Item No. 5. ACADEMIC MATTERS.

5: 1: Statutes, Ordinances, Regulations & Rules.

Sub: (ii) Amendment/modification of Clause 5(1) of OE-4 on Procedure of scrutiny.

In the notification No. CONF:13-15/Ord/99-1695, dated 29th June, 2000, amending/modifying Clause 4 and 5(1) of OE-4, where the applications of all candidates for the post of Lecturer/Reader/Professor or equivalent post or applications for placement/promotion under the Career Advancement Scheme shall be forwarded to the Head of the Department concerned. If the Head of the Department happens to be a Reader, the applications for the post of Professor or equivalent will be forwarded to the Professor in the Department or failing which, to the Dean of the School.

It may be mentioned herein that earlier the aforesaid procedure is followed for the post advertised only. In the case of Career Advancement Scheme, the appraisal report of the candidate is duly verified by the Head of the Department concerned or the Dean of the School as the case may be, before submitting to the office for processing. However, in the above amended Ordinance, it appears that the applications for Career Advancement may also be forwarded to the Head of the Department for academic screening. In this connection, it may perhaps be stated that the procedure of scrutiny will be applicable for the posts advertised and not for cases under Career Advancement Scheme. As in this case, the Head of the Department or the Dean of the School concerned has already verified the actual data at Column-F of the Part-II of the appraisal report.

In view of the explanation given above, the matter is therefore, placed before the Council for deliberation and to modify the said Clauses in case of Career Advancement Scheme.
