ACKNOWLEDGEMENTS

I take this privilege to express my sincere gratitude and deep appreciation to my teacher and supervisor, Dr. P.P. Gokulanathan, Professor, Department of Education, North-Eastern Hill University, Shillong, for his efficient, valuable and untiring guidance.

My gratitude also goes to all the Headmasters/Head mistress, teachers and children of various pre-primary school for their willing participation and cooperation in providing the necessary information for the research.

I gratefully acknowledge my mother late Mrs. Atula, who had encouraged me early in my academic pursuits, and also my friend late Miss Sentila, who helped me in my data collection and is no more to see the completion of my work.

I would also like to extend my thanks to all my friends, who have rendered their kind help and have been behind me through the up and downs of my research work.

Last, but not the least I am grateful to my parents, brother and sisters for their constant encouragement and support given to me in the course of my academic studies.
