H. S., Shg.
19. Mr. J Bhattacharjee.	General	Bank Employee, State Bank of India.
20. Mr. Basil Koikara.	General	Lecturer in Don Bosco, Shillong.
21. Mr. Surajit Das.	General	Lecturer, College in Karimgang, Assam.

Self Assessment :—

As is clear from the positioning of our ex-students and the number of college teachers and students coming forward for research in Mathematics the Department has contributed its mite to the intellectual, academic and cultural advancement of the people of this region. The number of ex-students, especially S. T. students, who have taken jobs as mathematics to teachers throughout the N. E. Region clearly shows that the efforts of the department will go a long way in popularising mathematics in this region, which is a great need of the region. Thus, the department has helped in the fulfilment of the objects of the NEHU Act.

DEPARTMENT OF BOTANY

The School of Life Sciences with a thrust area in Ecology in the broadest sense and the Department of Botany with forest Biology as its main emphasis was active both in teaching and research. The Department also collaborated with the Department of Zoology in the area of fresh water Biology. Collaborative teaching upto about 50% of the total course work at the M. Sc level was maintained with Zoology and Biochemistry. Collaborative research started earlier with the Department of Sociology on jhum shifting cultivation continued during the year.

A major recognition for the research work done by Dr. Ram Boojh, one of the Ph. D research students under the supervision of Prof. P. S. Ramakrishnan was the award of the Indian National Science Academy. Young Scientist Award for 1983 for his outstanding work on "Tree Architecture in Forestry". This is the first time this recognition has come to the North-Eastern region and to forestry since award was instituted by INSA. Dr. Ram Boojh would receive a gold medal and a cash award of Rs. 5000/- from the Prime Minister of India at a special function.

A 3-day symposium on "Recent Trends in Microbial Ecology" organised by the society for Microbial Ecologists of Tropics for which Prof. R. R. Mishra was the convener-secretary was inaugurated at NEHU, Shillong by Dr. B. D. Sharma, Vice-Chancellor. The volume of abstracts containing 52 papers accepted for presentation was published. A number of faculty members and research students of the department of Botany participated in the symposium. Prof. R. R. Mishra presided over one of the sessions.

Dr. R.C. Laloo, Lecturer, joined the Cabinet of the Meghalaya Government and presently is the Minister of Education.

Eighteen students obtained the M. Sc. degree in Botany in 1983 examination. Nine students were awarded Ph. D in Botany.

The floristic collections from Tuensang and Mokokchung districts of Nagaland were added to the herbarium. A few high altitude species from Saramati peak were also added. The herbarium now has a collection of about 4000 species belonging to 800 genera and 200 families.

2. DEPARTMENT OF ZOOLOGY

The Department of Zoology was established in 1974 to provide post-graduate teaching and undertake research programmes. The Department identified Freshwater Biology as the thrust area has always used the local fauna as the experimental research material. Thus during the course of the years several branches have developed in their own areas of research and at the same time the regional relevance has always been taken care of.

The specialised areas of teaching are Development and Morphogenesis, Cytogenetics and Physiology, Fish and Fisheries and Parasitology Eocrinology, Biosystematics, Developmental Biology, Evolution, Zoogeography, Entomology, Environmental Biology and Fish Biology are taught as general courses at the departmental level; Cell Biology, Biological Chemistry, Biostatistics, Forest/Freshwater Biology and Ecology are taught as integrated courses at the school level.

The student trained so far have taken up jobs in educational institutions, Departments of Fishery, Agriculture, Sericulture and Forests. Many have taken up research studies and a number of them have gone abroad for higher studies.

Students Intake

	Male	Female	Total	of which	
				SC	ST
M. Sc. I & II Semesters	12	4	16	1	6
M. Sc. III & IV Semesters	10	8	18	—	7
M. Phil.	7	2	9	—	1
Ph. D.	14	4	18	—	6

During the period under report, 19 students passed the M. Sc. examination and the fellowship students qualified for admission to the Ph. D. Degree.

<i>Name</i>	<i>Year of submission</i>	<i>Guide</i>
1. Mr. Ajai Kumar	1980	Dr. M. K. Khare
2. Miss Manashi Das Gupta	1982	Dr. J. R. B. Alfred
3. (Bhattacharya)		
4. Mr. Mrinal Das Gupta	1982	Dr. S. A. K. Nasar
5. Mr. Sisir Kumar Shaha	1982	Dr. S. A. K. Nasar
6. Mr. Simon N. Dzuvichu	1982	Dr. J. R. B. Alfred
7. Mr. Shyama Prasad Biswas	1982	Dr. K. Chatterjee & Dr. S.A.K. Nasar
8. Mr. Ajitkumar Bhagowati	1982	Dr. B. K. Ratha
9. Mr. Nabendu Jyoti Dhar	1982	Dr. K. Chatterjee

Ph. D. students on roll as on 31st March, 1983

<i>Name</i>	<i>Area of Research</i>
1. Mr. A. K. Z. Ahmed	Ecology
2. Mr. Rashad-ul Islam	Freshwater Biology
3. Mr. A. Bhattacharya	Biochemical Taxonomy
4. Mr. B. Kharbuli	Ecophysiology
5. Mr. N. G. Goswami	Biology of Prawns
6. Mr. A. Roy	Survey & Control of Insect Pests
7. Mr. S. Chaudhury	Insect integument
8. Mr. S. N. Dutta	Cytotaxonomy
9. Miss Sati Choudhury	Reproductive Biology
10. Mr. M. Ao	Fish Ecology and Zoogeography
11. Miss C. Rodrigues	Parasitology

chemistry |
| 18. Miss R. Bhattacharya | Parasitology |

Pre-Ph. D./M. Phil. students enrolled during 1982-83

1. Mr. J. N. Verma
2. Miss A. P. Shabong
3. Mr. A. L. Paul
4. Mr. N. Saha
5. Mr. S. Prakash
6. Mr. A. Gupta
7. Mr. S. Deb
8. Mr. G. S. Das
9. Miss U. K. Jaiswal

List of on-going research projects

<i>Name</i>	<i>Agency</i>	<i>Supervisor</i>
1. Studies on the Ecology and Culture possibility of Mashseers.	Hindusthan Levers	Dr. S. A. K. Nasar
2. Cytogenetic studies on Tasar Silk Worm.	UGC	Dr. K. Chatterjee
3. Regulation of Ureogenesis in an airbreathing fish	UGC	Dr. B. K. Rath

4. Scanning Election
 Microscopic observations UGC Dr. V. Tandon
 on the surface topography
 of paramphistome flukes
 parasitizing ruminant
 hosts in Meghalaya.
5. Genetic studies on frogs UGC Dr. K. Chatterjee
 from North-East India.

Visitors

The Department received a number of eminent scientists/academicians during the period.

1. Prof. U. S. Srivastava, Allahabad University.
2. Prof. G. K. Manna, Kalyani University.
3. Dr Santosh Kumar, Bhopal University.
4. Dr Maitrayi Das, Gauhati University.
5. Prof. S. R. V. Rao, Delhi University.
6. Dr T. C. Deka, Gauhati University.
7. Prof. Jagdis Bahadur, Dean, Jiwaji University, Gwalior.
8. Dr. T. Bhattacharya, Post-Graduate Centre, C. U. Agartala.
9. Late Prof. D. I. Sunderaj, Delhi University.
10. Dr. Mrs. Raj Baweja, Professor & Head of Geneacology Medl. College, Allahabad.

Participation in Conference/Symposium/Seminar

1. Dr M. K. Khare participated in International Conference on the teaching and research in Developmental Biology in Afro-Asian countries organised by Indian Society of Developmental Biologists at Pune during November, 1982 and presented three papers.
2. Dr. B. K. Sharma presented a research paper at the 3rd International Rotifer Symposium during August-September, 1982 at Uppsala University, Sweden. He also participated in a workshop organised during the Rotifer Symposium.

Award of honour/distinction/membership of learned societies

Dr S. A. K. Nasar has been declared Fellow of the Academy of Environmental Biology and Indian Association of Pollution Chemists and Biologists. He has also been nominated as a member of the Network of Tropical Fisheries Scientists which has its headquarters in Philippines. He was awarded a Research Associateship of CSIR to work on 'Flood-Plain Ecology' with Prof. J. S Dutta Munshi at Bhagalpur University. Shri H. C. Sharatchandra has been nominated by the Meghalaya Government as member of the Greater Shillong Environmental Committee.

Special Training

1. Dr B. K. Sharma attended intensive course in Water Chemistry at Limnological Institute, Uppsala University, Sweden during September, 1982. He is currently undergoing the International Post-Graduate Training Course in Limnology in Austria (February-October, 1983).

3. DEPARTMENT OF BIO - CHEMISTRY

Biochemistry constitutes a very important component of Biological Sciences. For proper and full understanding of biological systems, it is necessary to have information about the biochemical processes involved at the molecular level. The Departments of Botany and Zoology were the only Departments in the School of Life Sciences until 1980. Realising the importance of Biochemistry for achieving the objectives of the School, the UGC Visiting Committee for the Fifth Plan recommended opening of the Department of Biochemistry in the School of Life Sciences. The fact that there was no institution in the whole of North-East India which offers post-graduate course in Biochemistry added to the need for opening of the Department. Hence, the Department was established in 1980.

Besides pursuing its own research programmes, keeping in view the regional needs such as nutritional studies, biochemical aspects of diseases, biochemical adaptation, etc, the Department will be instrumental in supplementing the research programme of its sister Departments. As it took sometime to set up the infrastructure required for teaching and research, the first batch of M. Sc. students could be admitted only in this academic session. Due to constraints in terms of space and laboratory facilities, only seven students could be admitted to the M. Sc. course. In collaboration with the other two Departments in the School, the Department offers the M. Phil course to a limited number of students. The Department runs Ph.D. programmes as well. The Department also helped one of the affiliated colleges in teaching some of its under-graduate courses.

Students Intake

M.Sc	Male	Female	Total	SC	ST
Semester-I	4	3	7	—	3
M.Phil	1	0	1	—	—
Ph.D.	1	1	2	—	—

The following are the names of research scholars in the Department

Name	Research Topic
1. P.K. Prabhakaran	: Multiple hemoglobins in two air breathing fishes : <i>H. fossils</i> and <i>C. b. trachus</i> : Structural and functional aspects.
2. R.C. Paul	: Studies on Biochemical aspects of environmental and other toxic agents.
3. Rishi Das	: Hemoglobin polymorphism in chironomus Sp.

Dr. R. Lalthantluanga, Head of the Department attended the workshop on "Strategies of Biochemical Education" organised by the International Union of Biochemistry in Perth, Australia from August 12-14, 1982. He also attended the 11th International Congress of Perth from August 15-21, 1982 and presented a paper.

Dr R' Lalthantluanga collaborated with the Max-Planck Institute of Biochemistry, Martinsried (Munich) on "The Molecular Biology of Hemoglobins" and visited the Institute from December, 1982, to February, 1983.

Prof. (Mrs) S. Gujaral, Department of Food and Nutrition, M.S. University of Baroda spent three weeks in the Department from May 23 to June, 11, 1983 and delivered a series of lectures on Food and Nutrition to M. Sc. students. She also delivered two popular lectures: "Nutritional deficiency diseases" on 1 June, 1983 and "Assessment of Nutritional Status" on 7 June, 1983.

Prof. N. Appaji Rao, Department of Biochemistry Indian Institute of Science Bangalore delivered a popular lecture on "Screening of new-born babies for disorders of amino acid metabolism leading to mental retardation" on 7 September, 1982.

Publications

1. M. Yahiya Khan & A. Salahuddin : "*A cyanogen bromide fragment of bovine serum albumin : Properties and its unfolding*" in proceedings of the 51st Annual Meeting of S B C , November 16-20, 1982.
- 2/ M. Yahiya Khan & A. Salahuddin : "*A possible relation between the salting out behaviour of proteins and their surface hydrophobicity*" in Ind. J. Biochemistry, Biochemistry, Biophysics, 20, 127-131 (1983)

3. R. Lalthantlugnga k : "*Comparative studies on the structural, functional aspects of animal hemoglobins*" presented at the 12th I. U.B. Congress, Perth, Australia August, 1982
4. R. Lalthantluang & C. Braunitzer : "*Complete amino acid sequences of the I & II chains of yak.*"

1. CENTRE FOR ADULT & CONTINUING EDUCATION

The Centre for Adult and Continuing Education of the North-Eastern Hill University was set up in 1974 in response to the rising need and demand for out of school education in the country in general and the region in particular. The main focus of the Centre's programmes have been on updating and enriching the intellectual, technical and functional skills of the individual and organisation in every part of the local and wider community through in-service and pre-service programmes, short term and long-term programmes, seminars and workshops. The Centre's work in the initial stages has been exploratory and innovative. Planning of programmes/courses is done both individually and collectively, inter-disciplinary, inter-departmental and inter-collaborative with other organisations.

Apart from short duration courses/programmes, the Centre has launched on two long-term programmes, which have already started functioning.

1. Placement service for graduate students/Alumni

In order to provide a liaison between the graduating agency and the labour market a service has been worked out to assist graduates of NEHU to avail of job opportunities within and outside the north-eastern region. The service envisages to assist such prospective candidates, in any employment institutions wherever their qualifications fit in.

Open University Scheme of Lectures

The Centre's objective is to provide education also to those who cannot enter the portals of the University due

to nonavailability of time or age. In a small way a scheme of lectures through All India Radio has been already inaugurated on the Tenth Anniversary of the University.

Certificate course in Library Science

In answer to an inevitable demand for semi-trained Librarian, 4-month certificate course in Library Science was started. The trainees of such courses have been placed suitably in Libraries. About 30-35 candidates were admitted. The course started on the 16th August, 1983.

2. CENTRE FOR CREATIVE ARTS

The Centre has been surveying the feasibility of introducing M. A. Creative Arts in a planned phase, and the scheme will materialise as and when a proper syllabus to that effect is suitably framed.

Highlight of the Activities of the Centre

The Centre during the year under review conducted important co-curricular and cultural programmes for the postgraduate students.

The first programme was the *Music Competition* for the post-graduate students which was held on 30 September, 1982. The programme was very much welcome and a number of students participated in Vocal and Instrumental, Group and Individual performances.

Folk Dance

The second programme was the Folk Dance held on 16 October, 1982. This was intended to channelise the different Folk Arts of this region through our student participants, in which five Folk Dances were presented and which have considerably helped the University community and audience alike to enhance their interest in this colourful performance. Besides, one, dance drama, was also performed.

Debate Competition

A debate was held on 25 November, 1982 in which a number of students participated on the Motion : *In the opinion of the house, Economic reconstruction will be the final solution to the problem of the people of North-East India.*

Cultural Show

The Centre also organised a Cultural Show on 30 November 1982, specially intended to focus the importance of cultural heritage against the academic setting.

Publication

The publications of the Centre improved instruction in Khasi has been circulated for sale.

A book entitled "*Art Education and Its Relevance in India's North-East*" has been edited. It has therefore, been processed for publication through the University Publication Cell.

The second edition (revised and enlarged) of the "*History and Culture of the Khasi people*"- Doctorate dissertation the *spectrum publication*, 1983-84 is coming out very soon

Another book entitled *Biography of U Tirot Singh* by the Reader-Incharge under the series *Makers of Modern India* is now under printing. The book has been sponsored by the Publication Divisions, Ministry of Information & Broadcasting, Now Delhi and will be released in December.

Seminars Workshops

The Reader Incharge attended a one month Film Appreciation course at the Film and Television Institute, Pune in June-July, 1982 under the scheme sponsored by the UGC to benefit University teachers in educational film making. He also delivered a lecture and presented a film show on the cultural heritage of the people of Meghalaya at Pune University on 17th July, 1982.

The Centre also collaborated with the Dean, Students' Welfare in other activities of Inter-College programmes.

VIII LIBRARY DEPARTMENT

The NEHU Library system consisting of a Central Library, 5 Departmental Libraries, 2 Campus Libraries and 2 Constituent College Libraries made steady progress during the period under review. The system took up several measures to improve the efficiency of the services. The following are the major achievements :

Decentralisation of Acquisition

Observing that the centralisation of acquisition was resulting in unnecessary delay, a policy was evolved by which acquisition of books was decentralised to the level of Campus Libraries and Constituent Colleges. This policy has started to play its role in the strengthening of the collections of Campus Libraries and Constituent Colleges.

Standing Library Committee

The scope of the Standing Committee was extended so as to have sub-committees at Campus and Constituent College level and to include representatives from sub-committees in the Standing Library Committee.

Transfer of books available in multiple copies in the Central Library to other Campuses on permanent basis

During the year the Library with the help of teachers sorted out books found in multiple copies and transferred some copies to Campus Libraries. This has not only helped to solve the immediate problem of space at the Central Library but also contributed a lot to the strengthening of the collections at Campus level.

Acquisition of books

About 5,166 new books were added to the Library. These include text books, books on North-East and new books on different subjects.

Government Publications

As part of keeping the Library Collection upto-date with data and Government Reports, the Library continued receiving Government Publications on gratis. About 500 such publications were received.

Introduction of Identity Card System

As the Library was facing a number of problems due to the practice of transfer of Cards by students and research scholars, Identity Card System was introduced for the circulation system and gate check. This has resulted in prevention and control of such malpractices.

Course Book Section

When it was found that text books are being pilfered, the Library created a Course Book Section where all prescribed text and other important books are kept in close access. Books from this Section marked 'CB' have to be returned within a week. This has greatly improved proper circulation of books amongst all students and helped in preventing pilferage of text books.

Index List of text books

Lists compiled according subjects were brought out with the purpose to provide new students with ready information about text and important reference books available in the Library.

Reprographic Services

A Plain Paper Copier was added this year which has further improved the services.

Bindery Section

During the year the Section was furnished with following equipment :

Board cutting machine

Paper cutting machine

Hand Press

Miscellaneous items such as stone slab.

Hammer, etc.

Library Publication

The Following bibliographies were brought out during the year :

Dissertations on North-East India Area Bibliography

Work is in progress on an ICSSR project on Area Bibliography for the North-Eastern Region.

Staff sent for higher studies

During the year the following staff were sent for higher training :

Shri P.K. Mitra attended one year course in M. Lib. Sc. at Banaras Hindu University.

Statistics

Total collection	1981-82	1982-83
	98,941	1,04,107 *
Periodicals subscribed	961	1,3.5
Number of books added	3,378	5,166 *
Number of members enrolled	1,745	1,800
Number of books issued per day	385	420

*This does not include the volumes added by constituent colleges and campuses after implementation of the policy of decentralisation of acquisition.

IX. COLLEGE DEVELOPMENT COUNCIL

The UGC has extended the term of its assistance to the College Development Council upto the end of the Sixth Five Year Plan period.

In February 1983, a workshop on the General Foundation Course was held in Shillong in which two teachers from each affiliated college attended. Books on the Foundation Course and also Model Question papers had been published by the University and despatched to the Colleges.

After a series of discussions with the Principals of the affiliated colleges and the representatives of the State Governments of Meghalaya, Nagaland and the Union Territory of Mizoram, the University has finally decided to change the academic calendar with effect from 1984.

The North-Eastern Hill University has adopted the Ordinance of the Gauhati University in matters relating to the granting of affiliations to colleges. The Ordinance has been amended with a view to suit the particular conditions prevailing in the hill areas under NEHU's jurisdiction. During the year there were no new colleges being affiliated. Kolasib college was upgraded to degree level in the 1982-83 session.

The performances of some the affiliated colleges are included in this report, However reports from some colleges have not been received. Maintenance of students discipline in the colleges have been very good during the year.

SHORT REPORT OF THE COLLEGES

Meghalaya Colleges

1. St Anthony's College

St Anthony's College was established in the year 1934, when the Salesians of Don-Bosco felt that Shillong needs a college to cater to the needs of the local population especially the tribals of the state who had no opportunity to attend higher studies outside the state. The opening of the college was a great contribution to the cause of educational upliftment to the tribal community by the Salesians of Don Bosco. Today it has grown tremendously. It has about 200 students on rolls in all faculties of Arts, Science, and Commerce and became a society by itself but it has not changed its attitude towards the tribals of the State. It gives them top most priority in admission and in teaching. The college has recently opened up a new department of Pisciculture of Biological Sciences. Besides the shifting of the college to a new campus has given a positive educational atmosphere. It is hoped that this will go a long way to make St. Anthony's College live up to its motto "Ever More and Better Ever."

Courses/Subjects taught in 1982-83 Session

Pre-University (Arts), English, History, Economic, Political Science, Logic, Mathematics, Statistics, M. I. L. Assamese, Bengali, Khasi, Hindi, Mizo, Nepali, Alt. English.

Pre-University (Science), English, Mathematics Physics, Chemistry, Biology Statistics, Additional Mathematics, M I. L., as in P. U. (Arts). Degree Course (Arts) English, History, Economics, Pol. Science, Philosophy, Mathematics, Statistics, Foundation Course, M. I. L. as in P. U. (Arts).

Degree Course (Science) English Mathematics, Physics, Chemistry, Botany, Zoology, Statistics, Economics, Foundation Course.

Degree Course (Commerce) English, Accountancy, Statistics, Geography, Economics, Business Organisation, Optional Banking Adv, Accy., Auditing, M. I. L. as in P. U. (Arts).

Financial Assistance :

Basic Assistance (UGC) Rs. 18,000/- (Rupees Eighteen thousand) only vide letter No. F. 10-2/82 (E2) date 18-6-1982.

Conference/Seminars attended by the teacher outside the college.

Teachers and students of the college attend conferences and seminars organised by the NEHU, NEC, State Government and other agencies. Most of them attend in their individual capacity as member of committees of these agencies.

2. St. Edmund's College :

St. Edmund's College of the Christian Brothers a Registered Charitable Society was founded by Sir Archdale Earle, Chief Commissioner of Assam, in 1916. Situated in spacious grounds it gives an ideal environment for student life. The object of this institution is to train youngmen in the habits of discipline, inspire them for religious tolerance and to prepare them for their future career. For some years, the College confined its attention to the Cambridge and Higher Level Examinations. As early as 1924, the College Authorities responding to public demand, introduced Intermediate classes in Arts and Science and affiliation was granted by Calcutta University in the same year. St. Edmund's College was thus the first Institution in the capital of Assam to offer College Education to students residing in Shillong, "the Queen of Hill Stations".

In 1936 B. A. and B.T. classes were opened and in 1959 B. Sc. classes upto Honours standard were started.

Courses/Subjects Taught In 1982-83 Session

Pre-University (Arts), English, Khasi, Assamese, Bengali, Mizo, Hindi, Geography, History, Political Science, Economics, Mathematics. Pre-University (Science) English, Khasi Assamese, Bengali, Mizo, Hindi, Geography, Chemistry, Physics, Mathematics, Biology, Botany. Degree Course (Arts) English, Elective English, History, Economic, Political Science, Geography, Khasi, Assamese, Bengali, Mizo, Hindi, and Foundation Course.

Names of teachers doing research for M. Phil/Ph. D. during the year

Mr. M. L. Purkayastha, Bro. M. R. Beddoe, Mrs. C. Wahlang. Students discipline in the college was good.

The students Union and its various committees play an important role in the life of the college. The games and sports committee organises Athletics, Football, Hockey, Tennis, Cricket, Basketball and Badminton competitions, as well as a variety of indoor games. The Debating Society holds regular College debates throughout the year. The students take an active part in the N. C. C. and in the National Service Scheme (NSS).

3. Synod College :

(ourses/Subjects Taught n 1982-83 Session.

Pre-University (Arts) English, Economics, Education, History, Pol. Science, Hindi (NIL) Khasi, Nepali and Second Languages, (Hindi & Khasi) and Foundation Course in lieu of M. I. L.

Before the introduction of the Three Year Degree Course the college had Honours in English, Economics, Education, Pol. Science and Khasi i. e. in the two-year (Honours) Degree Course. It may perhaps be taken as having ended with the 1983 batch of students appearing in the coming examination.

Particulars of Financial Assistance Received From U. G. C.

1. U. G. C.'s letter No. F. 10-1075 (E.2) dated 5.4.1982
Rs. 10,000/-
2. U. G. C.'s letter No. F. 10-1/75 (E.2) dated 28.5.1982
Rs. 20,000/-
for construction of college building

Names of Teachers Doing Research For PH. D.

1. Mr. M. Dutt, Lecturer in English
2. Mr. A Basaiawmoit, Lecturer in Khasi
3. Mr. D. K. Das, Lecturer in Economics
4. Mr. A. Kharkonger, Lecturer in History
5. Mr. R. Dubey, Lecturer in Hindi.

The College team participated in the Bhuwan Memorial Basketball Tournament for Boys which was staged at Shillong and lifted the Trophy. In the Inter-College Football Championship conducted by the North-Eastern Hill University, the College team emerged as the best team and won the trophy.

4. Lady Keane Giri's College :

Lady Keane Girls' College was established in 1935. The College was named after the wife of the then Governor of Assam Sir Michael Keane in recognition of the valuable services rendered by her to the college since through her contribution the land where the College stands now was procured from the Department of Defence, Govt. of India. The college was affiliated to the North-Eastern Hill University in 1973 with the following courses and subjects.

Courses/Subjects Taught in 1982-83 Session

P. U. (Arts) English, Khasi, Bengali, Mizo, Assamese, Nepali, Alt. English, Second Language (Khasi, Bengali, Hindi) Pol. Science, Education, Logic, Sanskrit and History.

P. U. C. (Science) English, Khasi, Bengali, Assamese, Mizo, Nepali, Hindi, Physics, Chemistry, Biology, Mathematics and Additional Mathematics.

Degree Courses (Pass) English, Khasi, Bengali, Assamese, Nepali, Mizo, Hindi Alt. English, Second Language (Khasi, Bengali Assamese & Hindi) Economics, Philosophy, History, Political Science, Education, Sanskrit and Mathematics.

Degree Course (Honours) English, Khasi Assamese Bengali, Economics, History, Philosophy, Pol. Science, Education, Sanskrit and Mathematics.

Degree Course Science B. Sc. (Pass): English, Physics, Chemistry, Botany, Zoology and Mathematics. B. Sc. (Honours) Physics, Chemistry, Botany, Zoology and Mathematics.

Conference/Seminars Etc. Organised in the College or attended by the teachers outside the College:

The College organised a National Integration Camp on the Educational use of puppetry from 15th to 31st December, 1982 in collaboration with the NCERT, New Delhi.

Nearly 100 teachers from all over India attended the Camp. Among the distinguished guests who visited the camp and spoke at different functions were Mr. Maham Singh, Minister for Civil Supplies, Govt. of Meghalaya, Dr. B. Pakem, Minister of Education and Dr. B. D. Sharma, Vice-Chancellor North-Eastern Hill University. The Camp was a grand success.

Prof. S. Bhattacharyya, Head of the Department of History attended and participated in a workshop for the Under-graduate syllabus in History organised by North-Eastern Hill University in 1982.

Names of teachers doing research for M. Phil Ph.D. during the year :

- | | |
|---------------------|-----------------------------|
| 1. Mrs. Lekha Ghosh | 7. Mr. K.C. Lal
zarliana |
| 2. Mrs. T. R. Kar | 8. Mr. N.C. Dev |
| 3. Mrs. P.Lyngdoh | 9. Mr. N.J. Dev |
| 4. Mr. K.S. Singh | 10. Mrs. P. Choudh-
ury |
| 5. Mr. T.S. Sen | 11. Mr. S.
Bhattacharyya |
| 6. Mrs. T.K. Bamon | 12. Mr. P.V. Rao |

5. Nongstoin College, Nongstoin

Courses/Subjects Taught in 1982-83 Session

In 1982-83 session, the college had Pre-University classes in Arts only, the following subjects were taught in the college: English, Khasi, Political Science, Economics, Education, History and Alternative English.

Particulars of Financial Assistance Received from the U.G.C. in 1982-1983.

The College received no financial assistance from the U.G.C. during the session 1982-83. However, the following grants have been received from the Government of Meghalaya during the Session 1982-83.

- i) Maintenance grant
- ii) Library
- iii) Extra-curricular grant
- iv) Book grants.

Conference/Seminars attended by the Teachers outside the College.

The College deputed Mr. S. Thish, Lecturer in History to attend the third Annual Session of the North-East India History Assoc. held in December 1982 at Imphal. He presented paper on "The Practice of Head hunting among Hmar Tribe."

6. Tura Government College

Courses/Subjects Taught in 1982-83 Session

P.U.C. (Arts), English, Alt. English, MIL (Assamese, Garo, Bengali), Economics, History, Political-Sciences; Logic, Education, Book-Keeping and Charter Account, Geography, Mathematics and Garo (Second Language).

P.U.C. (Science), Physics, Chemistry, Biology, Mathematics, Geography.

Degree Course (Arts) English (pass and honours), Economic (pass & honours), History (pass & honours), Philosophy (pass & honours), Education (pass).

Degree Course (Science), Physics, Chemistry, Botany, Zoology and Matematics.

Names of teachers doing research for M. Phil/Ph.D. during the year

1. Mrs. Sati Choudhury, Lecturer in Philosophy, is doing M. Phil in North-Eastern Hill University, Shillong.
2. Mrs. Dipty Moyee Das, Lecturer in Zoology is doing M. Phil. in North-Eastern Hill University, Shillong.
3. Mrs. Elna G. Momin, Lecturer in History is doing M. Phil in North-Eastern Hill University, Shillong.

7. Union Christian College :

Courses/Subjects taught in 1982-83 session

English, Elective English, Foundation Course, Alternative English, Assamese, Khasi, Mizo, Political Science, Economics, History, Geography, Philosophy and Logic.

Names of teachers doing research for M Phil/Ph.D. during the Year.

1. Miss A. Ingty, M.Phil at Madras.
2. Mr. R.N. Mohasary has registered for Ph.D (History) in NEHU
3. Mr. S.P. Roy has registered for Ph.D (Philosophy) in Gauhati University.

8. Post-Graduate Training College

COURSES/SUBJECTS TAUGHT IN 1982-83 SESSION

Course I. Teachers and Society. Course II. Educational Psychology Course III, Educational Technology Course IV, Problems of Education in North-Eastern Region. Course V, Study of School System. Course VI, Special Courses.

- (a) Adult and non-formal Education
- (b) Population Education
- (c) Education and Rural Development
- (d) Special Education for the fited and backward
- (e) Educational Guidance

Courses VII & VIII-Teaching Specialisation

- (a) Life Science
- (b) Physical Sciences
- (c) Social Sciences (i) History (ii) Geography (iii) Social Studies.
- (d) Mathematics
- (e) English
- (f) Indian Languages
- (i) Assamese (ii) Bengali (iii) Hindi (iv) Khasi.

Nagaland College

9. College of Agriculture, Medziphema

The College of Agriculture, a constituent College of North-Eastern Hill University, situated at Medziphema in the foot hills of Pauna Range of Kohima (Nagaland) was established on October 20, 1978. It is the first professional institution in North-East region which offers courses leading to the P.U. (Agri.) and the B.Sc. (Agri) integrated programme.

ALLOCATION OF SEATS DURING THE YEAR

Nagaland	—	20
Meghalaya	—	15
Manipur	—	1
Tripura	—	1
Arunachal Pradesh	—	5
Mizoram	—	10
Open	—	4
University quota	—	6
Total		62

Total students on rolls were 262, out of this there were 40 girls students on roll in the college.

The batch of 62 students for two years P.U. (Agri.) Course has been admitted in 1982-83. session.

The College produced the first batch of graduates in agriculture during the year.

The College at present has the following departments :-

<i>Name of the Departments</i>	<i>Discipline</i>
1. Agriculture Botany	Botany including Genetics and plant Breeding.
2. Zoology & Entomology	Zoology and Engomology.
3. Agril. Chemistry & Soil Science	Chemistry, Soil Science and Bio-Chemistry.
4. Agronomy	Agronomy and Meteorology.
5. Plant Pathology	Plant Pathology, Microbiology and Mycology.
6. Horticulture	Olericulture, Pomology, Floriculture and Food Technology.
7. Agril. Economics	Farm Management and Agril. Economics.

- | | |
|-------------------------------|---|
| 8. Extension Education | Rural Sociology, Mass Communication, Extension and English. |
| 9. Agril. Engineering | Agril. Engineering and Physics. |
| 10. Animal Science & Dairying | Poultry, Animal Husbandry, Veterinary Medicine & Public Health. |

Courses Programme & Courses taught during 1982-83.

The College adopts a teaching pattern of semester system. Each Academic year is divided into 2 semesters, each semester comprising approximately of 18 weeks. Major emphasis is laid on practical training in the field of agriculture in hill region and practical crop production. The emphasis is also laid on the concepts of "learn by doing" "and earn while you learn."

I. 1st year B. Sc. (Agri.)

1st Semester

1. English - I (Grammar)
2. Physics - I (General Physics)
3. Mathematics- I (Algebra)
4. Chemistry - (Physical Chemistry).

IInd Semester

1. English - II
2. Mathematices- II
3. Zoology - II
4. Chemistry - II
5. Physics - II

IIInd year B. Sc. (Agri).*IIIrd Semester*

1. Organic Chemistry
2. Physics - II
3. Introduction to Indian Agriculture & Principles of crop production.
4. Coordinated geometry
5. Introduction to Rural Sociology
6. Introduction to Agril. Economics.

IV Semester

1. Crop Production
2. Introductory Soil Sciences
3. Introductory Entomology
4. Introduction to Plant Physiology
5. Principles of Mycology & Plant Pathology.

IIIrd Year B. Sc. (Agril.)*Vth Semester.*

1. Crop Production - II
2. Principles of Mycology & Plant Pathology
3. Soil Physics
4. Introduction to Microbiology
5. Economic Entomology
6. Introductory Horticulture
7. Agril. Engineering, surveying and drawing.

VIth Semester

1. Diseases of field crops
2. Practical crop production
3. Principles of Pest Control
4. Soil survey and pedology
5. Fundamental vegetable growing.

VIIth Semester

1. Introductory of Biochemistry
2. Livestock production & Management

3. Principles of Plant disease control
4. Soil survey and pedology
5. Fundamentals of fruit crops
6. Soil and Water Conservation Engineering
7. Farm Management.

VIIth Semester

1. Poultry Production
2. Animal Nutrition
3. Crop Production-II
4. Principles of weed control
5. Spices & Plantation crops
6. Introduction to statistical methods.

Vth Year B. Sc. Agri

IXth Semester

1. Farm power machinery & Electrification processing.
2. Livestock management and poultry disease
3. Poultry Production
4. Spices and Plantation crops
5. Principles of Weed control
6. National Banks and agricultural credit system
7. Communication & Audio visual aids.

Xth Semester : Electives

1. Plant Protection
 - a) Entomology
 - b) Plant Pathology
 - c) Agril Botany
2. Soil & Water Management
 - a) Soils
 - b) Agronomy
 - c) Horticulture

3. Rural Development Planning & Extension
 - a) Extension
 - b) Economics
4. Tree culture & Pomology
 - a) Horticulture
 - b) Entomology
 - c) Plant Pathology

Introduction of 10+2+4 system in the College

The College has already switched over 10+2+4 system of education which was decided by the University. Students for +2 P. U. (Agri.) courses had been admitted in 1982-83 session.

College status change to School

The status of the College of Agriculture has been raised to the School of Agricultural Sciences and Rural Development in order to bring it at par with other Schools of the University.

Establishment of Centre for Rural Development.

The development in science and technology hardly finds an outlet to the rural masses as a result the technology has by and large continued to be traditional especially in the North-Eastern Hill Region.

The planning machinery that works from the above, has not been able to involve the masses, and the social education is yet to make sufficient headway in evoking response. In operating the development schemes and inducing new technologies it is necessary to gain the confidence of the people and make them leaders of their own progress. An understanding of the tribal concept of development and the society that often stand in the way, is essential.

The main object of the centre shall be to train personnel to mobilize the village block for the purpose of Rural Development to serve as an operative agency.

Introduction of non-traditional course

The College has started non-traditional courses in general arts and science streams. In the first phase it has been taken up by the Patkai Christian College, where a full-fledged course in horticulture has been started.

Name of symposium/meeting/ workshop	Name of participant

- Gupta R. C. 1982 : *"Cuccinatedehydrogenase and anticonvulsant activity in new thiobarburetes"*. Eup. J. Med. Chem.

The following research programmes are conducted in the college.

- a) Seasonal survey of the soil inhabiting entomofauna of rice, maize and sugarcane in relation to various climatic factors in Nagaland.
- b) Study of Tuli, Nagaland, a paper mill town, as an ecological system.
- c) Study of the population trends in the North-Eastern regions.
- d) Collection of secondary and primary data of rural areas and formulation of methodology to prepare the literature of Rural Development for IRDP.

e) Collection of germ plasm of crop plants, Vegetables and medicinal plants from Nagaland.

Extension programmes :

The faculty members are also engaged in the following activities :-

1. Technical assistance provided for running a broiler project to the local unit of 16 Assam Rifles.
2. Technical advice for development of a fruit orchard at Armay supply crops, Ragpahar.
3. Assisting ICAR Research Complex for North-Eastern Hill Region, Centre Jharnapani, Nagaland in conducting various training programme of K. V. K. and T.T.C.
4. Assisting All India Radio, Kohima by giving radio talks.

Name of teachers doing research for M. Phil/Ph. D. during the year.

| 6. Mr. A.K. Handique | : | Gauhati University, Gauhati. |

10. Zunheboto College

The Zunheboto College a new College in Nagaland has completed 3 (three) academic sessions in 1982-83.

The College started its first evening session in the Government High School at Zunbehoto in 1980-81. Classes were run between 3.00 p.m. to 8.00 p.m. The College was shifted to the present campus in the 1981-82 session and classes are running in the day shift. Since the College is situated 4 Km. away from the town, the Nagaland State Transport provided transport service to both teachers and students.

Extension of College Campus/Buildings

Besides the 3 (three) existing buildings which were donated by the S.B.A.K. (the Sema Baptist Association), the college has now 2 (two) more staff quarters which were about Rs. 40,000/- from the college Fund. The College Football ground has also been completed at the end of 1982-83 session. The work of the playground has been carried out by the army personnel of the Mountain Division.

Courses of Studies

Pre-University (Arts) - English, Alt. English, Economics, Pol.Science, History and Geography.

Degree Course (Arts) - English, General Foundation Course, Elective English, Economics, Pol. Science, History and Geography.

EXTRA CURRICULAR ACTIVITIES

Students of the College are taking keen interest in the field of Sports and Games. The college teams participated in the district sports meets as well as in the Inter-Collegiate Sports meets organised by NEHU. Other literary pursuits like debates, extempore speeches and music competitions are also encouraged in the college.

FINANCE : The College depends for its income mainly on the voluntary donations and contributions. It has received Grant-in-aid from the Government of Nagaland from the Session 1981-82. It received Rs.65,000/- as Grant-in-aid from the Session 1982-83. The College has not received any financial assistance from the U.G.C. till 1983.

11. Patkai Christian College

: Courses/Subjects taught in 1982-83 Session.

P.U.C. (Arts) English, Political Science, Economics, History, Education, Logic, Philosophy and Horticulture.

Degree Course (Arts) : English, Alt. English, Foundation Course, Pol.Science, Economics, History, Education, Logic, Philosophy & Horticulture

Conference/Seminars etc. organized in the College or attended by the teachers outside the college.

Refreshers' Courses for the departments of Economics were organized in the College Foundation Course of North-Eastern Hill University.

Names of Teachers doing research for M. Phil/Ph.D. during the year.

1. Mr. N.V. George is doing research for Ph.D.

2. Mr. C.D. Koshy is doing research for M Phil.

Any other achievement of the College during the session : College Farm Development project in Poultry, Fishery (fish hatchery) Piggery, orchard has been developed in the college campus.

Nagaland College Education

Course/Subject taught in 1982-83 session

B. Ed Course :

1. Course - I Teacher and Society
2. Course - II Educational Psychology
3. Course - III Educational Technology
4. Course - IV Problem & Education in the North-Eastern Region.
5. Study of School System.
6. Course - VI
 - a. Adult & non-formal Education
 - b. Population Education
 - c. Educational & Rural Development.

- d. Special Education for the gifted and the backward.
- e. Educational guidance.
- 7. Course VII & VIII - Teaching Specialization (any two),
 - a. Life Science
 - b. Physical Sciences
 - c. Social Science (i) History) (ii) Geography
 - d. Home Sciences.
 - e. Mathematics
 - f. English
 - g. Indian Languages (taught at the Secondary/High School) in the area. Under-graduate teachers training course :

Under-graduate teachers training course is a non-university course conducted for the benefit of those teachers who have passed P.U./Matriculate.

13. Champha College, Champhai.

Courses/Subjects taught in 1982-83.

P.U.C (Arts) : English, Mizo, History, Economics, Pol. Science, Education and Geography.

D:gree Course (Arts) : Same subjects as above.

Name of Teachers doing Research for M.Phil during the year 1982-83.

Mr. F. Lalhmingoanga and Mr.Lalnunmawia are doing research for M.Phil.

The College caters to higher education for the rural poor. Most of the students of this College work in paddy field during the day. Some are employed in the construction work of the college building. In the evening they attended classes in the College. This is the greatest achievement of the College.

14. Hnahthial College, Hnahthial.

Subjects taught in 1982-83 Session :

English Mizo (MIL), (Elective), Political Science, Edu-

cation, Economics and History.

Conference/Seminars/Workshops attended by teachers outside the College.

a. Two lecturers attended the Workshop in General Foundation Course held in Shillong in February, 1983.

B. One lecturer attended the Workshop for College Teachers in Mizo at Aizawl from March 11-22, 1982.

15. Mizoram Institute of Education :

Courses/Subjects taught in 1982-83 session are :-

i) Teacher and Society, ii) Educational Psychology ; iii) Education in the N.E.Region. iv) Study of School system, v) (a) Adult and non-formal Education (b) Education and Development. (vi & Vii).

(a) Physical Science (b) History (c) Mathematics
(d) English (e) Geography (f) Home Science and
(g) Mizo.

16. Luangtlai College :

a. Courses taught-P.U. Classes only.

b. Principal Conference (Fourth) at Shillong on February 1983 was attended by the Principal.

c. Foundation Courses starting from 4th Feb. '83 was attended by the Principal and one Lecturer.

d. Workshop for lecturers in Mizo at Aizawl from March 11-22, 1983 was attended by one lecturer.

e. A lecturer attended the 4th Refresher Course in Economics at Aizawl in September 1983.

17. Saiha College :

Courses/Subjects taught ; English, Alt. English, Mizo (MIL), Economics, Pol. Science, History and Education.

Seminars organized by Mizo (MIL), Economics and History Departments of NEHU were attended by 3 (three) lecturers at Aizawl and Shillong. The Programme Officers

(NSS) attended the Programme Officers' (NSS) conference at Aizawl. The Principal also attended Principals' Conference held at Shillong in February, 1983.

The Government of Mizoram sanctioned the following grants-in-aids during the year 1982-83

1. Recurring Grants-in-aids for general maintenance for the salary of Teaching Staff on basic pay and non-fourth allowance basis. Other grants for furniture, library and building were also renewed. Donations from individuals were also received.

The College organized National Service Scheme Camp at Pangrang village with the help of North-Eastern Hill University. Fifty (50) students and 3 (three) Lecturers with a large number of local people attended the camp.

1. Paper I Principles & Problem of Elementary Education
2. Paper II Child behaviour.
3. Paper III Content & Methodology of teaching English
4. Paper IV Content cum methodology of teaching social studies
5. Paper V Content cum methodology of teaching mathematics.
6. Paper VI Content cum methodology of teaching general Science.

The name of the teacher doing research for M. Phil/Ph. D. during the year.

1. Mr. R. N. Bhattacharjee, Lecturer has submitted his final Ph. D. work to Gauhati University, Assam.
- Any other achievement of the College during the session :

The College has undertaken the task of evaluating the Text Books for primary and Secondary Education in the State.

Mizoram Colleges :

1. Zirtiri Women's College, Aiawl :

Courses/Subjects taught during 1982-83 Session.

P. U. C. (Arts); English, MIL (Mizo), History, Economics, Education Political Science, Home Science.

- a) The Principal attended the Principals' conference held in Shillong from February 4-7, 1983.
- b) Work-shop on Foundation Courses was attended by two members of staff from February 5 to 11, 1983.
- c) Freshers' Social cum-Foundation Day celebration was held on Friday the 20th of August, 1982. The Minister I/c of Education was the Chief Guest.
- d) The Teachers' Day was celebrated on the 8th September, 1983.
- e) The Nursing Superintendent gave a lecture on health to the staff and the students on October 8, 1982.

Pachhunga University/College

Courses/Subjects taught in 1982-83 session.

English, Mizo, History, Pol. Science, Economics, Education, Philosophy, Geog aphy, Botany, Chemistry, Physics, Zoology and Sociology.

In addition to those above mentioned subjects, General Foundation courses in the degree level both for B.A/B.Sc. is also being taught. The plus 3 degree course which was introduced during 1981-82 has entered its second year. The University has already proposed to introduce subjects like Statistics. Commerce and also the non-traditional course like Forestry in the College. Particulars of financial assistance received from UGC during the year 1982-83.

Received a sum of Rs. 16,500/- (Rupees sixteen thousand five hundred) only from UGC for construction of College Cistern vide No FA. 1-6/MN/80-9084, of 30.3.1982.

Conference/Seminars etc. organized in the College or attended by the Teachers outside the College.

The University had organized a workshop for General Foundation Course at Shillong which was held on 11.2.1983. Foundation course was introduced as subject in the new 3 degree course, 1 year.

Mr. S.H. Choudhuri and Mr. Tawngnga of this College attended the course at Shillong.

Names of Teachers doing Research for M. Phil/Ph.D during the year of 1982-83.

C. Thanthianga, Lecturer of Zoology was released vide No. PIC. 12/Acad/82-83/601. dated 21.12.82 (FU) to enable him to study abroad in Ohio State University, USA.

During the session 1982-83 the college had not faced any problem of students indiscipline. In fact, from last year onwards the student discipline has been greatly improving. As mentioned in the earlier report, the college had already taken steps to improve the attendance as well as University results. It may be mentioned here that the Students' Union election and College Week were conducted smoothly. The relationship between students and teachers is very cordial and it is expected that the rise in the standard of education in the College will further improve.

19. Aizawl College : Courses/Subjects taught in 1982-83 session

3. (a) and (b) attached in a prescribed proforma.

4. Achievement of College during 1982-83.

- i) Permanent Principal is appointed during 1982-83
- ii) Appointment is given to 4 lectures in the College during 1982-83.
- iii) Enrolment of students is rapidly increasing.

X. DEPARTMENT OF PHYSICAL TRAINING, SPORTS & GAMES

On August 10, 1982, Mr. M.G. War, Director of Sports was reverted back to the Government of Meghalaya and Dr. Imdad Hussain, Dean of Student' Welfare took charge in addition to his other duties. The newly constituted Sports Board met only as an informal meeting which was presided by Prof. Mrinal Miri in the absence of the Chairman, Dr. B.D Sharma, Vice-Chancellor who was indisposed. The Board approved the holding of the inter-College Sports and Games in December, 1982.

Inter-College Sports

The Inter-College Sports could not be held owing to a variety of problems. Several colleges expressed their inability to participate as students had to prepare for the examinations. In Shillong, due to the non-availability of playgrounds and the delay of the district authority in giving clearance for the meet in time has hampered the Sports programmes of the University.

However, the Inter-College Cricket Tournament was conducted at Shillong from Nov. 20 to December, 1982, Six colleges participated, involving nearly 90 students from Meghalaya Nagaland and Mizoram. In the two day final matches Shillong College defeated St. Anthony's College. Shillong College was declared as Champion.

Participation in Inter-University Tournaments

On the basis of the performance in the Inter-College Cricket tournament the University Cricket team was selected and intensive coaching was provided by Mr. P. J. Lamare, Coach of the department for the participation in the Inter-University Cricket (East Zone) tournament. The Inter-

University Cricket was held at Patna. The NEHU team was defeated in the first match. The University Football Tournament and Table Tennis team were also formed on the basis of selection matches conducted by the department in Shillong. In the Inter-University Football Tournament held at Ranchi, NEHU team reached the quarter finals.

Although the results of the Inter-University Tournament has not been very impressive yet considering the circumstances, in which the teams were placed, their performance is not entirely without credit. Since participation at the Inter-University level had been after a gap of several years, and theirs was inadequate practice as no Inter-College tournament could be held in the last two years. The Students could not stay away from their classes and exploitation of the players could not be given thrust and their performance, could not be improved, so as to reach the national and international standards in the field of Sports & Games.

XI. CAMPUS DEVELOPMENT AND ENGINEERING CELL

In the previous report, a brief mention has been made about the master plan of the University Campus at Shillong which includes the Academic Complex, Housing Complex, Sports Complex and Recreation Centre for the students. To develop the permanent Campus of the NEHU at Shillong, the building programme is proposed to be carried out in a phased manner, the first phase for student population of 1,000, the second phase for another 1,000 and the last phase for the ultimate strength of 4,000.

The first phase programme consists of the construction of the Academic Complex for six schools and the Housing Complex for 200 Nos. for quarters for the teachers and staff and hostels for the students. The Architect has therefore prepared the plans and the estimates for Rs. 0.5 crores for the part A-I project in this respect and the same is yet to be approved by the University Grants Commission. At present the University Grants Commission has approved in principle at the initial stage the execution of hostel buildings for 200 students and 50 quarters for the teachers at an estimated cost of Rs. 1.57 crore only. The construction works have been taken up by the University and it is expected that these buildings would be completed within the current financial year of 1983-84.

In addition to the building project it has also been proposed to provide necessary facilities and internal road services in the campus area. For this purpose we have obtained UGC's approval for construction of two ring roads around the Housing Complex and the Academic Complex at an estimated cost of Rs. 63 lakhs. Necessary arrangement for allotting the works to the contractors has since been made.

With the passage of years, the University is growing there has, therefore been a great demand for hostel accommodation from the students from different parts of the region and the rural areas as well. As the University is keen to meet the immediate demand of the students, it was felt necessary that the construction of temporary hostel buildings with Shillong-type specification be taken as an alternative proposal with an estimated outlay of Rs. 2 crores in the first phase. Under this proposal the following buildings are proposed to be constructed :

1. Hostel building 800 seats — (a) Single seated room-300
(b) Double seated room-500

-800
2. Research Students/Staff — 200 seats (in two room suites)
3. School of Social Sciences — (i) Lecture room;
(ii) Library for Social Sciences;
(iii) Auditorium;
(iv) Co-operation Section.

The University Grants Commission has agreed to the above proposal for undertaking the construction of 800 students hostel and 150 quarters for the teachers only. In this regard, the plans and estimate amounting to Rs 2.16 crores for hostel building and Rs 3-18 crores for quarters were submitted to UGC. Their approval and sanction are awaited.

Mizoram

The Pachhunga University College was taken over on 19th April, 1979. On taking over of the College by the University, it was felt necessary that the construction of the College and buildings be taken up to improve it to

the required standard. M/S. Dulal Mukherjee, the Architects and Engineers were appointed to carry out the improvement works has prepared and submitted the plans to the extent of Rs 2,20,65,700/- for the purpose. The estimate was technically cleared by the North-Eastern Council and the same is awaiting UGC's sanction.

Agriculture College at Nagaland

Some progress was also recorded with regard to the transfer of Agriculture College at Nagaland. The proposed Agriculture College site at Punglon was visited by a team of experts. It was suggested that the cement concrete boundary pillar be erected along the boundary of the proposed site, thereafter, the site may be handed over formally to the University for its development.

XII. EXAMINATION DEPARTMENT

The enrolment in the University rose from 24330, during 1981-82 to 24533 of 1982-83, recording a 0.83% increase. The enrolment for boys rose from 15986 to 15956, indicating a declining sign by 0.18% and for girls from 8344 to 8577, recording an increase of 2.79%.

The analysis of the statewise enrolment shows that the enrolment at P.U. level rose from 14583 to 15877, recording a rise of 8.87%. The enrolment for boys rose from 9515 to 10217 (+7.37%) and for girls from 5060 to 5722 (+12.9%). There was a considerable variation in the rate of growth of enrolment between different Streams which is given in the following table

TABLE
ATTACHED
SEPARATELY

--	--	--	--	--

It is thus clear that the highest rise has been in P.U. Arts for boys and in P.U. Commerce for girls. For other streams, the rise and fall of the number of students enrolled can be determined at the table shown above.

The growth rate in different states under the University has been significantly different. The highest growth has been in Nagaland.

The Proportion of girls amongst the total students was 4437 in Meghalaya, 1413 in Nagaland and 1510 in Mizoram. Their proportion in Science was 684 in Meghalaya, 106 in Nagaland and 66 in Mizoram.

The overall performance of the students in P.U. Examination was 30.7% in 1983 compared to 35.3% in 1982 in Arts, and 37.6% in 1983 compared to 35.3% in 1982 in Arts, and 37.6% in 1983 compared to 37.4% in 1982 in Commerce. Out of the successful candidates declared in P.U. Arts (1983) 3.25% were in First Division, 32.29% in Second

Division and 64.45% in Third Division, compared to 3.41% (Ist.Div.) 25.83% (2nd Div) and 70.69% (3rd Div) respectively in 1982. For P.U. Science (1983), 19.30% were in Ist. Division 55.79% in 2nd. Division and 24.90% in 3rd. Division compared to 22.39% (Ist.Div) 48.00% (2nd.Division) and 29.60% (Third Division) in 1982.

For P.U. Commerce, the percentage of pass in 1983 were 2.80% in Ist. Division, 34.83% in 2nd. Division, and 62.35% in 3rd. Division., compared to 5.64% (Ist.Div.), 42.37%(2nd.Div.) and 52.54%(3rd.Div.) in 1982.

The result in different stream has varied considerably. The percentage of students who were declared successful in 1983 was 38.2% in Arts, 50.00% in Science and in Commerce 36.3%. The proportion of the successful candidates in First, Second and Third Division in Arts was 4,214, 1020, in Science 51, 64 85 and in Commerce Nil, 19,95. The girls on the whole fared better with 50% approximately in all subjects in Arts (Degree).

The quality of results has varied considerably in different institutions in the constituent unit. The highest percentage was recorded by St. Mary's College at the B.A.Examination 1983, with 67.82% successful out of which 0.86% were in First Class, 45.21 in Second Class and 21.73 in Third Class. At the B.Sc. Examination, the highest percentage was recorded by St. Edmund's College with 65.67% successful out of which 38.80% were in First Class, 13.43% were in Second Class and 13.43 in Third Class. In B.Com. Examination, St. Anthony's College recorded the highest percentage with 33.33% out of which 10.71% were in Second Class and 22.61 in Third Class, and no candidates secured 1st Class.

On the other extreme in some institutions the pass percentage was as low as 17.14%.

The analysis of the result subject-wise shows that the highest proportion of successful candidates was in History and Political Science and the lowest was in Geography. In B.Sc. the highest percentage was in Botany and lowest in Mathematics.

DEPARTMENT OF GEOLOGY

5. The Post Graduate Geology Department of the North Eastern Hill University has been established in the Science College Campus, Kohima, Nagaland State. Besides this an Undergraduate Geology Department has also been started simultaneously at the Pachhunga University College, Aizawl Mizoram. Initially seven students were admitted to the Post Graduate Geology Department in late 1983. Besides imparting Geological training in the Post Graduate studies leading to M. Sc., it is intended that the faculty members and research scholars will conduct investigations specially on fossil-fuels-petroleum and coal since there are good prospects for both these minerals in the North Eastern Region and the hill areas of Nagaland, Mizoram and Assam. With this objective in view intensive study will be made on Stratigraphy, Structural Geology, Sedimentology, Geomorphology and, Igneous and Metamorphic Petrology.

In early 1984 the UGC visiting team strongly recommended the initiation of another Geology Department at Shillong for teaching and studies of the crystalline and sedimentary formations of Meghalaya and adjacent areas.

The P. G. Geology Department of the University at Kohima is being supported liberally by the University Grants Commission. At the moment there are three teachers in the Department a Professor and two Lecturers. The other faculty positions available in the Department who are preparing to appear soon in the second semester examination of the M. Sc. All these six students belong to the North East Region and out of these, four students belong to SC/ST Tribe.

The Department is just in its infancy and equipment and apparatus are being obtained for establishing specialized laboratories. Some valuable equipment has already been received. The greatest constraint in this connection is the paucity of laboratory space. However two young teachers of the Department are actively engaged on the geological studies

of ophiolites and metamorphites of eastern Nagaland and Sedimentological and Geomorphological studies including neotectonics of Nagaland. A lecturer of the Undergraduate Department of Geology, Science College, Kohima, has also applied for Sedimentological and Stratigraphical studies between Kohima and Chumukedima with the ideas of obtaining the doctorate degree. The present professor of the Department is continuing his Micropalaeontological and Stratigraphical studies and has recently contributed two joint research papers on the geological material from NE region. Joint studies between the three faculty members of the Department are going on structure and neotectonics between Kohima and Dimapur and abstracts of papers are being sent for participation in various seminars.

These studies are directly related with the boosting of mineral potential of NE region, especially the fossil-fuels as to industrialization and prosperity of the area.

6. The department has already established links with well established Department of Geology at Gauhati in NE region. It has been receiving support from the Delhi University, Punjab University, Lucknow University. All India Institutions like Geological Survey of India, ONGC, DGM, Nagaland and Coal India Ltd. are extending their cooperation in various ways.

7. The Department being new, and the laboratories being just established has not yet made any attempt to organize all India seminar conference, but its faculty members are participating in various seminars and conferences organized by other Institutions.

8. Does not apply.

9. N — A

10. Although no regular invitation has been sent to any one so far but Professor A. K. Prasad and Dr. R. Y. Singh of CAS in Geology Punjab University, Chandigarh have talked to our students during their visit to this place. However, invitation is being extended to national lecturers under the UGC scheme for 1984-1985.
